The Inevitable Dossier Roberth "Messiah" Edberg, 2006-05-19 Basic understanding What if I told you that your most precious and fundamental values were controlled by others I guess you most likely would doubt it It s however both true and inevitable Dossier context Have you ever felt like being that little child who discovered that the Emperor was naked and that there were no new clothes What if I told you that the Holy Grail contains the answer to why the little child spoke up and you didn t This dossier presents a pathway to understanding You and you alone can decide if you are ready *Business Process Management Forum* Thomas Hildebrandt, Boudewijn F. van Dongen, Maximilian Röglinger, Jan Mendling, 2019-08-23 This book constitutes the proceedings of the BPM Forum held during the 17th International Conference on Business Process Management BPM 2019 which took place in Vienna Austria in September 2019 The BPM Forum hosts innovative research which has a high potential of stimulating discussions The papers selected for the forum are expected to showcase fresh ideas from exciting and emerging topics in BPM even if they are not yet as mature as the regular papers at the conference The 13 full papers included in this volume were carefully reviewed and selected from a total of 115 submissions The papers were organized in topical sections named specification execution analytics and management *Dossierveillance, Collaboration, and Fear in Society* Cristina Plamadeala, 2025-06-25 Exploring the cultural history of surveillance practices of the Securitate Romania s secret police during its communist period the book blends biographical details in a historical inquiry to establish the concepts of psuchegraphy dossiervilleillance and banalization of evil in the study of Securitate Archives In the context of communist Romania under the reign of Nicolae Ceau escu 1965 89 dossiervilleillance was a type of surveillance that stresses the miasmic effect of Securitate dossiers in the daily life of Romanians Centered around the analysis of this concept the book presents a unique account of the surveillance practices of totalitarian and authoritarian regimes expanding its relevance to fear in the current neo liberal societies This book will appeal to students of Eastern European history and politics criminology sociology anthropology and surveillance studies **Places of Tenderness and Heat** Olga Petri, 2022-06-15 Places of Tenderness and Heat is a ground level exploration of queer St Petersburg at the fin de si cle Olga Petri takes us through busy shopping arcades bathhouses and public urinals to show how queer men routinely met and socialized She reconstructs the milieu that enabled them to navigate a city full of risk and opportunity Focusing on a non Western unexplored and fragile form of urban modernity Petri reconstructs a broad picture of queer sociability In addition to drawing on explicitly recorded incidents that led to prosecution or medical treatment she investigates the many encounters that escaped bureaucratic surveillance and suppression Her work reveals how queer men s lives were conditioned by developing urban infrastructure weather light and lighting and the informal constraints on enforcing law and moral order in the city s public spaces Places of Tenderness and Heat is an ambitious record of the dynamic negotiation of illicit male homosexual sex friendship and cruising and uncovers a historically fascinating urban milieu in which efforts to manage the moral landscape often unintentionally

Preface California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., *Academic Charisma and the Origins of the Research University* William Clark, 2008-11-15 Tracing the transformation of early modern academics into modern researchers from the Renaissance to Romanticism *Academic Charisma and the Origins of the Research University* uses the history of the university and reframes the Protestant Ethic to reconsider the conditions of knowledge production in the modern world William Clark argues that the research university which originated in German Protestant lands and spread globally in the nineteenth and twentieth centuries developed in response to market forces and bureaucracy producing a new kind of academic whose goal was to establish originality and achieve fame through publication With an astonishing wealth of research *Academic Charisma and the Origins of the Research University* investigates the origins and evolving fixtures of academic life the lecture catalogue the library catalog the grading system the conduct of oral and written exams the roles of conversation and the writing of research papers in seminars the writing and oral defense of the doctoral dissertation the ethos of lecturing with applause and publish or perish and the role of reviews and rumor This is a grand ambitious book that should be required reading for every academic Return to an Address of the Honourable the House of Commons Dated 28th January 2004 for the Report of the Inquiry Into the Circumstances Surrounding the Death of Dr David Kelly C.M.G. Lord Brian Hutton, Great Britain. Parliament. House of Commons, 2004 This publication contains the report of the independent inquiry by Lord Hutton into the events leading up to the death of Dr David Kelly the government weapons expert in July 2003 after he had been publicly named as the source of a report by Andrew Gilligan on BBC Radio Four's Today programme which had alleged that the government had pressurised the Joint Intelligence Committee to exaggerate the military threat posed by Iraq in its September 2002 dossier The question of whether intelligence about Iraq's weapons of mass destruction justified going to war falls outside the scope of the inquiry The report concludes that Dr Kelly took his own life because he felt he had been publicly disgraced after being named as the source for the BBC report but nobody was at fault in not contemplating the possibility of his suicide Dr Kelly had broken official civil service procedures in having an unauthorised meeting with Andrew Gilligan a fact that Dr Kelly later recognised Due to uncertainties in Mr Gilligan's evidence and note taking and in his misuse of language it is not possible to reach a definite conclusion as to what Dr Kelly actually said However the report states its satisfaction that Dr Kelly did not say that the Government had insisted in the insertion of the 45 minute claim probably knowing it to be wrong Therefore the allegation is judged to have been unfounded

The BBC editorial system is found to have been defective in its failure to properly check the details of the allegations made by Andrew Gilligan before their broadcast and the BBC Governors and management system was at fault by failing to fully investigate complaints made by Alastair Campbell The government is cleared of any dishonourable or underhand conduct in the public naming of Dr Kelly Downing Street was entitled to suggest changes to the September dossier and it was appropriate for John Scarlett head of the Joint Intelligence Committee to take account of these There was no covert strategy by the Ministry of Defence to leak his name although they were at fault for failing to give Dr Kelly sufficient notice that his name had been made public
