What Is Self? Bernadette Roberts, 2005-01-15 The renowned contemporary mystic and author of *The Experience of No Self* presents her philosophical treatise on the nature of Self and God As a Carmelite nun Bernadette Roberts pursued a life in union with God She wrote compellingly about her contemplative spiritual journey in her memoirs *The Experience of No Self* and *The Path of No Self* Now she builds on the wisdom she gained exploring the ultimate consciousness that transcends self and experience In *What Is Self* Ms Roberts explains her conceptions of the ego the self and the revelations of the contemplative life Deeply personal and profoundly spiritual this latest effort puts all of Bernadette's insights into clearer and sharper perspective as though her own journey has grown clearer with distance [Healing the Wounded God](#) Jeffrey Raff, Linda Bonnington Vocatura, 2002-04-01 Through their work with their clients their own experiences and studies in myth mysticism and alchemy the authors have traced the emergence of a new spiritual paradigm in which the divine seeks wholeness through and with us Many of us are having experiences that bring us in contact with a being who seems to exist independently in the realm beyond the psyche or what the authors term the psychoid This being the ally challenges and helps us along our way to individuation The ally represents our divine counterpart and works with us if we are willing to help heal the schism between and within the divine and us The authors show us how to contact and consciously enter into a relationship with the ally through our dreams and by employing what C G Jung termed active imagination When we work with the ally to transform ourselves the divine transforms as well all three elements co creating a whole being The authors explore the ally's parallels in mystical traditions such as Sufism and alchemy and how the ally differs from angelic beings They also present an exciting new view of various creation myths revealing that salvation exists beyond the vault of heaven for God and human alike **God at the Center** David R. Blumenthal, 1994 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com **Alienation** Richard Schacht, 2015-06-19 First published in 1970 original blurb Alienation is the catchword of our time It has been applied to everything from the new politics to the anti heroes of today's films But what does it mean to say that someone is alienated Is alienation a state of mind or a relationship If modern man is indeed alienated is it from his work his government his society or himself or from all of these Richard Schacht in this intelligent analysis gets to the root of these questions Examining the concept of alienation in the works of Hegel and Marx he gives a clear account of the origins of the modern usage of the term Among the many insights to be gained from this analysis is a clear understanding of Hegel's influence on Marx in this most crucial area Mr Schacht goes on to discuss the concept of alienation in recent philosophical and sociological literature particularly in the writings of Erich Fromm Here he finds a great deal of confusion which has resulted in a series of almost universally unquestioned misconceptions This then is a book for all of us who use and mis use the term alienation and who are interested in the concepts it brings to mind The arguments of Professor Walter Kaufmann's introductory essay provide a useful background for Mr Schacht's analysis In this

essay Professor Kaufmann states that henceforth nobody should write about alienation without first reading Schacht's book

The Center is Jesus Christ Himself Cardinal Timothy M.
