Rihanna Sarah Oliver, 2011-09-05 Music **The Song Machine** John Seabrook, 2015-10-05 An utterly satisfying examination of the business of popular music Nathaniel Rich The Atlantic There s a reason today s ubiquitous pop hits are so hard to ignore they re designed that way The Song Machine goes behind the scenes to offer an insider s look at the global hit factories manufacturing the songs that have everyone hooked Full of vivid unexpected characters alongside industry heavy hitters like Katy Perry Rihanna Max Martin and Ester Dean this fascinating journey into the strange world of pop music reveals how a new approach to crafting smash hits is transforming marketing technology and even listeners brains You ll never think about music the same way again A Wall Street Journal Best Business Book

The Song Remains the Same Andrew Ford, Anni Heino, 2019-12-02 An illuminating history of the song for every kind of music lover Often today the word song is used to describe all music A free jazz improvisation a Hindustani raga a movement from a Beethoven symphony apparently they re all songs But they re not From Sia to Springsteen Archie Roach to Amy Winehouse a song is a specific musical form It s not so much that they all have verses and choruses though most of them do but that they are all relatively short and self contained they have beginnings middles and ends they often have a single point of view message or story and crucially they unite words and music Thus a Schubert song has more in common with a track by Joni Mitchell or Rihanna than with one of Schubert s own symphonies The Song Remains the Same traces these connections through seventy five songs from different cultures and times love

songs anthems protest songs lullabies folk songs jazz standards lieder and pop hits When You Wish Upon a Star to We Will Rock You Jerusalem to Jolene Unpicking their inner workings makes familiar songs strange again explaining and restoring the wonder joy or possibly loathing the reader experienced on first hearing As much about singing musicianship and recording as it is about songwriting this eclectic ride through a unique choice of songs everyone will argue for alternatives is cleverly curated and littered with intriguing details about the creators and their times filled with loving cross references to other songs and deft musical analysis I defy anyone not to leap online to listen to the unfamiliar or re listen to old favourites in light of new detail One of the best games in this book is figuring out why one song follows the other there s always an intelligent often very funny link Robyn Archer **Listen to Hip Hop!** Anthony J.
