## **The Heroes Republic:**

**The Heroes' Republic** Michael J. Hanson, 2000-07-01

**The Fictional Republic** Carol Nackenoff, 1994-04-14

Investigating the persistence and place of the formulas of Horatio Alger in American politics The Fictional Republic reassesses the Alger story in its Gilded Age context Carol Nackenoff argues that Alger was a keen observer of the dislocations and economic pitfalls of the rapidly industrializing nation and devised a set of symbols that addressed anxieties about power and identity As classes were increasingly divided by wealth life chances residence space and culture Alger maintained that Americans could still belong to one estate The story of the youth who faces threats to his virtue power independence and identity stands as an allegory of the American Republic Nackenoff examines how the Alger formula continued to shape political discourse in Reagan's America and beyond *The English Republic...* William James

Linton, 1854

**The Cosmic Republic** A. Capizzi, 2022-04-19 According to Aristotle philosophy had come into being in the VIth century with Thales just as a mere disinterested pursuit of truth a curiosity for great problems those even tually called metaphysical ones which were substantially identical with those which Aristotle himself and his school were now raising This abstract reading is very similar to that which views Greek poets as inspired by eternal beauty or by art's for art's sake and which is nowadays completely discredited and given up by scholars of the history of literature Against this view the present text proposes a new reading of the archaic presocratic scientists in fact it is about those sages who lived on the boundaries of the Greek speaking world before the concentration of such people in Periclean Athens They were closely linked to their native towns Miletus Ephesus Croton Vele Acragas where they held high office here their oral teaching and the public reading of their texts were followed closely by their fellow citizens Thus the picture of the cosmic republic arises to the cosmic monarchy of Homer and Hesiod the mythical world with Zeus as the king gods as the ministers and nature as the subject a different mythical world succeeds Here the earth the sea the sky the human body and generally the existing thing all behave like isonomic republican towns or like the governing body of these towns Philosophy will arise later in Athens of the Vth century Heroes of the great republic, lives of general Grant, general Lee, Abraham Lincoln, president Garfield, Lloyd Garrison, by the author of 'Livingstone'. Heroes, 1892

**Republic Studios** Richard M. Hurst, 2007-03-15 The Hollywood studios of the 1930s 40s and 50s were rarely concerned with film as an art form this was especially true of those specializing in the B film Of these Republic Pictures Corporation was the finest Their quality B action pictures and serials influenced the industry and the moviegoing public resulting in greater public acceptance The Republic's roster of talent included John Wayne Roy Rogers and Gene Autry and the serials it produced featured such iconic figures as Dick Tracy Captain America Zorro and The Lone Ranger In Republic Studios Between Poverty Row and the Majors author Richard Hurst documents the influence and significance of this major B studio Originally published in 1979 this book provides a brief overview of the studio's economic structure and charts its output Hurst examines the various genres represented by the studio including the

comedies of Judy Canova and westerns featuring Autry Rogers and The Three Mesquiteers The book addresses the non series B films Republic produced as well as rare A films such as Wake of the Red Witch Sands of Iwo Jima and John Ford s The Quiet Man all of which starred John Wayne This new edition of Republic Studios with two additional expanded chapters on serials a new introduction and an epilogue brings the Republic story up to date This fascinating look at Republic chronicles the impact the studio had on American cultural history from the mid 1940s to the mid 1950s and examines the studio s role in Hollywood history and its demise in the late 50s *The English Republic* ,1851 **The Decadent Republic of Letters**

Matthew Potolsky,2012-10-15 While scholars have long associated the group of nineteenth century French and English writers and artists known as the decadents with alienation escapism and withdrawal from the social and political world Matthew Potolsky offers an alternative reading of the movement In *The Decadent Republic of Letters* he treats the decadents as fundamentally international defined by a radically cosmopolitan ideal of literary sociability rather than an inward turn toward private aesthetics and exotic sensation *The Decadent Republic of Letters* looks at the way Charles Baudelaire Thophile Gautier and Algernon Charles Swinburne used the language of classical republican political theory to define beauty as a form of civic virtue The libertines an international underground united by subversive erudition gave decadents a model of countercultural affiliation and a vocabulary for criticizing national canon formation and the increasing state control of education Decadent figures such as Joris Karl Huysmans Walter Pater Vernon Lee Aubrey Beardsley and Oscar Wilde envisioned communities formed through the circulation of art Decadents lavishly praised their counterparts from other traditions translated and imitated their works and imagined the possibility of new associations forged through shared tastes and texts Defined by artistic values rather than language geography or ethnic identity these groups anticipated forms of attachment that are now familiar in youth countercultures and on social networking sites Bold and sophisticated *The Decadent Republic of Letters* unearths a pervasive decadent critique of nineteenth century notions of political community and reveals the collective effort by the major figures of the movement to find alternatives to liberalism and nationalism

**The Republic of Plato** ,2016-11-01 Long regarded as the most accurate rendering of Plato s Republic that has yet been published this widely acclaimed work is the first strictly literal translation of a timeless classic In addition to the annotated text there is also a rich and valuable essay as well as indices which will better enable the reader to approach the heart of Plato s intention This new edition includes a new introduction by acclaimed critic Adam Kirsch setting the work in its intellectual context for a new generation of readers **The Rise and Fall of the White Republic** Alexander Saxton,2003

Saxton asks why white racism remained an ideological force in America long after the need to justify slavery and Western conquest had disappeared *The Roman Republic* William Emerton Heitland,2014-01-30 The final volume of William Heitland s masterpiece trilogy examines the Roman Republic from the death of Sulla to Rome s emergence as an Imperial power **The Roman Republic** William Emerton Heitland,1909 *Engraved Gems and Propaganda in the Roman*

*Republic and under Augustus* Paweł Gołyźniak, 2020-05-14 This book studies small but highly captivating artworks from antiquity engraved gemstones These objects had multiple applications and the images upon them captured snapshots of people's beliefs ideologies and everyday occupations They provide a unique perspective on the propaganda of Roman political leaders especially Octavian Augustus

**Proclus: Commentary on Plato's Republic: Volume 1**, 2018-08-30 The commentary on Plato's Republic by Proclus d 485 CE which takes the form of a series of essays is the only sustained treatment of the dialogue to survive from antiquity This three volume edition presents the first complete English translation of Proclus text together with a general introduction that argues for the unity of Proclus Commentary and orients the reader to the use that the Neoplatonists made of Plato's Republic in their educational program Each volume is completed by a Greek word index and an English Greek glossary that will help non specialists to track the occurrence of key terms throughout the translated text The first volume of the edition presents Proclus essays on the point and purpose of Plato's dialogue the arguments against Thrasymachus in Book I the rules for correct poetic depictions of the divine a series of problems about the status of poetry across all Plato's works and finally an essay arguing for the fundamental agreement of Plato's philosophy with the divine wisdom of Homer which is in Proclus view allegorically communicated through his poems

**Diodorus Siculus and the World of the Late Roman Republic** Charles Muntz, 2017-01-02 In Diodorus Siculus and the World of the Late Roman Republic Charles E Muntz offers a fresh look at one of the most neglected historians of the ancient world and recovers Diodorus's originality and importance as a witness to a profoundly tumultuous period in antiquity Muntz analyzes the first three books of Diodorus's Bibliotheca historica some of the most varied and eclectic material in his work in which Diodorus reveals through the history myths and customs of the barbarians the secrets of successful states and rulers and contributes to the debates surrounding the transition from Republic to Empire Muntz establishes just how linked the barbarians of the Bibliotheca are to the actors of the crumbling Republic and demonstrates that through the medium of the ancient Egyptians Assyrians Indians and others Diodorus engages with the major issues and intellectual disputes of his time including the origins of civilization the propriety of ruler cult the benefits of monarchy and the relationship between myth and history Diodorus has many similarities with other authors writing on these topics including Cicero Lucretius Varro Sallust and Livy but as Muntz argues engaging with such controversial issues even indirectly could be especially dangerous for a Greek provincial such as Diodorus Indeed for these reasons he may never have completed or fully published the Bibliotheca in his lifetime Through his careful and precise investigations Muntz demonstrates Diodorus's historical context at its full size and scope

[Making Politics in Zimbabwe's Second Republic](#) Gordon Moyo, Kirk Helliker, 2023-05-16 The book provides a fresh and innovative interpretation of the new government of Zimbabwe led by Emmerson Mnangagwa which emerged in late 2017 after the downfall of Robert Mugabe It demonstrates the contradictory character of the Mnangagwa government involving both continuities and discontinuities in relation to Mugabe's regime The temptation amongst

Zimbabwean scholars has been to focus on the continuities and to dismiss the significance of any discontinuities notably reform measures This book adopts an alternative approach by identifying and focusing specifically on the existence of a formative project of the Mnangagwa s Second Republic further analysing its political significance as well as risks and limitations While doing so the book covers topics such as reform measures reconciliation transitional justice corruption the media agriculture devolution and the debt crisis as well as health and education Discussing the limitations of these different reform measures the book highlights that any scholarly failure to identify the risks of the project leads to an incomplete understanding of what constitutes the Mnangagwa s Second Republic The book appeals to students scholars and researchers of Zimbabwean and African studies political science and international relations as well as policymakers interested in a better understanding of political reform processes

**The Republic of Texas** Clarence Wharton,1922

The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982 Roderick MacFarquhar,John K. Fairbank,Denis Crispin Twitchett,1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao s thoughts and how they related to China s government The most comprehensive account of this turbulent period in Chinese history

*Proclus: Commentary on Plato's Republic: ,2018-06-30*

The commentary on Plato s Republic by Proclus d 485 CE which takes the form of a series of essays is the only sustained treatment of the dialogue to survive from antiquity This three volume edition presents the first complete English translation of Proclus text together with a general introduction that argues for the unity of Proclus Commentary and orients the reader to the use which the Neoplatonists made of Plato s Republic in their educational program Each volume is completed by a Greek word index and an English Greek glossary that will help non specialists to track the occurrence of key terms throughout the translated text The first volume of the edition presents Proclus essays on the point and purpose of Plato s dialogue the arguments against Thrasymachus in Book I the rules for correct poetic depictions of the divine a series of problems about the status of poetry across all Plato s works and finally an essay arguing for the fundamental agreement of Plato s philosophy with the divine wisdom of Homer which is on Proclus view allegorically communicated through his poems
