Women and Men in Love Luisa Passerini, 2012-07 It has often been assumed that Europeans invented and had the exclusive monopoly over courtly and romantic love commonly considered to be the highest form of relations between men and women This view was particularly prevalent between 1770 and the mid twentieth century but was challenged in the 1960s when romantic love came to be seen as a universal sentiment that can be found in all cultures in the world However there remains the historical problem that the Europeans used this concept of love as a fundamental part of their self image over a long period traces of it still remain and it became very much caught up in the concept of marriage This book challenges the underlying Eurocentrism of this notion while exploring in a more general sense the connection between identity and emotions

Imber, 2025-04-08 Following the British conquest of Ottoman Palestine Jews across the British Empire from Jerusalem to Johannesburg London to Calcutta found themselves at the heart of global Jewish political discourse As these intellectuals politicians activists and communal elites navigated shifting political landscapes some envisioned Palestine as a British dominion leveraging imperial power for Jewish state building while others fostered ties with anticolonial movements contemplating independent national aspirations *Uncertain Empire* considers this intricate interplay between British imperialism Zionism and anticolonial movements from the 1917 British conquest of Palestine to the establishment of the state of Israel in 1948 Elizabeth Imber highlights diverse and sometimes conflicting visions of Jewish political futures offering detailed case studies of key figures including Chaim Arlosoroff Moshe Shertok Helen Bentwich Rachel Ezra and Hermann Kallenbach She explores a politics of uncertainty in which Jews engaged with both imperial stability and the rise of anticolonial mobilization when many were likewise forced to reconsider Palestine as a viable refuge and political solution Ultimately this book provides a nuanced understanding of how the British Empire's fate became central to Zionist and broader Jewish political thought revealing the complex intersections of empire state power and Jewish politics during a time marked by profound urgency and exigency     **Theater in Israel** Linda Ben-Zvi, 1996 The first book length investigation of theater and drama in Israel
