The Divine Commandments The Significance And Function Of The Mitzvot In Chabad Philosophy:

The Divine Commandments Nissan Mindel, 2010-02 Way am I here Do my actions make a difference Can I change my future These age old questions receive fresh answers in *The divine commandments* a philosophical analysis of the concept of a mitzvah The study of the mystical dimension of G d s commands and the potential in human action to influence the world gives new purpose to life and new joy to living

A Philosophy of Mitzvot Gerson Appel, 2008 What divine purpose do the mitzvot the Biblical commandments serve What moral and spiritual goals do the mitzvot envision The *Sefer ha Hinnukh* one of the principal works in Jewish ethical and halakhic literature is a primary source for ta amei ha mitzvot the reasons and purpose of the divine commandments in the Torah A *Philosophy of Mitzvot* by Rabbi Dr Gerson Appel sets forth the Hinnukh s objectives and his approach to revealing the religious and ethical meaning of the mitzvot In his wide ranging study the author presents a comprehensive view of Jewish philosophy as developed by the Hinnukh and the classical Jewish philosophers The Hinnukh emerges in this study as a great educator and moral and religious guide and his classic work as a treasure trove of Jewish knowledge religious inspiration and brilliant insight in the molding of human character

Problems and Parables of Law Josef Stern, 2012-02-01 A central topic in medieval Jewish philosophy and thought was the explanation of the Mosaic commandments From Philo and Saadia on thinkers sought to uncover reasons for the commandments ta amei ha mitzvot both to demonstrate the rationality of divine legislation and to motivate performance of the commandments Like many received topics this enterprise was radically transformed in the hands of Maimonides In this first book length treatment of a subject that has been relatively overlooked by scholars since Isaac Heinemann s classic work in the 1950s Josef Stern offers an original analysis of two major themes in Maimonides explanation of the Law and its impact on Nahmanides The first theme is Maimonides reconceptualization of the huqqim those commandments that were traditionally asserted either to have no reason or a reason that is unknown or unknowable The second theme is Maimonides application of his method of multi leveled interpretation that treats texts as parables with external and internal meaning to the explanation of commandments with multiple reasons Both of these innovative modes of explanation are adopted by Nahmanides who refined and adapted Maimonides structures of interpretation to express diametrically opposed contents From this perspective there emerges a picture of the relation between these two seminal figures of medieval Judaism that is much more subtle than the received opinion that bluntly opposes them the radical arch rationalist against the mystical traditionalist Inquiry into ta amei ha mitzvot served as a locus for discussion of a broad range of philosophical topics the attributes of God the grounds of law and legal obligation the structure of explanation and interpretation idolatry friendship and love the status of astrology and magic and attitudes toward the body Stern demonstrates both the philosophical importance of these topics in Maimonides and Nahmanides thought and the relevance of their writings to contemporary philosophical discussions

List Of Mitzvot Jocelyn Glisson, 2021-07-14 If you want to gain an understanding of all the

Jewish Commandments then this book is for you Through this book you will explore the list of mitzvot with 613 Commandments What follows below is the mitzvot based on Maimonides s interpretation and compilation Although there is no official list of the mitzvot as it seems to differ from source to source however it is largely agreed and accepted that the list of mitzvot compiled by Maimonides is the accepted list *The Ten Commandments* Martin Sicker,2007-12 The Ten Commandments is an exploration into the background meaning and implications of the Decalogue from a Judaic perspective Although they have become a universal symbol of Judeo Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized and serve as a basic list of essentially easily understandable general rules It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel their descendents and those who chose to cast their lot in life with them To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter a rather complex endeavor that this study hopes to facilitate *The Commandments* Nissan Mindel,Brooklyn (New York, N.Y.). Merkos L'inyonei Chinuch,1956 *Accounting for the Commandments in Medieval Judaism* Jeremy P. Brown,Marc Herman,2022-01-17 Accounting for the Commandments in Medieval Judaism explores the discursive formation of the commandments as a generative matrix of Jewish thought and life in the posttalmudic period Each study sheds light on how medieval Jews crafted the commandments out of theretofore underdetermined material By systematizing representing or interrogating the amorphous category of commandment medieval Jewish authors across both the Islamic and Christian spheres of influence sought to explain justify and characterize Israel s legal system divine revelation the cosmos and even the divine order This volume correlates bodies of knowledge such as jurisprudence philosophy ethics pietism and kabbalah that are normally treated in isolation into a single conversation about a shared constitutional concern *Duties of the Soul* Niles Elliot Goldstein,Peter S. Knobel,1999 This outstanding anthology of 13 essays by esteemed leaders of the Reform rabbinate re examines the role of mitzvot in liberal Judaism as viewed through philosophical experiential and practical contexts In this groundbreaking collection Niles E Goldstein and Peter S Knobel identify the challenges of living as a Reform Jew in today s rapidly changing world **Meaning in Mitzvot ,** *Rabbi Schneur Zalman: The philosophy of Chabad* Nissan Mindel,1974
