Snow White, Blood Red Ellen Datlow, Terri Windling, 2013-09-30 Once upon a time fairy tales were for children but not anymore In Snow White Blood Red some of today's most acclaimed fantasy authors present stories that evoke the spirit of classic fairy tales but that are decidedly for grown ups Here you will find magical tales of enchantment and delight but also stories with a dark sinister edge in which heroes and heroines are flawed and fallible fairies and fey beings pursue their own wicked schemes love lists toward lust words and actions are weapons that draw blood and not everyone lives happily ever after Passionate erotic violent and brutally honest these stories simmer with emotions that their disarmingly charming fantasies can barely contain Edited by award winning editors Ellen Datlow and Terri Windling and featuring the work of Neil Gaiman Charles de Lint Gahan Wilson Patricia A McKillip Steve and Melanie Tem and fifteen other leading fantasists Snow White Blood Red is a connoisseurs collection of fairy tales that have outgrown the nursery [A Celtic Tale](#) David Riley, 2008-11-26 People like stories They like to read them they like to hear them and they like to tell them Ill never forget the stories of my wifes cousin Uncle Charles whod pour a cup of coffee light up his favorite pipe and begin to recall his seafaring days in the US Navy as we both sat at his small dining room table under the dim light of a homemade Tiffany like lamp Hed casually speak of wartimes as if it were just a Sunday walk in the park only slowing his tempo a bit when it came to those near death experiences like nearly being crushed to death as he got pinned between a ship and a dock piling waiting and praying as the massive ship eased away from the piling with a swell instead of popping open his barrel chest against the timber I always anxiously anticipated our story time together Unfortunately Charles eventually passed away Two careers one ending as a lieutenant commander of the navy and one as a captains in a sheriffs department had finally taken its toll on his health I miss him but his stories live on in my mind So if stories within our lifetime can impact us and stay with us so long what kind of story would it have to be to survive over two thousand years of human history Just such a story is the legend of Deirdre of the Sorrows My first encounter with this legend was actually musical in nature In a little shop outside of Chattanooga Tennessee I first heard the music of A Celtic Tale by Hearts of Space and the sound captured my imagination Not even knowing what the music was about I bought the cassette and began investigating the tale of Deirdre of the Sorrows that had inspired this music Think about it Some old Irish legend survives several millennia and inspires some extremely talented musicians on the west coast of the USA to orchestrate a whole album of music about it Thats intriguing From there I wrote my own narrative to the music and in time began contemplating more deeply about this complex tale of love betrayal

and human destiny After reading many versions of this tale and looking at the archeological evidence from this time period in Northern Ireland a more complete story started to formulate itself in my mind Whether I wanted to or not it became apparent over time that I was bound by some unseen force to write this novel Here is the gist of the story A dark and powerful druid prophesizes that the most beautiful woman in the world will be born marry one of three highly admired young brothers in Ireland and eventually cause the downfall of the kingdom Instead of killing the baby when she was born the king decides to raise the girl and marry her on her sixteenth birthday to nullify the prophecy like that was going to work Well you can imagine no wait You dont have to just read the story
