Song of a Dry River Brian Barrow, 1976 The author's impressions on journeys into the Nossob river country **Song of a Dry River** Brian Barrow, 1975 *A Song of Dismantling* Fernando Pérez, 2018-02-15 In this dynamic debut collection Fernando Pérez employs lyric and nonce forms to interrogate identity politics and piece together a complex family history The book embodies fragmentation in form and story exploring how migration affects relationships between people of different generations Pérez invites readers on the journey as his family story unfolds over time and distance **THE UNSUNG SONG OF SHAMBUKA AND OTHER POEMS** Hari Har Mallick, 2023-10-11 The book contains 60 selected poems which are written in the line of protest poetry dares to expose the social inequalities and social injustice in an artistic way When the Song Left the Sea Kevin Hull, 2013-02 Hector Martin nearing sixty has been recently abandoned by a much younger and wildly troubled woman who has left him with a young son A solitary man whose interests had been whale gazing Dvorak and self study finds himself a reluctant father nearly paralyzed by this unexpected event We come to our story with the tenderness of a father's I love you or a sad neglected child's first troubling questions His sister with dutiful affection assumes the role of surrogate mother while her brother sitting before an empty grave celebrates the death of his wife the source of his final betrayal We learn that while most flee grief others seek to transform it We learn too that redemption often comes in unimaginable ways For everyone has a story and sometimes they overlap and collide **Duetting and antiphonal song in birds; its extent and significance** Thorpe, 2024-02-12 **Psalms, Proverbs, Ecclesiastes, and Song of Songs** John Hilber, Tremper Longman III, Duane Garrett, 2016-01-12 Many today find the Old Testament a closed book The cultural issues seem insurmountable and we are easily baffled by that which seems obscure Furthermore without knowledge of the ancient culture we can easily impose our own culture on the text potentially distorting it This series invites you to enter the Old Testament with a company of guides experts that will give new insights into these cherished writings Features include Over 2000 photographs drawings maps diagrams and charts provide a visual feast that breathes fresh life into the text Passage by passage commentary presents archaeological findings historical explanations geographic insights notes on manners and customs and more Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages Written by an international team of 30 specialists all top scholars in background studies **Folk-song: England and America. Das Geistermotiv in den schottisch-englischen Volksballaden, von K. Ehrke. The traditional ballad and its South Carolina survivals, by R. Smith. Jaehde**, 1914 *Berit Olam: The Song of Songs* Dianne Bergant, 2023-06-10 Among all of the books of the First Testament the Song of Songs is one of the most intriguing On the one hand its unabashed sensuality has captured the imagination and has endeared it to those who appreciate passionate human love On the other hand more demure readers have frequently been chagrined by their own fascination with its erotic

character and have cloaked their interest under the guise of metaphorical reading Both interpretations of the Song of Songs have been endorsed Down through the ages both Jewish and Christian interpreters have delighted in the exquisite imagery of the book s songs but they have also frequently reverted to allegory in their interpretations This commentary views the Song as a collection of love poems and carefully examines features of Hebrew poetry in order to uncover the delicacy of their expression It is unique not only in the attention that it gives to the obvious feminine perspective of the poems but in their ecosensitive character Although it is a tribute to mutual love the principal frame of reference is the amorous disposition of the woman Her words open and close the Song and her voice is dominant throughout The imagery that the lovers use is drawn from nature Whether it is the woman in awe of the strength and splendor of her lover or the man glorifying her physical charms the descriptions all call on elements from the natural world to characterize the feature being described Whatever they experience or know or even desire is somehow rooted in the natural world Chapters are Superscription Mutual Yearning 1 2 2 7 An Opportunity Lost Then Found 2 8 3 5 Ravished By Beauty 3 6 5 1 One of a Kind 5 2 6 3 The Admiration of all over 6 4 8 4 and Love Affirmed 8 5 8 14
