The Heavenly Tree Grows Downward Gerrit Lansing, 1966      Encyclopedia of American Poetry: The Twentieth Century  
Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States      *Charles Olson's Reading* Ralph Maud, 1996 Maud English Simon Fraser U offers a narrative account of the life and work of poet Charles Olson focusing on the poet's lifelong reading material as a basis for understanding his work Drawing on an annotated listing of his library as well as his childhood books and poetry by his contemporaries he links the books to the poet's intellectual and poetic development at each stage of his career Annotation copyright by Book News Inc Portland OR

**Contextual Practice** Stephen Fredman, 2010 Fredman makes the original argument that some of the most innovative works of poetry and art in the postwar period 1945-1970 engaged in a contextual practice a term that refers both to a way of making art characterized by assemblage and to a new relationship between art and life an erotic poetics      **This Compost**  
Jed Rasula, 2012-09-01 Poetry for Jed Rasula bears traces of our entanglement with our surroundings and these traces define a collective voice in modern poetry independent of the more specific influences and backgrounds of the poets themselves In *This Compost* Rasula surveys both the convictions asserted by American poets and the poetics they develop in their craft all with an eye toward an emerging ecological worldview Rasula begins by examining poets associated with Black Mountain College in the 1950s Charles Olson Robert Creeley and Robert Duncan and their successors But *This Compost* extends to include earlier poets like Robinson Jeffers Ezra Pound Louis Zukofsky Kenneth Rexroth and Muriel Rukeyser as well as Clayton Eshleman Gary Snyder Michael McClure and other contemporary poets Walt Whitman and Emily Dickinson also make appearances Rasula draws this diverse group of poets together uncovering how the past is a compost fertilizing the present He looks at the heritage of ancient lore and the legacy of modern history and colonial violence as factors contributing to ecological imperatives in modern poetry *This Compost* restores the dialogue between poetic language and the geophysical biological realm of nature that so much postmodern discourse has sought to silence It is a fully developed carefully argued book that deals with an underrepresented element in modern American culture where the natural world and those who write about it have been greatly neglected in contemporary literary history and theory      *Cosmic Scholar* John Szwed, 2023-08-22 Named one of the Best Books of 2023 by the New Yorker and The New York Times Dwight Garner The first comprehensive biography of this hipster magus John Szwed allows different sides of Smith's personality to catch blades of sun He brings the

right mixture of reverence and comic incredulity to his task Dwight Garner The New York Times Grammy Award winning music scholar and celebrated biographer John Szwed presents the first biography of Harry Smith the brilliant eccentric who transformed twentieth century art and culture He was an anthropologist filmmaker painter folklorist mystic and walking encyclopedia He taught Patti Smith and Robert Mapplethorpe about the occult swapped drugs with Timothy Leary had a front row seat to a young Thelonious Monk lived with and tortured Allen Ginsberg was admired by Susan Sontag and was one of the first artists funded by Guggenheim Foundation He was always broke generally intoxicated compulsively irascible and unimpeachably authentic Harry Smith was in the words of Robert Frank the only person I met in my life that transcended everything In Cosmic Scholar the Grammy Award winning music scholar and celebrated biographer John Szwed patches together for the first time the life of one of the twentieth century s most overlooked cultural figures From his time recording the customs of Native American tribes in the Pacific Northwest and Florida to his life in Greenwich Village in its heyday Smith was consumed by an unceasing desire to create a unified theory of culture He was an insatiable creator and collector responsible for the influential Anthology of American Folk Music and several pioneering experimental films but was also an insufferable and destructive eccentric who was unable to survive in regular society or keep himself healthy or sober Exhaustively researched energetically told and complete with a trove of images Cosmic Scholar is a feat of biographical restoration and the long overdue canonization of an American icon Includes black and white and color images **Semantics**
