While some sought money fame or education or some other goal or theme in their books and writing the author focused and aimed his sights on the experiences garnered in life and to the best of his ability he was a seeker of the supreme power of the universe Conscious union with God had actually always been of great importance for Richard since he first thought about such things at an early age It seemed simple and basic enough for Richard to regard it as a pillar to his real goal of eternal happiness The idea is that the metamorphosis of the worm into butterfly papillion involves spinning changing and giving birth in this case to dreams reflections and visions of a silk of the highest order and the turning of bombers to butterflies above our worlds Includes borrowed metaphors purposely from Kafka Papillion Jung and Woodstock by Joni Mitchell
