political genius and moral vision Influenced early on by nonviolent teachings in Hinduism Jainism Christianity and Buddhism he came to insist on the primacy of love for one's adversary in any conflict as the invincible power for change His unyielding opposition to intolerance and oppression would inspire India like no leader since the Buddha creating a legacy that would encourage Martin Luther King Jr Nelson Mandela and other global leaders to demand a better world through peaceful civil disobedience By boldly considering Gandhi the man rather than the living god depicted by his disciples Wolpert provides an unprecedented representation of Gandhi's personality and the profound complexities that compelled his actions and brought freedom to India
