The Healing Power Of Plants Living Wisdom:

The Healing Power of Plants Frank J. Lipp, 1996 The Healing Power of Plants Fran Bailey, 2019-10-15 Welcome these plants into your home and learn to care for them and they'll care for you in return. Plants don't only beautify your home; they promote healing too. For example, the luscious scent of lavender aids in a good night's sleep while the kentia palm controls humidity levels that increase mold and mildew. This lushly illustrated guide explains the properties of the most beneficial species from plants that lower stress and provide a breath of fresh air to ones that bring joy, boost brainpower, and help you communicate. It explains how to choose the right plants for your specific needs, where to place them in your home and office, which ones are pet friendly, and how to make sure they thrive so you will too. And if you don't have a green thumb, you'll find 10 easygoing plants that are perfect for starting out.

The Healing Power of Dreams Natalie Walther, 2023-02-15 Throughout the history of humankind, spanning the earliest indigenous peoples and shamanic traditions stretching from myths to fairy tales, countless oral and written traditions recount the magic of dreams and their meanings. And yet, little about dreams and their meaning has survived into the 21st century. Dreams are life's search for itself, as Ortrud Grön Germany's most famous dream researcher said. A search for inner clarity, life truth, and joy. Embark with this little dream compendium on a dreamlike journey full of inner self-encounters.
