The Son of Tarzan (Large Print) Edgar Rice Burroughs, 2014-11-07 The long boat of the Marjorie W was floating down the broad Ugambi with ebb tide and current Her crew were lazily enjoying this respite from the arduous labor of rowing up stream Three miles below them lay the Marjorie W herself quite ready to sail so soon as they should have clambered aboard and swung the long boat to its davits Presently the attention of every man was drawn from his dreaming or his gossiping to the northern bank of the river There screaming at them in a cracked falsetto and with skinny arms outstretched stood a strange apparition of a man Wot the ell ejaculated one of the crew A white man muttered the mate and then Man the oars boys and we ll just pull over an see what he wants When they came close to the shore they saw an emaciated creature with scant white locks tangled and matted The thin bent body was naked but for a loin cloth Tears were rolling down the sunken pock marked cheeks The man jabbered at them in a strange tongue Rooshun hazarded the mate Savvy English he called to the man He did and in that tongue brokenly and haltingly as though it had been many years since he had used it he begged them to take him with them away from this awful country Once on board the Marjorie W the stranger told his rescuers a pitiful tale of privation hardships and torture extending over a period of ten years How he happened to have come to Africa he did not tell them leaving them to assume he had forgotten the incidents of his life prior to the frightful ordeals that had wrecked him mentally and physically He did not even tell them his true name and so they knew him only as Michael Sabrov nor was there any resemblance between this sorry wreck and the virile though unprincipled Alexis Paulvitch of old

Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations Jasmin

Sültemeyer,2021-07-05 As striking counter intuitive and distasteful as the combination of children and anxiety may seem some of the most popular children s classics abound in depictions of traumatic relationships bloody wars and helpless heroes This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition as it stands out in Golden Age novels from both sides of the Atlantic and their present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and

highlights the necessity to approach children's entertainment more seriously and more sensitively than it is generally the case
