Stassinopoulos, 2013-05-01 Unbinding the Heart invites us on an inspiring journey of inner exploration to reconnect with our true selves Born in Greece a country that celebrates life Agapi Stassinopoulos learned the essential truths of happiness through the examples of wisdom caring playfulness and generosity she saw all around her starting with her own mother She came to realize that we are all born with open hearts but that we quickly learn to put conditions on our happiness comparing ourselves to others casting judgment doubting ourselves allowing fear or entitlement or self righteousness to take hold and slowly our hearts begin to close We isolate ourselves feeling alone disconnected and unheard and in doing so we immobilize our spirit stifle our authentic expression and cut off our joy As she went on Agapi like so many of us came under the soul constricting influences of the larger world In her struggle to find her place and her voice trying to balance the acting career she dreamed of with the spiritual life she longed for she discovered a path that was uniquely hers Unbinding the Heart shows

how she found her way home to herself In 32 personal heartfelt stories full of insight and humor Agapi takes us from her mother's bountiful kitchen where the seeds of fearless living were planted to the London classical stage to an epiphany on a New York City bus and inspires us with the confidence to let go of the beliefs that bind us and come to a deeper understanding of life and love
