

The Ant and the Dove

SMART
KIDS

One hot day, an ant was searching for some water. After walking around for some time, she came to a spring. To reach the spring, she had to climb up a blade of grass. While making her way up, she slipped and fell into the water. She could have drowned if a dove up a nearby tree had not seen her. Seeing that the ant was in trouble, the dove quickly plucked a leaf and dropped

The Dove Story A Story About Responsibility:

Theoretical Perspectives on Human Rights and Literature Elizabeth Swanson Goldberg, Alexandra Schultheis Moore, 2013-03 What can literary theory reveal about discourses and practices of human rights and how can human rights frameworks help to make sense of literature How have human rights concerns shaped the literary marketplace and how can literature impact human rights concerns Essays in this volume theorize how both literature and reading literarily can shape understanding of human rights in productive ways Contributors to Theoretical Perspectives on Human Rights and Literature provide a shared history of modern literature and rights theorize how trauma ethics subjectivity and witnessing shape representations of human rights violations and claims in literary texts across a range of genres including poetry the novel graphic narrative short story testimonial and religious fables and consider a range of civil political social economic and cultural rights and their representations The authors reflect on the imperial and colonial histories of human rights as well as the cynical mobilization of human rights discourses in the name of war violence and repression at the same time they take seriously Gayatri Spivak's exhortation that human rights is something that we cannot not want exploring the central function of storytelling at the heart of all human rights claims discourses and policies **Throw Your Voice** Meghanne Barker, 2024-08-15 Throw Your Voice is a story of loss and recovery It relates how children placed in a temporary care institution make sense of their situations Moving between a Kazakhstan government children's home Hope House and the Almaty State Puppet Theater Meghanne Barker shows how children and puppets as proxies bring to life ideologies of childhood and visions of a rosy future Sites and stories run in parallel Framed by the narrative of Anton Chekhov's Kashtanka about a lost dog taken in by a kind stranger the author follows the story's staging at the puppet theater At Hope House children find themselves on a path similar to Kashtanka dislodged from their first homes to reside in a second The heart of this story is about living in displacement and about the fragile intimacies achieved amidst conditions of missing Whether due to war migration or pandemic people get separated from those closest to them Throw Your Voice examines how strangers become familiar and how objects mediate precarious ties She shows how people use fantasy to mitigate loss *From Blind Obedience to a Responsible Faith* Donald F. Fausel, 2010-09-07 Author Donald F. Fausel was raised in the pre Vatican II Catholic Church when prescribed beliefs were rarely questioned and blind obedience to authority trumped following one's conscience Through a process of developing an informed conscience and learning to think critically his journey led him to a more responsible faith while remaining in his Catholic tradition This memoir recalls Fausel's life experiences his reflections on those events and how they affected his spiritual journey from his birth in 1929 his formative years his life in the seminary and ordination in 1957 his nine years in the active ministry ending with a dispensation from the Vatican in 1972 and his continued journey as a married Catholic Fausel reflects on a range of faith related issues the differences between faith and beliefs abortion and artificial birth control the doctrine of infallibility the danger of relying solely on the magisterium the

charism of celibacy and mandatory celibacy the place of women in the church and the ordination of women and the effect of the new cosmology on our image of God Not only does Fausels memoir frame the events that shaped his life but provides reflections to help others in their faith journey *Story Selling* Amelia Green, AI, 2025-03-03 In today's competitive landscape *Story Selling* argues that mastering the art of storytelling is crucial for business success The book explores how narratives forge emotional connections captivate audiences and drive purchasing decisions offering a blend of neuroscience practical frameworks and ethical considerations Understand why stories resonate deeply by activating specific brain regions influencing behavior and fostering memorable experiences This book provides actionable insights for using storytelling in marketing and sales through frameworks like the hero's journey or problem solution narratives It emphasizes the need for authenticity and responsibility in persuasion ensuring trust and long term customer relationships Case studies and real world examples demonstrate how successful companies have leveraged storytelling to build their brands Beginning with the psychology behind effective narratives the book progresses into specific techniques and channels for story deployment It concludes by addressing the ethical implications of storytelling advocating for transparency and genuine connection *Story Selling* equips entrepreneurs business managers and marketing professionals with the tools to craft compelling narratives that resonate with audiences and achieve business objectives *The Inner Journey to Conscious Leadership* Paul Ward, 2018-05-01 Conscious leadership is a journey not a destination and it starts with the simple framework of practices found in this book Paul Ward draws on his coaching consulting and leadership experience along with his academic studies and the writings of experts in the emerging fields of conscious leadership and conscious business to illustrate the real life application of conscious leadership practices Conscious leaders he explains want to make the world a better place to live and work They constantly ask themselves three questions What am I noticing What are my intentions about what I am noticing What responsible actions can I take in response to what I am noticing The themes of noticing what is going on setting intention and acting responsibly provide a framework for learning about the practices for leading consciously Using all the conscious leadership practices provides a process of transformation on your inner journey to becoming a more conscious leader This book is for leaders and even if you don't consider yourself to be a leader you can apply the practices to living and leading consciously The practices are simple but they are not easy It will take dedication a leap of faith and daily practice to navigate *The Inner Journey to Conscious Leadership* *Dante and Derrida* Francis J. Ambrosio, 2012-02-01 Reading Dante's *Commedia* alongside Jacques Derrida's later religious writings Francis J. Ambrosio explores what these works reveal about religion as a fundamental dynamic of human existence about freedom and responsibility and about the significance of writing itself Ambrosio argues that both the many telling differences between them and the powerful bonds that unite them across centuries show that Dante and Derrida share an identity as religious writers that arises from the human experiences of faith hope and love in response to the divine mystery of being human For both Dante and Derrida Ambrosio contends scriptural

religion reveals that the paradoxical tension of freedom and absolute responsibility must lead to the mystery of forgiveness a secret that these two share and faithfully keep by surrendering to its necessity to die so as always to begin again anew
