the poor mother could not sleep but watched and wept and she sang to her baby as they floated and the song which she sang you shall learn yourselves some day We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

*The Heroes* Charles Kingsley, 2008-05 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt 6 Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book c Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book d Departmental columns in the Sales Book and in the Purchase Book Controlling Accounts The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts The most common examples of such accounts are Accounts Receivable account and Accounts Payable account These summary accounts respectively displace individual customers and creditors accounts in the Ledger The customers accounts are then segregated in another book called the Sales Ledger or Customers Ledger while the creditors accounts are kept in the Purchase or Creditors Ledger The original Ledger now much reduced in size is called the General Ledger The Trial Balance now refers to the accounts in the General Ledger It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved A Schedule of Accounts Receivable is then prepared consisting of the balances found in the Sales Ledger and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance A similar Schedule of Accounts Payable made up of all the balances in the Purchase Ledger is prepared and it must agree with the balance of the Accounts Payable account of the General Ledger The Balance Sheet In the more elementary part of the text the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise In the present chapter he was shown how to prepare a similar statement the Balance Sheet For all practical

*The Heroes* Charles Kingsley, 2020-03-17 Once upon a time there were two princes who were twins Their names were Acrisius and Proetus and they lived in the pleasant vale of Argos far away in Hellas They had fruitful meadows and vineyards sheep and oxen great herds of horses feeding down in Lerna Fen and all that men could need to make them blest and yet they were wretched because they were jealous of each other From the moment they were born they began to quarrel and when they grew up each tried to take away the other s share of the kingdom and keep all for himself So first Acrisius drove out Proetus

and he went across the seas and brought home a foreign princess for his wife and foreign warriors to help him who were called Cyclopes and drove out Acrisius in his turn and then they fought a long while up and down the land till the quarrel was settled and Acrisius took Argos and one half the land and Proetus took Tiryns and the other half And Proetus and his Cyclopes built around Tiryns great walls of unhewn stone which are standing to this day But there came a prophet to that hard hearted Acrisius and prophesied against him and said Because you have risen up against your own blood your own blood shall rise up against you because you have sinned against your kindred by your kindred you shall be punished Your daughter Danae shall bear a son and by that son s hands you shall die So the Gods have ordained and it will surely come to pass

**Heroes, Or Greek Fairy Tales for My Children** Charles Kingsley, 2018-08-14 Heroes or Greek Fairy Tales for My Children by Charles Kingsley Some of you have heard already of the old Greeks and all of you as you grow up will hear more and more of them Those of you who are boys will perhaps spend a great deal of time in reading Greek books and the girls though they may not learn Greek will be sure to come across a great many stories taken from Greek history and to see I may say every day things which we should not have had if it had not been for these old Greeks You can hardly find a well written book which has not in it Greek names and words and proverbs you cannot walk through a great town without passing Greek buildings you cannot go into a well furnished room without seeing Greek statues and ornaments even Greek patterns of furniture and paper so strangely have these old Greeks left their mark behind them upon this modern world in which we now live And as you grow up and read more and more you will find that we owe to these old Greeks the beginners of all our mathematics and geometry that is the science and knowledge of numbers and of the shapes of things and of the forces which make things move and stand at rest and the beginnings of our geography and astronomy and of our laws and freedom and politics that is the science of how to rule a country and make it peaceful and strong And we owe to them too the beginning of our logic that is the study of words and of reasoning and of our metaphysics that is the study of our own thoughts and souls And last of all they made their language so beautiful that foreigners used to take to it instead of their own and at last Greek became the common language of educated people all over the old world from Persia and Egypt even to Spain and Britain And therefore it was that the New Testament was written in Greek that it might be read and understood by all the nations of the Roman empire so that next to the Jews and the Bible which the Jews handed down to us we owe more to these old Greeks than to any people upon earth We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a

book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
