Leiva-Merikakis,2003-01-01 This book explores in depth six Gospel scenes so as to discover in these the essential elements of Christian discipleship It describes the basic requirements for receiving the Word of God effectively in our hearts namely that we become wet clay in God s hands so that God can impress upon us any form he chooses It also contemplates the vital position of the Mother of the Lord in the life of his disciples The author shows that the call to discipleship is above all an invitation to intimate companionship with Jesus as we read in Mark Jesus called to him those whom he desired in order that they might be with him 3 14 15 What we normally call the active apostolate can never be an end in itself but only the fruits of a life of prayer and adoration These are what must be at the heart of a disciple s life which can never be swept up by mere activism

The Disciple Lucy Peppiatt,2012-10-12 In The Disciple Lucy Peppiatt addresses the question of what it means to become like Jesus in the context of our everyday lives Through the gifts of the Word and the Spirit our communities and our circumstances in life God forms us into the likeness of his Son and leads us into a life of freedom in relationship with the Father where we experience what it means to become truly and fully human The Disciple brings together theological depth stories from Scripture and examples from everyday life to paint a picture of the dynamic work of God in our lives and how we might respond to his work so that we are brought into the richness and reality of the life of the kingdom Following Jesus means being apprenticed and schooled in the ways of freedom and the fullness of life The Disciple combines theology and practice including suggestions of how to respond in practical ways as individuals and in our communities to the calling of God on our lives to follow him
