

The background of the slide is a dramatic photograph of a stormy night sky. Dark, jagged clouds are illuminated from within by a bright orange and yellow light source, likely the setting or rising sun. Several bright white lightning bolts are visible, striking across the sky. In the foreground, the dark silhouette of a church with a tall, pointed steeple and other smaller spires is visible against the glowing sky. The overall mood is ominous and intense.

The Dishonest Church:

The Dishonest Church Jack Good, 2008-02-01 *The Living Church* , 1993-07 *Run Through It* George B. Prude, 2010-06-03 *Run Through It* is a Christian approach to life's roadblocks and obstacles using a physical analysis. We all may not be runners in the physical realm but we all are runners in the race of life. The question is how well will we run the race of life. *Run Through It* provides a Christian approach to running life's race and being victorious at the finish. Do you know that those who run in a race all run but one receives the prize. Run in such a way that you may obtain it. 1 Corinthians 9:24. Paul has admonished us to run the race of life well. Read *Run Through It* and be encouraged to run life well and finish strong as Paul and others who have finished before us. See you at the finish line.

Exempting the Churches: An Argument for the Abolition of This Unjust and Unconstitutional Practice James F. Morton, Jr., **Jesus in the Church's Gospels** John Henry Paul Reumann, 1968 *The Liberator* , 1873 **Managing the Church's Financial Resources** Harry Underwood, 2005-02-14. The Lord has provided all the resources that we need to meet our needs and to further His kingdom. Nonetheless, churches may find themselves facing financial problems and challenges. The problems that many churches encounter in dealing with financial resources occur as a result of the principles that they apply in raising and using their resources. Instead of focusing on principles found in the Holy Scriptures about the handling of money and finances, church leaders apply the principles of the secular economy. In many instances, the foci of these two systems are diametrically opposed. The best way to understand how the Lord would have church leaders manage His resources is to study the guidance He has provided in His Holy Word. Such scripture has been gathered in this book to concisely present God's biblical message concerning the areas: congregational giving, spending, debt, and accumulated funds.

The Church's lessons for the Christian year, 120 new sermons Alfred Garnett Mortimer, 1903 **The Pastor in a Changing Society** Zawadi Job Kinyamagoha, 2014-10-07. This book examines how social change affects the role of the pastor in an African context. Through field study in African churches, author Zawadi Job Kinyamagoha explores how pastors work amid the tensions of rapid social change and suggests how pastors can constructively respond to social change by using it as an opportunity in their pastoral ministry. Contemporary society is characterized by three cultural spheres: the economic sphere, the public sphere, and the democratic or self-governance rule, the realities of which many pastors seem to overlook. Church authorities seem to adhere rigidly to strict principles and rules without accommodating the realities of society. Conversely, a changing society demands that pastors work with the reality at hand, leaving pastors caught between two conflicting tensions: the pressure from church authorities and from a changing social reality. *The Pastor in a Changing Society* seeks to help Tanzanian and African pastors rethink existing doctrines and practices in order to better respond to the reality of a changing society.

Muhlenberg's Ministerium, Ben Franklin's Deism, and the Churches of the 21st Century John Reumann, 2011-08. Special volume celebrating a 250-year-old American church body. In 1748, six Lutheran pastors and laity from ten congregations gathered in

Philadelphia under German missionary pastor Henry Melchior Muhlenberg to form the Ministerium of Pennsylvania the first Lutheran church body in North America These early American Lutherans stood at the crossroads of Lutheran orthodoxy pietism and rationalism as they faced the very new very American challenge of forging a missional confessional identity within their increasingly pluralistic and multi religious society Now more than 250 years later this choice selection of essays addresses and other pieces celebrates the ongoing legacy of the Ministerium and will allow churches in the twenty first century to glean new wisdom from a pioneering colonial church body
