

The Heritage Of Holy Cross

Agop Jack Hacikyan

The Heritage Of Holy Cross:

The Heritage of Holy Cross Geraldine Carville, 1973 A Heritage of Holy Wood: The Legend of the True Cross in Text and Image Barbara Baert, 2004-07-01 In the fourth century the idea arose that the Cross on which Christ was crucified had been found by Helena mother of Emperor Constantine Thus began a legend that would grow and flourish throughout the Middle Ages and cause the diffusion of countless splinters of holy wood And where there is wood there was once a tree Could it be that the Cross was made from that most noble species the Tree of Life So gathering characters along the way the legend evolved into a tale that stretches from the Creation to the End of Time A Heritage of Holy Wood is the first reconstruction of the iconographic and literary tradition of the Legend of the True Cross Its broad scope encompasses relic cults pilgrimages travellers tales and the Tree of Life and involves Church Fathers crusader kings Teutonic Knights and mendicant orders all of which influenced the legend s depiction from its earliest representation in manuscripts reliquaries and altarpieces to the great monumental cycles of the high Middle Ages If the holy wood was the medium of medieval memory A Heritage of Holy Wood reveals the growth rings of fifteen centuries of imagery Our Holy Cross Heritage Sisters of the Holy Cross, 1991*

Holy Cross. A History of the Invention, Preservation, and Disappearance of the Wood Known as the True Cross William Cowper Prime, 2024-06-27 Reprint of the original first published in 1877 *The History of the Congregation of Holy Cross* James T. Connelly C.S.C., 2020-12-15 In 1837 Basile Moreau C S C founded the Congregation of Holy Cross C S C a community of Catholic priests and brothers to minister to and educate the people of France devastated by the French Revolution During the centuries that followed the Congregation expanded its mission around the globe to educate and evangelize including the establishment in 1842 of the Congregation s first educational institution in America the University of Notre Dame This sweeping book written by the skilled historian and archivist James T Connelly C S C offers the first complete history of the Congregation covering nearly two centuries from 1820 to 2018 Throughout this volume Connelly focuses on the ministry of the Congregation rather than on its ministers although some important individuals are discussed including Jacques Fran ois Dujari Sr Mary of the Seven Dolors M S C Andr Bessette C S C and Edward Sorin C S C Within a few short years of founding the Congregation Moreau sent the priests brothers and sisters from France to Algeria the United States Canada Italy and East Bengal Connelly chronicles in great detail the suppression of all religious orders in France in 1903 and demonstrates how the Congregation shifted its subsequent expansion efforts to North America Numerous educational institutions parishes and other ministries were founded in the United States and Canada during these decades In 1943 Holy Cross again extended its work to South America With the most recent establishment of a religious presence in the Philippines in 2008 Holy Cross today serves in sixteen different countries on five continents The book describes the beatification of Basil Moreau C S C on September 15 2007 and the canonization of Andr Bessette C S C on October 17 2010 The book will interest C S C members and historians of Catholic history Anyone who wants to learn about the origins of the

University of Notre Dame will want to read this definitive history of the Congregation **Heritage and mission** Congregation of Holy Cross. South-West Province, *Thy Honored Name* Anthony J. Kuzniewski, 1999 Opened only nine years after the Catholic academy in Boston was destroyed by nativists the College of the Holy Cross was a pet project of Boston's second bishop Benedict Fenwick a Jesuit college in the midst of Yankee New England At first an isolated exclusively Catholic operation offering a seven year humanities program the College failed to obtain a charter by the Massachusetts General Court until 1865 After 1900 Holy Cross became a four year college in the American pattern and advanced to its present level by integrating important principles of Jesuit liberal arts education with the academic traditions of the strongest educational region in the nation Utilizing the universal Jesuit Plan of Studies the college's leaders at first stressed connections with other Jesuit institutions in a program that emphasized classical languages philosophy history mathematics and natural sciences About 1900 a second era began when the curriculum was altered to bring Holy Cross into conformity with the modern educational pattern college offerings were amplified and the prep school was dropped During the 1960s a third era opened It was characterized by coeducation a more open curriculum growing involvement of non Jesuit faculty and administrators the transition to a board of lay trustees and rising academic standards as Holy Cross took its place as the foremost Jesuit school among four year liberal arts colleges *Thy Honored Name* highlights the confluence of two strong educational traditions Puritan and Jesuit and the growing appreciation of their compatibility It is also an account of efforts to promote academic excellence without losing an authentically Jesuit identity in a region where many formerly religious schools have become secular The book will hold interest for persons who study educational and religious history for individuals interested in the development of New England and Worcester and for friends of Holy Cross Anthony J Kuzniewski S J is professor of history and rector of the Jesuit Community at the College of the Holy Cross Anthony Kuzniewski SJ professor of history in the College of Holy Cross can tell a good story Others have written histories of Holy Cross but none has matched his literary skill and historical acumen This is genuine history not a celebratory essay The author's thoroughness and attention to detail persuade one that no relevant document illuminating the college's history has been overlooked It is a handsome almost flawless volume that scholars and others interested in American higher education are sure to welcome Catholic Historical Review Kuzniewski has ultimately crafted an ample widely encompassing institutional biography that is balanced fair and interesting An in so doing he reminds us that an academic institution can achieve excellence and relevance even as it remains proud of its antique beginnings Connection Holy Cross William Cowper Prime, 1877 The Heritage of Armenian Literature Agop Jack Hacikyan, 2000 The second volume of *The Heritage of Armenian Literature* continues the highly acclaimed and monumental project of presenting Armenia's literary treasures to an English speaking audience Nowhere else can students and general readers easily find a comprehensive English language guide to these masterpieces complete with important background information and vivid accurate translations of key sample

passages Volume 2 takes readers through the medieval period up to the eighteenth century As in the previous volume the editors here offer a wide and varied range of readings that encompasses the literary panorama of this ancient civilization They situate each work as extensively as possible within its theological historical and philosophical contexts while highlighting aspects that will be meaningful to readers in light of modern scholarship **The Holy Cross Purple**, 1914

The Life History of Lodgepole Burn Forests Frederic Edward Clements, 1910 *History of the Triumphs of Our Holy Faith Amongst the Most Barbarous and Fierce Peoples of the New World* AndrŽs PŽrez de Ribas, 1999 Considered by historian Herbert E Bolton to be one of the greatest books ever written in the West Andr s P rez de Ribas s history of the Jesuit missions provides unusual insight into Spanish and Indian relations during the colonial period in Northern New Spain First published in Madrid in 1645 it traces the history of the missions from 1591 to 1643 and includes letters from Jesuit annual reports and other correspondence much of which has never been found or cataloged in historical archives Daniel T Reff Maureen Ahern and Richard K Danford have now prepared the first complete scholarly and fully annotated edition of this important work in English P rez de Ribas was the first permanent missionary to the Ahome Zuaque and Yaqui Indians After fifteen years on the mission frontier he was recalled to Mexico City where he held various posts including Jesuit Provincial Addressed to novitiates ignorant of the challenges they would face in the field his Historia was a virtual textbook on missionary work in the New World Also written to encourage ongoing support of the Jesuit missions it reflected the author s deep grasp of what rhetorically soothed and moved Church and Crown officials Perhaps of greatest interest to the modern reader are P rez de Ribas s often detailed comments on indigenous beliefs and practices These firsthand observations provide a rich resource of ethnographic and historical data concerning everything from native subsistence settlement patterns and myths to the dynamics of Jesuit Indian relations The many cases of conversion that P rez de Ribas describes are especially rich in ethnographic data clarifying the values and beliefs from which the Indians were rescued History of the Triumphs is a primary document of great importance made more valuable here by an exceptionally fluid translation and painstaking annotations It will be a standard reference for all engaged in research on New Spain and a captivating read for anyone interested in this chapter of American history *The Eclectic Visual Culture of Medieval Moldavia* Alice Isabella Sullivan, 2023-05-25 Winner of the 2023 Early Slavic Studies Book Prize from the Early Slavic Studies Association ESSA Best book Medieval Moldavia which was located within present day northeastern Romania and the Republic of Moldova developed a bold and eclectic visual culture beginning in the 15th century Within this networked Carpathian Mountain region art and architecture reflect the creativity and diversity of the cultural landscapes of Eastern Europe Moldavian objects and monuments ranging from fortified monasteries and churches enveloped in fresco cycles to silk embroideries delicately carved woodwork and metalwork as well as manuscripts gifted to Mount Athos and other Christian centers negotiate the complex issues of patronage and community in the region The works attest to processes of cultural contact and translation revealing

how Western medieval Byzantine and Slavic traditions were mediated in Moldavian contexts in the post Byzantine period

Winner of the 2023 Early Slavic Studies Book Prize awarded by the Early Slavic Studies Association ESSA for the best book published between Sept 1 2021 and August 31 2023 in the field of Early Slavic Studies pre 1800 The awarding committee praised the volume as the first English monograph to provide a comprehensive overview of Moldavia s artistic and architectural landscape during the 15th and 16th centuries locating the region as a significant facet in the global map of art history Official ESSA announcement

A History of the Holy Eastern Church John Mason Neale,1850
