The Doctor's Daughters:

Dragons of the Apocalypse Terry Hughes, 2021-10-20 Ethan Sayer had felt the call of God on his life but he had ignored it. Today God would get his attention. Plucking Ethan from his car, God would bring Ethan before his throne and ask him to go one more time. Where would he send him? Ethan Sayer and his three daughters will travel around the world with his emissaries. Who are these emissaries? They are dragons. That is not all. God assigns an angel to take Ethan back in time. He is to be a witness to five saints in history. These saints singlehandedly change the course of history of the nations in which they live. God would break Ethan's heart for the peoples of the world. He walked and lived among them. He would see kingdoms rise and fall. What is the purpose of his trip through time? When Ethan is returned to the current time, he is shocked to find that he had only been gone for a few hours, not the months and years that he has witnessed. Now he must convince his wife, daughters, and a US senator that he is not crazy. This is a test for the nations. The first treasure will be revealed by the angel, but they must be told of it beforehand to prove it is from God. Politics and family dynamics crash into their lives. Together they will uncover the four remaining treasures hidden in the nations that Ethan visited in time. With little else to guide them, how will the Sayers find them? This first book will tell the story of these saints, the birth of the dragons, and the training that allows them to fly their dragons around the world.

The Diaries of Samuel Bamford Samuel Bamford, 2000 Samuel Bamford's *Passages in the Life of a Radical 1842* and *Early Days 1848* are among the most important sources for the social history of the early industrial revolution and the radical movement. What is less well known is that he left behind an extensive, varied, and readable collection of other writings. The diaries were written towards the end of his life, 1858-1861, and include letters and journalism, both by and about Bamford, closely linked to the diary material. There is frequent reference to and argument about the early 19th-century radical movement and the Peterloo massacre, and among Bamford's contacts and correspondents were the MPs Richard Cobden and James Kay Shuttleworth, the pioneer dialect writers Edwin Waugh and Ben Brierley, and mid-Victorian political reformers.
