The Dream The Vision Of The Night:

The Dream Max Zeller, 1975-01-01 Visions of the Night Kelly Bulkeley, 1999-09-16 This wide ranging exploration of the spiritual and scientific dimensions of dreaming offers new connections between the ancient wisdom of the world's religious traditions which have always taught that dreams reveal divine truths and the recent findings of modern psychological research Drawing upon philosophy anthropology sociology neurology literature and film criticism the book offers a better understanding of the mysterious complexity and startling creative powers of human dreaming experience For those interested in gaining new perspectives on dreaming the powers of the imagination and the newest frontiers in the dialogue between religion and science *Visions of the Night* promises to be a welcome resource **A Dream Or, Vision of the Night** ,1766 Visions in the Night Ross Parker, 2013-07-18 *Visions in the Night* features many of these famous dreams from Jacob's experience at Bethel to Paul's night time vision calling him to Macedonia Russ Parker's long experience of pastoral ministry is evident in the absorbing way he explores these stories and in his encouragement to us to believe that God still speaks to his people today through dreams offering fresh opportunities for healing and growth *Visions in the Night* was first published as *Dream Stories* by BRF in 2002 This SPCK edition includes a new introduction *Night Vision* Charles R. Fox, 2022-06-21 Many believers really want to understand their dreams but aren't sure where to start In *Night Vision* Dr Charles Fox uses his own personal journey of dream encounters and their interpretations to teach readers how to better understand their dreams and the amazing things God shares with His people in the night seasons *Vision, Mental Imagery and the Christian Life* Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align themselves with God's specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God's call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology By Visions of the Night Deana L. Weibel, 1995 Day Visions and Clairvoyant Night Dreams with Facts on Somnambulism and Pre-vision Joseph Darby, 1892 **Dreams and Visions in African Pentecostal Spirituality** Anna M. short of accommodating the spiritual experiential terrain of the imagination What of the embodied affective knowing that characterizes Pentecostal epistemology that is the distinctive Pentecostal Charismatic knowing derived from dreams and visions D Vs In this stunning ethnographic work the author merges African scholarship with an investigation of what visioners say about the significance of their D Vs for Christian life and spirituality Revealing data showcases case studies for their biblical and theological articulations of the value of D V experiences and affirms them as sources of Pentecostal love ministerial agency and the missionary impulse

Zechariah and His Visions Lena-Sofia Tiemeyer, 2015-02-26 Did Zechariah really see visions This question cannot be definitely answered so the idea must remain a hypothesis Here Tiemeyer shows that this hypothesis is nonetheless reasonable and instrumental in shedding light on matters in Zechariah's vision report that are otherwise unclear Tracking through each verse of the text the key exegetical problems are covered including the topics of the distinction between visions and dreams dream classification conflicting sources of evidence for dream experiences and rhetorical imagery as opposed to dream experience Further attention is focused on the transmission of the divine message to Zechariah with the key question raised of whether a visual or oral impression is described Tiemeyer's study further demonstrates that Zech 1:6 depicts a three tier reality This description seeks to convey the seer's visionary experience to his readers In a trance state Zechariah communicates with the Interpreting Angel while also receiving glimpses of a deeper reality known as the visionary world
