A Course of Meditations for Most Days of the Year** Richard Meux Benson,1876 **Words Made Flesh** R. Jared Staudt,2024-06 Forming souls and building culture together form the sacramental mission of Catholic education These profoundly related goals are laid out by the Church for education following the general sacramental principle that permeates the whole of Catholic life This approach seeks conformity to the Logos the divine mind that shapes the way disciples think imagine and pray Guided by this approach the student will be able to contemplate the truth of reality in a holistic and integrated fashion As sacramental it also leads to a concrete embodiment in the life of the Christian community and the daily actions of the disciple A sacramental approach to education draws together the inner and outer life mind and body soul and culture prayer and work salvation and mission the individual and community For the future of society and renewal within the Church we need nothing less than a reintegration of the person and our communities through the renewal of education forming students deeply rooted in our heritage and prepared to hand it on in creative ways
