## **Son A Psychopath And His Victims:**

Son: A Psychopath and his Victims Jack Olsen, 2020-05-28 A classic from the dean of true crime The Washington Post now with a new foreword this 1983 masterpiece tells the incredible story of a Spokane Washington serial rapist who was exposed as the handsome privileged son of one of the city's most elite families For more than two years a rapist prowled the night streets of the homey All American city of Spokane Washington terrorizing women sparking a run on gun stores and finally causing one newspaper to offer a reward the calls taken by the distinguished managing editor himself Gordon Coe In March 1981 luck and inspired police work at last produced an arrest and Spokane shuddered The suspect was clean cut and conservative and Gordon Coe's son For eighteen months Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family but how and why He interviewed more than 150 people and built up a portrait not only of that extraordinary family but of the mind of a psychopath And searching the memories of the women in Fred Coe's life he unearthed a most horrifying question What is it like to love and live with a man for years and then discover he is a psychopathic criminal In this gruesomely spellbinding Glamour examination of the mind of a psychopath and of the women and men who were his victims Olsen delivers a harrowing portrait It has become fashionable with books about vicious crimes to compare them to Truman Capote's *In Cold Blood* Finally there is a book that deserves the comparison Richmond Times Dispatch

**The Black Athlete: A Shameful Story** Jack Olsen, 2020-06-16 Jack Olsen's blunt depiction of the shameful treatment of black athletes in the 1960's A view of the sport most Americans refused to see during a time of complacency and pervasive racial crisis in America Black collegiate athletes were often dehumanized exploited and discarded Recruited for their skill then lionized on the field and ostracized on campus The world of professional sports offered black athlete's opportunity but not equality Positions that carry authority and responsibility were typically labeled white only Olsen interviewed sociologists black community leaders coaches AD's and numerous athletes This ground breaking and controversial report sparked nationwide reforms when it was covered in a five part series published by Sports Illustrated in 1968

*The Secret of Fire Five* Jack Olsen, 2020-06-17 Fire 5 is a special roving unit which comes to the aid of other fire companies that run into trouble all over the city Its story is told by one of the men of the unit Charly Sprockett and from the very first scene Jack Olsen hooks the reader with his remarkable ability to write dialogue that rings true and to create characters who jump to life We live with the men in the station take drills with them hear them swap funny stories marital woes and sexual adventures We watch them razz the probies initiate their first fireperson Lulu Ann Tompkins and unite in common hatred of their tyrannical new battalion chief H Walker Slater We see them crawl through burning buildings dragging out people trapped within We join the hilarity when they come to the rescue of a four hundred pound woman who gets stuck in her bathtub and we root for Charly as he climbs out on an overpass over a freeway to talk a desperate young girl out of leaping to her death But beneath the ribald humor lies an urgent suspense story Somewhere in the city lurks the

firefighter's deadliest enemy a vicious arsonist who has been pouring gasoline over derelicts and setting them aflame The Bridge at Chappaquiddick Jack Olsen, 2020-05-28 And on its surface the Chappaquiddick Incident as it has infamously become known was a simple but tragic traffic accident However its political fallout caused it to become the most speculated upon car accident until Princess Diana's fatal ride some 28 years later Was Kennedy drunk Was he trying to conceal an affair by deliberately killing Kopechne Why did he wait for so long before reporting the accident And who else was involved Olsen tells the tale with as much detail as was made available to him Though there is apparently only a single living eye witness to the accident Kennedy himself who described having the sensation of drowning on live television a week later Olsen tracks down the incongruous statements made by others who were indirectly involved and comes to a potential conclusion which would be difficult to refute There is no legal evidence of this conclusion of course but his alternate explanation of events turns much of the circumstantial evidence into a logic of sorts Night of the Grizzlies Jack Olsen, For more than half a century grizzly bears roamed free in the national parks without causing a human fatality Then in 1967 on a single August night two campers were fatally mauled by enraged bears thus signaling the beginning of the end for America's greatest remaining land carnivore Night of the Grizzlies Olsen's brilliant account of another sad chapter in America's vanishing frontier traces the causes of that tragic night the rangers' careless disregard of established safety precautions and persistent warnings by seasoned campers that some of the bears were acting funny the comforting belief that the great bears were not really dangerous would attack only when provoked The popular sport that summer was to lure the bears with spotlights and leftover scraps in hopes of providing the tourists with a show a close look at the great teddy bears Everyone came some of the younger campers even making bold enough to sleep right in the path of the grizzlies known route of arrival This modern bearbaiting could have but one tragic result The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the

movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index

**Massy's Game** Jack Olsen, 2020-06-17 Massy was big over 8 2 and still growing the biggest man in pro basketball No one thought it possible a man that big could move could run and jump and shoot and rebound But before his first year was out he became a legend as well as a threat to the game No one likes a giant no one roots for Goliath Cursed by irate fans elbowed and punched by competing players he is universally despised What drives him on What is in his past that drives him to continue dragging himself up and down the court when he would rather be playing the piano What about the father that won't stay off the bottle And the little girl with the flute As the season nears its ultimate close the fury and tension mount No one can stop the big man even though he doesn't have all the moves and shots No one and nothing Beating the backboards pounding slam dunks so hard the rim shakes pulling down rebounds a yard above the rim blocking shots from ten feet away He is a one man wrecking crew seemingly oblivious to the fact that the fans hate him the opposing team hates him and the officials hate him Massy obliterates the opposition almost single handedly But the more shots he blocks the greater the national hysteria The book surges on to a screaming apocalyptic ending as unexpected as it is inevitable If opposing players can't stop him there are other means available An original and fast breaking sports novel that makes a strong and provocative comment on our entire society

**Sweet Street** Jack Olsen, 2020-05-28 A poignant first hand expose of working and surviving in the dark underworld of seedy bars and strip clubs in the early 1970's Jack Olsen's gritty depiction of street life as told by hustlers pimps strippers waitresses cops junkies bartenders bouncers and club owners The dynamic mix of tough and competitive individuals performing various roles in a social environment that has its own code and hierarchy How did they get here How do they survive Their stories range from startling to shocking to touching Sweet Street is an exceptional documentary which provides the reader with a much greater understanding of the complexity of 1970's street life from the perspective of those directly involved

**Cold Kill** Jack Olsen, 2020-05-28 David loved Cindy and was loved in return Or so he thought The troubled young man clung to his new love and dreamed of their future together So begins the chain of events that was to evolve into a horror of terrifying proportions Jack Olsen bestselling author of Son now reveals the details of a true life romance gone hideously awry After weeks of planning the young misfits from two fine old Texas families donned grotesque battle gear and crept into the luxurious home where Cindy Ray's parents lay asleep with her two small sons In the hot muggy room the cold kill was over in seconds Everyone who knew the unpredictable Cindy suspected that she was involved but the ghastly crime had been so carefully orchestrated that Houston's top homicide detectives could get nowhere Cindy wore black and sobbed at the funeral then began a frenzied attempt to collect her inheritance and as many of her wealthy parents

possessions as she could haul away No one except David West was surprised when she walked out on him Then the story took another bizarre turn In a final bid to solve the case a seductive young private investigator named Kim Paris was assigned to cozy up to West Soon the gullible killer was in love once again with fateful consequences Traditionally true crime drama illuminates the sinister motivations in the human psyche Yet *Cold Kill* reveals something still more frightful unspeakable murders are committed not out of greed revenge or blind demented rage but out of a troubled young man s tragically misconceived code of honor and a desperate need to please and protect the woman of his dreams Jack Olsen s *Cold Kill* is a stunning testament to the profoundly discerning eye of a grand master of true crime To read *Cold Kill* is not to forgive David West It is however to undergo the uncanny experience of feeling oneself slowly but surely moving into the shoes of a pathological killer

*Alphabet Jackson* Jack Olsen, 2020-05-28 The Billygoats champions of the National Conference of the NFL are flying to New Orleans for the Super Bowl when their plane is hijacked by a familiar giant with a machine gun a drug habit and a pair of sure hands Alphabet Jackson is the Billygoats balding offensive center and he tells the suspenseful violent and funny story which really began on the first day of training camp For Alphabet the ride to the Super Bowl is a long held secret dream that threatens to end in a nightmare of flame twisted metal and death With Alphabet a ten year veteran coming off a knee operation you venture into the inner world of pro football with as colorful a cast of characters as you ve ever encountered Alphabet knows his teammates well the studs bruisers boozers and pill poppers He knows the agonies of the grass drills the brutal combat in the pit the savage joy of the game And he knows the wild hilarity the football Annies the management moguls the frantic fans off the field But it s not until the plane is hijacked that Alphabet understands some of the things that have been going on all season the suspicious shift in point spreads the crazy incidents stirring up racial tensions the kook telephone calls to wives It all comes together on the way to the Super Bowl in a novel that will hold the championship in its field for years to come

**Give a Boy a Gun** Jack Olsen, The war between society and the antisocial personality has long been a subject of fascination and few have explored it as thoroughly as award winning author Jack Olsen In his national best seller *Son A Psychopath and His Victims* Olsen studied a psychopathic rapist who found the perfect protective coloration in jogging shoes and sweats In this book the story of Claude Lafayette Dallas Jr Olsen takes on perhaps his most challenging assignment explicating the curious relationship between a homicidal young mountain man and those who saw in his colorful ways the embodiment of the cowboy mystique of the West On a snow blown day Dallas killed two game wardens who entered his trapping and poaching camp in Idaho s Owyhee Desert The cold bloodedness of Dallas s crime shocked the West Stained with his victim s blood he confessed to a companion This is Murder One for me Then Claude Dallas vanished into the wild and rugged mountains that had sheltered him for so long For fifteen long months he was the subject of an international manhunt until the FBI and a drawling country sheriff joined forces to run him to earth in a rain of bullets Only then did lawmen learn about the network of friends who had helped him elude capture To some of Dallas s rustic

neighbors the deadly progression from cowboy to poacher to killer seemed justifiable even admirable Clanking around the bars and barrancas of the high desert country in his hand filed spurs and well oiled guns Claude Dallas had brought a strange new madness to the mythology of the West a madness that even a jury of his peers found nostalgically seductive in a sensational trial Claude Dallas came within a whisker of going free Only Jack Olsen through painstaking research into Dallas's background and exhaustive on the scene interviewing could unravel such a rat's nest of contradictions and confusions and create so compelling a portrait of the killer whose bloody deeds might have been foreordained from childhood From Publishers Weekly Claude Dallas Jr was raised in Upper Michigan and Ohio by a father whose philosophy was give a boy a gun and you're makin a man After high school the young man went to the rugged border area of Idaho Oregon and Nevada and worked as a cow puncher and handyman on several ranches But his dream was evidently to become a 19th century style mountain man and so he turned to poaching often killing animals even though he had no need for the meat In 1981 he killed two game wardens in front of a witness On the run for 15 months he was eventually captured in a shootout and found guilty of manslaughter in a singularly bizarre trial From Library Journal Give a boy a gun and you're makin a man Claude Dallas Sr is quoted as saying in this book about his son Claude Jr a self made cowboy trapper and mountain man who was convicted of manslaughter in the shooting deaths of two Idaho game wardens Claude Jr was well liked by many including a sympathetic jury which rejected possible first or second degree murder verdicts Was it a case of self defense or outright murder Olsen who last wrote the popular Son a psychopath and his victims LJ 11 15 83 skillfully presents his viewpoint in a readable tale more reminiscent of Old West traditions than of the 1980s Recommended **Missing Persons** Jack Olsen, Missing Persons is a novel of contemporary suspense and horror combining the shock and tension with gritty realism A story of terror loss and love that unlocks the nightmares lurking behind the facades of ordinary lives Could it happen to you Severn Gamble's wife walks into the Justice Building of a major Northwestern city and never comes out Margot No one has seen her Margot She has disappeared Margot And the nightmare begins Gamble starts to hunt for her joined by two police officers Johnny Boon case hardened cynical and with a wife who's just walked out on him and Tally Wickham young pretty smartass and as compatible with Boon as oil and water Together and separately the three of them undertake a search for Margot Gamble a search that soon becomes obsessional as others begin disappearing too beginning with a child Never faltering thick with vivid characterization and building to one of the most terrifying climaxes in years Predator Jack Olsen, 2020-05-28 Jack Olsen the master of the true crime book now gives us an incisive probing look into the creation and development of the criminal mind as well as a shocking case of justice gone awry From childhood McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers As a teenager unburdened by conscience or pity he experimented with child abuse and bestiality then moved on to larceny stickups incest and finally rape Warned by a witch that he was about to be arrested he fled Los Angeles for Seattle and the Northwest already the breeding ground of predatory monsters like Ted

Bundy Kenneth Bianchi and the Green River Killer There for years he stalked the women of Seattle seeking his prey on the dark streets and in the quiet homes then returning to his wife and family too careful and too clever to be caught By fall 1980 Mac Smith's luck still held A respectable young businessman named Steve Titus found himself charged with one of Smith's most sadistic rapes in a nightmarish case of mistaken identity and injustice The idealistic Titus was certain that the American system of justice would clear him right up to the day that a jury of his peers returned a verdict of guilty as charged While Mac Smith continued to terrorize the women of Seattle Titus lost everything his reputation his job his loved ones his freedom It was only when a Pulitzer prize winning reporter answered Titus's pleas for justice that the terrible truth emerged a truth that was darker than anyone imagined Predator is a gripping work of true crime reporting Jack Olsen doing what he does best It is a searing study of violations of women of justice of power and of the human spirit Jonathan Kellerman Review With careful reporting that sticks close to the facts Jack Olsen tells stories that seem straight out of crime fiction and yet are all the more compelling for being true This book focuses on three men a criminal who preyed on women a carefree partygoer who was wrongly convicted of the predator's crimes and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth It's supposed to be a rare event in the U S judicial system that someone this innocent gets screwed this badly Even if it only happened to one person every decade it would still be a horrible thing And the smiling rapist described as having a sweet Jesus like countenance knowingly allowed that to happen Olsen not only delivers a real page turner but he ties up all the loose ends before the book's memorable and satisfying finale Bad Boys, Bad Men 3rd edition Donald W. Black, 2021-11-15 The newly revised edition of Bad Boys Bad Men Confronting Antisocial Personality Disorder draws on scientific data current events new research and real world case studies to analyze this misunderstood disorder making it essential reading for anyone looking to understand antisocial and psychopathic behavior This new edition enhances the discussion of women psychopathy and narcissistic personality disorder in relation to ASPD **The Girls in the Office** Jack Olsen, 2020-06-17 A compilation of multiple case histories of single women of various ages who all work for the same company in New York City He never reveals who the company is after decades of thought and a little research I think I figured it out but that isn't important What IS important is the lives of these women how they feel about their lifestyle how they feel about their work how they feel about the company and how they feel about each other If you ever sensed that the faces we wear in public have little to do with who we really are and how we really feel this book will solidify that feeling All of the women are very unique some you admire some you pity some you dislike But all are fascinating It's a flashback to the 1970's and the early stages of the women's liberation movement It will leave you wondering where these women are today and what became of their lives **The Misbegotten Son** Jack Olsen, 2020-05-28 Little Artie Shawcross bullied classmates insulted teachers started fires tortured animals and roved the woods of New York's hardscrabble North Country with imaginary friends talking in a high squawk He also scored top grades excelled in sports and shared his money and toys with

the children who ridiculed him From the second grade on he was subjected to psychiatric examination regularly confounding the experts Years later while serving in Vietnam Arthur John Shawcross wrote bloodcurdling letters about his battlefield ordeals then returned to Watertown to commit a string of arsons and burglaries He served two years in prison was paroled to his respectable parents and murdered a boy and a girl Back in the penitentiary he proved as enigmatic as ever Some counselors saw him as a Frankenstein monster beyond hope irredeemable To others he was a troubled young man who could be saved No two psychiatrists seemed to agree Shawcross served fifteen years then conned a parole board into an early release He settled in Binghamton but angry citizens learned of his bloody history and ran him out of town After two smaller communities turned him away desperate parole authorities finally smuggled the child killer into Rochester in the dead of night neglecting to alert the local police Soon the corpses started turning up locked in winter ice covered by reeds in swamps floating in streams The homicidal pedophile had changed his M O this time murdering diminutive women As the body count grew Rochester streets swarmed with police and still the serial killer managed to snare his tenth victim then his eleventh Amazon com Accounts of more famous serial killers like Ted Bundy or Jeffrey Dahmer may have ghoulish entertainment value but I agree with writer Darcy O'Brien that this meticulously factual study of child sex murderer Arthur Shawcross comes closer to capturing the psychology of a serial killer than anything else I've ever read The strength of this book semi finalist for a 1994 Edgar Award comes first from the quality of the materials including first person interviews with the killer's wives girlfriends co workers police officers therapists and even a prostitute who played dead for Shawcross and second from Olsen's ability to weave the information into a highly readable story that reveals above all the ineffectiveness of our system of rehabilitation and parole From Publishers Weekly An experienced and skilled writer Olsen Predator proves himself equal to the formidable task of studying serial killer Arthur Shawcross Born in 1945 in upstate New York Shawcross was perceived as different even in childhood his classmates dubbed him Oddie and elementary school officials called for mental health evaluations In the early 70s he murdered two children and was sentenced to up to 25 years in prison he served less than 15 years before he was paroled in 1987 He was difficult to place townspeople drove him out as soon as his past became known After three such episodes parole officials sent him surreptitiously to Rochester N Y where he killed at least 11 prostitutes He was arrested in 1990 and eventually sentenced to 250 years in prison During the trial he claimed that he had been physically and sexually abused by his mother untrue the authorities concluded and that he had committed horrible atrocities in Vietnam probably untrue He did not fit the classic pattern of the sociopath nor did he seem either schizophrenic or paranoid It remained for psychiatrist Richard Kraus to hypothesize that physiology was the basis for Shawcross's behavior he diagnosed Shawcross as suffering from a metabolic ailment known as pyroluria and an abnormal genetic constitution Told by Olsen with contributions from others affected by Shawcross's crimes the story is a triumph of true crime writing *No Remorse* Jacqueline B. Helfgott, 2018-11-09 An in depth interdisciplinary perspective on psychopathy suitable for those interested in

criminology and criminal justice sociology psychology anthropology and other social science as well as general knowledge An innovative and indispensable resource for those wishing to investigate how and why psychopathy is important in understanding criminal behavior and its response No Remorse Psychopathy and Criminal Justice provides a comprehensive examination of the empirical research and cultural understanding of psychopathy The book examines ways in which the construct and concept of psychopathy have made their way into criminological theory and criminal justice practice It offers a focused look at how the term psychopath is used and understood in law enforcement the courts corrections victim services and juvenile justice Additionally it examines historical research and cultural perspectives on psychopathy for understanding criminal behavior exploring theories of and research into psychopaths psychopathy and gender and representations of psychopaths in film and literature

**The Girls on the Campus** Jack Olsen, 2020-06-17 Fourteen outspoken women describe college life in the tumultuous 1970 s Experiencing their newfound freedom from the constraints of parents and home to a rebellious environment filled with alcohol drugs and sex It seems education doesn't end in the lecture and study halls as these women come of age during the counterculture movement Jack Olsen provides the readers with an insightful and personal perspective of campus life through the eyes of each of these young women

**'The Son of Sam' and Me** Carl Denaro, Brian Whitney, 2021-03-02 An alleged victim of the Son of Sam shares his search for the truth about who really tried to kill him in this true crime story In 1976 a killer who called himself The Son of Sam shot and killed a half dozen people and wounded as many more in New York City During his crime spree the madman left bizarre letters mocking the police and promising more deaths After months of terrorizing the city while garnering front page headlines and international attention a man named David Berkowitz was arrested He confessed to the shootings claiming to be obeying a demon that resided in a dog belonging to his neighbor Sam Among the alleged victims was Carl Denaro On the night he was shot Denaro was hanging out with some friends at a bar when he met up with a woman named Rosemary Keenan The couple left the bar and went to Keenan's car for some privacy However a few minutes later the windows of the car exploded as Denaro was shot in the head by an unseen assailant Miraculously Denaro survived the attack When Berkowitz was arrested he was charged with trying to kill Denaro However there was a twist Although he confessed to the other shootings after his conviction Berkowitz denied attacking Denaro Now after years of research Denaro is convinced that Berkowitz was telling the truth and that someone else tried to kill him In *The Son of Sam and Me* author Carl Denaro with co author Brian Whitney The Supreme Gentleman Killer reveals his search for the truth and his shocking conclusion regarding the real shooter's identity Denaro also discusses his friendship and investigative partnership with Maury Terry the author of *The Ultimate Evil* which is considered the definitive case study on the theory that Berkowitz did not act alone Includes never revealed correspondence between Denaro and Berkowitz

**Criminal Psychology** Jacqueline B. Helfgott, 2013-04-01 This comprehensive four volume reference set on the subject of criminal psychology includes contributions from top scholars and practitioners in the field explaining new and

emerging theory and research in the study of the criminal mind and criminal behavior Unfortunately criminal behavior surrounds us in our society from petty theft and vandalism to multimillion dollar white collar crime to shocking terrorism attempts and school killings Invariably one of the first questions is Why did they do it Criminal psychology seeks to solve this complex puzzle In this four volume reference work a unparalleled team of leading experts offer an exhaustive look at the history developments emerging and classic research issues controversies and victories in the expanding field of criminal psychology The first volume examines the general theories in the study of criminal psychology The second volume focuses more specifically on research of criminal behavior and crime types while the last two volumes delve into criminal justice and forensic applications The comprehensive content allows readers to better understand criminal behavior and appreciate the specific criminal justice and forensic settings in which this theory and research is applied such as criminal profiling forensic assessment of danger and correctional rehabilitation and offender reentry
