The Heart And The Will:

The Heart Will Lead You Home Kristin Leedy, 2007-12-01 Lizzie Benford's life is about to change in one really big way or another. Little does she know as she arrives home to the small southern town of Edenville, Alabama, that a very important letter is waiting there to change the whole way she looks at her life. Lizzie is completely unaware that with the opening of this letter she will soon have to choose between the man she is engaged to marry in two weeks time or the man she used to love more than life itself. Will she decide between a town and a man that have shaped the woman she has grown to be or will she choose the man and the life that offer her a fresh start and a chance to become someone new? Payton Cartwright is Edenville's hometown hero, a football legend and every woman's deepest desire. He is deeply troubled by Lizzie's return to town. Will he be able to convince her to follow her heart and make a home here in Edenville or is he destined to lose the woman that long ago he so deeply wounded?

From the Heart Jeffrey L. Kosky, 2025-02-25 What does it mean to have a heart? How does it feel when a heart fails and what does it take to recover? In a world beset by never-ending crises, personal and collective, local and global, is heartlessness the only option? *From the Heart* weaves together a personal narrative of a life-threatening ailment with considerations of philosophy, art, and science to contemplate ultimate questions: matters of life and death. Jeffrey L. Kosky recounts his brush with death, the surgical repair of a congenital defect in his aortic valve, his gradual recovery of everyday life, and his struggle to find the heart to go on throughout it all. To make sense of the experience, he immerses himself in humanistic inquiry and medical science, the histories of medicine, cardiac surgery, and knowledge of the human heart, as well as the works of artists, writers, philosophers, and theologians. Writing about the experience of being human from the precarious position of his own woundedness, Kosky shares hard-earned perspectives on what matters most. Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence, this elegantly written book is at once erudite and powerful. It shows us why the heart, in physical, emotional, and metaphorical senses, helps us come to terms with sickness and health, dying and living.

The Heart Will Lead June Francis, 2018-05-28 A captivating Liverpool saga of love and friendship, perfect for fans of Katie Flynn and Catherine Cookson. When Rita Taylor is foisted upon her reluctant aunt Margaret Sinclair, neither are happy. Rita didn't even know she had an aunt, while Margaret is convinced her wayward niece will be nothing but trouble. Despite their differences, the pair become unlikely allies in life and love, especially when Rita reintroduces Margaret to her long-lost childhood sweetheart, William Brodie. As Liverpool slips into the Great Depression, Rita's relationship with the Brodie family flourishes, and secrets from Margaret's past emerge.
