Montgomery Reader* Benjamin Lefebvre, 2013-01-01 An exciting new collection The L M Montgomery Reader assembles significant rediscovered primary materials on one of Canada's most enduringly popular authors throughout her high profile career as the author of the resoundingly successful *Anne of Green Gables* 1908 and after her death Each of its three volumes gathers pieces published all over the world to set the stage for a much needed reassessment of Montgomery's literary reputation Much of the material is freshly unearthed from archives and digital collections and has never before been collected in book form The ninety selections appearing in this first volume focus on Montgomery's role as a public celebrity giving a strong impression of her as a writer and cultural critic as she discusses a range of topics with wit wisdom and humour including the natural landscape of Prince Edward Island her wide readership anxieties about modernity and the continued relevance of old ideals These essays and interviews are joined by a number of additional pieces that discuss her work's literary and cultural value in relation to an emerging canon of Canadian literature with nearly one hundred selections in all Each volume is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that trace the interplay between the author and the critic as well as between the private and public Montgomery This volume and the Reader as a whole adds tremendously to our understanding and appreciation of Montgomery's legacy as a Canadian author and as a literary celebrity both during and beyond her lifetime Publisher's description **Editing as Cultural Practice in Canada** Dean Irvine, Smaro Kamboureli, 2016-05-20 This collection of essays focuses on the varied and complex roles that editors have played in the production of literary and scholarly texts in Canada With contributions from a wide range of participants who have played seminal roles as editors of Canadian literatures from nineteenth century works to the contemporary avant garde from canonized texts to anthologies of so called minority writers and the oral literatures of the First Nations this collection is the first of its kind Contributors offer incisive analyses of the cultural and publishing politics of editorial practices that question

inherited paradigms of literary and scholarly values They examine specific cases of editorial production as well as theoretical considerations of editing that interrogate such key issues as authorial intentionality textual authority historical contingencies of textual production circumstances of publication and reception the pedagogical uses of edited anthologies the instrumentality of editorial projects in relation to canon formation and minoritized literatures and the role of editors as interpreters enablers facilitators and creators Editing as Cultural Practice in Canada situates editing in the context of the growing number of collaborative projects in which Canadian scholars are engaged which brings into relief not only those aspects of editorial work that entail collaborating as it were with existing texts and documents but also collaboration as a scholarly practice that perforce involves co editing *L.M. Montgomery and the Matter of Nature(s)* Rita Bode, Jean Mitchell, 2018-04-30 L M Montgomery's writings are replete with enchanting yet subtle and fluid depictions of nature that convey her intense appreciation for the natural world At a time of ecological crises intensifying environmental anxiety and burgeoning eco critical perspectives L M Montgomery and the Matter of Nature's repositions the Canadian author's relationship to nature in terms of current environmental criticism across several disciplines introducing a fresh approach to her life and work Drawing on a wide range of Montgomery's novels as well as her journals this collection suggests that socio ecological relationships encompass ideas of reciprocity affiliation autonomy and the capacity for transformation in both the human and more than human worlds and that these ideas are integral to Montgomery's vision and her literary legacy Framed by the twin themes of materiality and interrelationships essays by scholars of literature law animal studies anthropology and ecology examine place embodiment and difference in Montgomery's works and embrace the multiplicities embedded in the concept of nature Through innovative critical approaches L M Montgomery and the Matter of Nature's opens up conversations about humans interactions with nature and the material environment *Looking for Anne of Green Gables* Irene Gammel, 2024-03-26 In June 1908 a red haired orphan appeared on to the streets of Boston and a modern legend was born That little girl was Anne Shirley better known as Anne of Green Gables and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35 languages including Braille The author who created her was Lucy Maud Montgomery a writer who revealed very little of herself and her method of crafting a story On the centenary of its publication Irene Gammel tells the braided story of both Anne and Maud and in so doing shows how a literary classic was born Montgomery's own life began in the rural Cavendish family farmhouse on Prince Edward Island the place that became the inspiration for Green Gables Mailmen brought the world to the farmhouse's kitchen door in the form of American mass market periodicals sparking the young Maud's imagination From the vantage point of her small world Montgomery pored over these magazines gleaning bits of information about how to dress how to behave and how a proper young lady should grow She began to write learning how to craft marketable stories from the magazines popular fiction at the same time the fashion photos inspired her visual imagination One photo that especially intrigued her was that of a young

woman named Evelyn Nesbit the model for painters and photographers and lover of Stanford White That photo was the spark for what became Anne Shirley Blending biography with cultural history Looking for Anne of Green Gables is a gold mine for fans of the novels and answers a trunk load of questions Where did Anne get the e at the end of her name How did Montgomery decide to give her red hair How did Montgomery's courtship and marriage to Reverend Ewan Macdonald affect the story Irene Gammel's dual biography of Anne Shirley and the woman who created her will delight the millions who have loved the red haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea *A Name for Herself* L.M. Montgomery, 2018-11-09 Years before she published her internationally celebrated first novel Anne of Green Gables L M Montgomery 1874 1942 started contributing short works to periodicals across North America While these works consisted primarily of poems and short stories she also experimented with a wider range of forms particularly during the early years of her career at which point she tested out several authorial identities before settling on the professional moniker L M Montgomery *A Name for Herself* Selected Writings 1891 1917 is the first in a series of volumes collecting Montgomery's extensive contributions to periodicals Leading Montgomery scholar Benjamin Lefebvre discusses these so called miscellaneous pieces in relation to the works of English speaking women writers who preceded her and the strategies they used to succeed including the decision to publish under gender neutral signatures Among the highlights of the volume are Montgomery's contributions to student periodicals a weekly newspaper column entitled Around the Table a long lost story narrated first by a woman trapped in an unhappy marriage and then by the man she wishes she had married instead and a new edition of her 1917 celebrity memoir The Alpine Path Drawing fascinating links to Montgomery's life writing career and fiction this volume will offer scholars and readers alike an intriguing new look at the work of Canada's most enduringly popular author **The Doctor's Sweetheart and Other Short Stories** Lucy Maud Montgomery,
