The Dilemmas of the Dollar Fred Bergsten, 1975-06-01

Implications of a Weaker Dollar for Oil Prices and the U.S. Economy United States. Congress. House. Committee on Financial Services, 2008

Dollar Overvaluation and the World Economy C. Fred Bergsten, John Williamson, 2003 This report provides alternative views of how large a dollar depreciation would be needed to restore a sustainable position analyzes the impact of currency misalignments on each of the three major economies and discusses the role of exchange market intervention in addressing the issues

The Dollar and National Security Paul Viotti, 2014-07-23 Defense establishments and the armed forces they organize train equip and deploy depend upon the security of capital and capital flows mechanisms that have become increasingly globalized Military capabilities are thus closely tied not only to the size of the economic base from which they are drawn but also to the viability of global convertibility and exchange arrangements Although the general public has a stake in these economic matters the interests and interpretive understandings held by policy elites matter most in particular those among the owners or managers of capital who focus on international finance and the international monetary regimes that sustain global commerce and their capital positions In *The Dollar and National Security* Paul Viotti explores the links between global capital flows these policy elites and national security After establishing the historical link between currency gold and security he continues the monetary security story by examining the instrumental role the dollar has played in American economic and national security over the past seven decades He reveals how perceived individual and collective interests are the key drivers toward building the kind of durable consensus necessary to sustain the external financing of American foreign and national security policy and addresses the future implications for national security as decision makers in the BRICs and other countries position themselves to assume an even larger policy presence in global commercial monetary and security matters

International Competitive Effects of the High Value of the Dollar United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on International Finance and Monetary Policy, 1984

Emerging Issues in the Global Economy Silvia Cristina Mărginean, Claudia Ogresan, Ramona Orăștean, 2018-01-11 This proceedings volume provides current research on emerging issues in business economics and finance in the global economy with particular emphasis on Eastern Europe Featuring selected papers from the 2017 International Economics Conference in Sibiu IECS organized by the Lucian Blaga University of Sibiu Romania the contributing chapters consider new business models theories practices and instruments from advanced and emerging economies in the context of recent global trends After over 20 years of increasing openness and liberation of the world

economy recent events in regions such as Europe USA and Asia have created challenges to the idea of globalization and integration There is a delay between the real world economic changes and the reflection of such changes in the economic research literature The 2017 IECS conference and the enclosed papers aim to fill this gap in the study of globalization covering diverse topics such as business administration sustainability corporate social responsibility finance accounting tourism and business informatics

Dollar Adjustment: How Far? Against What? , The dollar rose about 35 percent in real terms from 1995 to the end of 2001 supporting the US economy of the late 1990s but pushing the current account deficit to a record high This book looks at the impact of this examining intervention to achieve desired currency values and the impact of a major dollar realignment on worldwide economies

Prisoner's Dilemma William Poundstone, 2011-05-25 A masterful work of science writing that is both a fascinating biography of von Neumann the Hungarian exile whose mathematical theories were building blocks for the A bomb and the digital computer and a brilliant social history of game theory and its role in the Cold War and nuclear arms race San Francisco Chronicle Should you watch public television without pledging Exceed the posted speed limit Hop a subway turnstile without paying These questions illustrate the so called prisoner's dilemma a social puzzle that we all face every day Though the answers may seem simple their profound implications make the prisoner's dilemma one of the great unifying concepts of science Watching players bluff in a poker game inspired John von Neumann father of the modern computer and one of the sharpest minds of the century to construct game theory a mathematical study of conflict and deception Game theory was readily embraced at the RAND Corporation the archetypical think tank charged with formulating military strategy for the atomic age and in 1950 two RAND scientists made a momentous discovery Called the prisoner's dilemma it is a disturbing and mind bending game where two or more people may betray the common good for individual gain Introduced shortly after the Soviet Union acquired the atomic bomb the prisoner's dilemma quickly became a popular allegory of the nuclear arms race Intellectuals such as von Neumann and Bertrand Russell joined military and political leaders in rallying to the preventive war movement which advocated a nuclear first strike against the Soviet Union Though the Truman administration rejected preventive war the United States entered into an arms race with the Soviets and game theory developed into a controversial tool of public policy alternately accused of justifying arms races and touted as the only hope of preventing them Prisoner's Dilemma is the incisive story of a revolutionary idea that has been hailed as a landmark of twentieth century thought

The Dilemmas Of The Dollar Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Dilemmas Of The Dollar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Dilemmas Of The Dollar has opened up a world of possibilities. Downloading The Dilemmas Of The Dollar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Dilemmas Of The Dollar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Dilemmas Of The Dollar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Dilemmas Of The Dollar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Dilemmas Of The Dollar, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Dilemmas Of The Dollar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
