CHARNOCK,2025      *"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism* Stephen J. Hamilton,2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics

**The Doctrine of Regeneration, and Other Sermons** Thomas Halliday,2011-10-11 Thomas Halliday is relatively little known by anyone in the Reformed community today much less the Christian community This is a tragedy His sermons are beyond excellent They are exegetically outstanding and practically powerful as Reformed sermons should be It is a sad providence that more of his writings are not in print As a result of this first volume being reproduced for our day no doubt more of Halliday s works will soon come to light Sufficient for today is this volume which contains a Memoir by Andrew Symington and seven theologically rich sermons by Halliday which comprise important Christian doctrines the first and greatest commandment the doctrine of regeneration the doctrine of perseverance of the saints the doctrine of God s sovereignty and other gems      **The Doctrine of Regeneration Considered** George Benjamin Sandford,1843
