The Divinity Of Christ In The Gospel Of John:

The Divinity of Christ in the Gospel of John A. T. Robertson, 2003-05-09 Based on addresses Robertson delivered at a conference for Sunday school teachers this book provides a superior overview of and introduction to the Gospel of John Robertson says John can help us to see Jesus and thus to see God It is just this vision of God in Christ that makes life worth while and rich

The Divinity of Christ in the Gospel of John Archibald Thomas Robertson, 1917 The Divinity of Christ A. T. Robertson, 2017-12-02 Excerpt from The Divinity of Christ In the Gospel of John Speak on it for a week to the Sunday school teachers of Atlanta in October induced me to write out the five addresses in the hope that other Sunday school teachers and ministers might at least be stimulated to a fresh study of this most wonderful book in all the world There are all sorts of books about the Gospel of John and a brief bibliography is appended at the end of this volume I do not undertake to write a full commentary on John's Gospel but rather to develop the thesis of the book as I understand it with brevity and clearness so that the average man may understand the book better as a whole and in detail as he is led to read it with new interest John can help us to see Jesus and thus to see God It is just this vision of God in Christ that makes life worth while and rich This is a good time for us About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Divinity of Christ in the Gospel of John A T Robertson, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1916 edition Excerpt she nobly affirms as high a creed as that of Simon Peter Matt 16 16 and under far more trying circumstances Yea Lord I have believed¹ that thou art the Messiah the Son of God he that I nentareuKa It is her settled belief She will not shrink in an hour like this cometh into the world 1 1 27 So Martha expresses her belief that Jesus can raise her brother from the dead now because He is the Son of God Mary is all tears and Jesus undergoes violent agitation 1 what with Martha's courage His own emotion Mary's grief and the presence of the Jews friends of the family but hostile to Jesus The presence of these Jews and the anguish of the sisters made the raising of Lazarus a test of the claims of Jesus to be the Messiah especially after what He had said to the disciples 11 4 and to Martha 11 25 Jesus is fully conscious of the issue at stake but was never more sure of the outcome as is shown by His deliberate preparations and the prayer of gratitude which assumes that the Father has already heard Him 11 38 42 The protest of Martha as she faces the actual opening of the tomb is no real discount to her noble faith but a woman's instinctive shrinking before the almost gruesome realities of the situation There are few more

majestic moments in the life of Jesus than this when He calls for Lazarus to come forth out of the tomb One may be sure that failure would have been heralded to the ends of the earth Jesus spoke in a loud voice so that those present might see that Lazarus came forth in response to His 1 Ivefipiii qaarO rip irveuftart eat irdpaev laurov Both verbs here express powerful emotion in the effort for selfcontrol He shook himself in the effort and finally burst into tears kddkpuaev **DIVINITY OF CHRIST** A. T. ROBERTSON,2018 The Deity of Christ John MacArthur,2017-01-03 Almost two Millennia ago Jesus asked his disciples Who do you say that I am and people have been asking the question ever since Many answering the question today have a decidedly different view than Peter offered in his faithful response In the early days of the church Gnostics balked at Jesus humanity Today it s his divine nature that s under attack It seems almost monthly that new bestselling books appear detailing how alternative gospels portray an earthly Jesus devoid of divinity The Deity of Christ by John F MacArthur is a biblical defense of Jesus deity and a clarion call for believers to rise up and defend this core doctrine Both new and seasoned Christians will benefit from MacArthur s clear take on the relevant Bible passages They will come away with rock solid assurance that Jesus was indeed the unique son of God and a deeper more profound appreciation of Christ s love for them **The Divinity of Jesus in the Gospel of John** Maxwell Shimba,2024-11-14 The Divinity of Jesus in the Gospel of John Dr Maxwell Shimba s exploration of the Gospel of John provides a profound analysis of the divinity of Jesus Christ emphasizing His eternal nature and divine authority In the prologue of John s Gospel Dr Shimba highlights how Jesus is identified as the Word Logos who was with God and was God from the beginning John 1 1 3 This foundational declaration sets the stage for understanding Jesus not merely as a historical figure but as the pre existent divine agent of creation Shimba elucidates how this profound theological statement underscores Jesus role in the divine plan and His intrinsic unity with the Father establishing His credentials as God incarnate Throughout his analysis Dr Shimba points to the numerous I Am statements made by Jesus which echo the divine self identification of Yahweh in the Old Testament Exodus 3 14 Statements such as I am the bread of life John 6 35 I am the light of the world John 8 12 and I am the resurrection and the life John 11 25 are examined in detail Shimba argues that these declarations are not merely metaphorical but are deliberate assertions of Jesus divine identity and His role as the source of spiritual sustenance illumination and eternal life Each I Am statement reveals a different facet of Jesus divine nature and His mission to fulfill God s redemptive purposes Dr Shimba also emphasizes the significance of the signs and miracles recorded in John s Gospel as demonstrations of Jesus divine power From turning water into wine at Cana John 2 1 11 to raising Lazarus from the dead John 11 1 44 these miracles serve as tangible evidence of Jesus authority over nature illness and death Shimba explains how these signs are intended to lead observers to a deeper faith in Jesus as the Christ and the Son of God affirming His divine origin and mission Each miracle not only addresses immediate human needs but also points to the greater spiritual reality of Jesus divine intervention in human history In discussing Jesus relationship with God the Father Dr Shimba underscores the profound unity and intimacy that

John portrays Passages such as John 10 30 where Jesus declares I and the Father are one and John 14 9 where Jesus tells Philip Anyone who has seen me has seen the Father are pivotal in Shimba s analysis He highlights how these statements reflect the mutual indwelling and shared essence of the Father and the Son reinforcing the Trinitarian understanding of God This unity is further demonstrated through Jesus obedience to the Father s will culminating in His sacrificial death on the cross Dr Shimba delves into the theological implications of Jesus crucifixion and resurrection viewing them as the ultimate manifestations of His divine nature The crucifixion described in John 19 is seen not merely as a tragic event but as the fulfillment of Old Testament prophecies and the demonstration of Jesus sacrificial love Shimba explains how Jesus declaration It is finished John 19 30 signifies the completion of His redemptive mission The resurrection detailed in John 20 is presented as the definitive proof of Jesus victory over death and His divine authority Shimba argues that the resurrection validates all of Jesus claims about His identity and mission Finally Dr Shimba s work highlights the purpose of John s Gospel which is to lead readers to believe that Jesus is the Messiah the Son of God and that by believing they may have life in His name John 20 30 31 He emphasizes that this belief is not merely intellectual assent but a transformative faith that results in a personal relationship with Jesus Shimba s analysis invites readers to encounter Jesus through the Gospel of John to recognize His divinity and to experience the abundant life that He offers
