The Of Jonah:

The Book of Jonah Peter Spier, 2015-01-27 Two time Caldecott illustrator Peter Spier's visual retelling of a favorite Bible story is back in print In a tale full of action adventure and strife Jonah is asked by God to tell the people of Nineveh to mend their wicked ways Fleeing from this enormous task Jonah sets sail and is thrown overboard and swallowed by a great fish What follows is Jonah's journey to acceptance of God's love and grace A reference section at the end of the book shares historical and geographical notes about the story including details about the ship Jonah might have sailed on and a fascinating discussion of the ancient city of Nineveh and the location of its ruins in present day Iraq The Remarkable Journey of Jonah Henry M. Morris, 2003 A Raging storm a rebellious prophet and somewhere out there a great fish This book is a fascinating commentary on the life of the great prophet Could a man spend three days inside a huge fish His prayer of deliverance Why did he run from God The influence of the ancient city Nineveh Jonah and the twenty first century The late scholar and author Dr Henry Morris believed the biblical account of Jonah was true and this book will thrill others who believe it too Drawing on a lengthy research career Morris takes the reader on the same wonderful ride on which Jonah embarked Sure to be a hit for Bible study groups and individuals who find inspiration from a beloved classic **The Book of Jonah** W.H. Winkler, 2017-12-22 This is a commentary on the book of Jonah It now delves into the most up to date research available on the life of the man who tried to run away from God **Jonah**, 1981 The Bible story of the prophet Jonah with illustrations depicting Jonah as a mouse The Message of Jonah Rosemary Nixon, 2024-04-02 The book of Jonah is likely the best known of the minor prophets and is often remembered for its oddity In this BST volume Rosemary Nixon moves beyond the amusing irony to show that this book reaches out and touches us where we are today exploring the depths of the book and helping us make connections with our view of God and his world *Kingdom Files: Who Was Jonah?* Matt Koceich, 2018-08-01 What do you know about Jonah Was he the reluctant prophet who said no to God the man tossed overboard during a colossal storm the one who changed his mind after being swallowed by a big fish all of the above Journey along with Jonah on the high seas in the belly of a fish in the very center of God's amazing power This biblically accurate story of Jonah created just for the kids in your life explores the life of the reluctant prophet who said no to God while drawing 8 to 12 year olds into a fascinating time and place as they learn about the man who was tossed overboard during a storm and experienced a change of heart after being swallowed by a giant fish Featuring three key sections a Fact File an Action File and a Power File kids will enjoy learning about the life of Jonah while coming to understand that an ancient Bible story really does apply to their lives today Dozens of captivating line art pieces add depth and interest to every chapter Jonah Amy Erickson, 2021-05-18 The dominant reading of the book of Jonah that the hapless prophet Jonah is a lesson in not trying to run away from God oversimplifies a profoundly literary biblical text argues Amy Erickson Likewise the more recent understanding of Jonah as satire is problematic in its own right laden as it is with anti Jewish undertones and the

superimposition of a Christian worldview onto a Jewish text How can we move away from these stale interpretations to recover the richness of meaning that belongs to this short but noteworthy book of the Bible This Illuminations commentary delves into Jonah's reception history in Christian Jewish and Islamic contexts while also exploring its representations in visual arts music literature and pop culture After this thorough contextualization Erickson provides a fresh translation and exegesis paving the way for pastors and scholars to read and utilize the book of Jonah as the provocative richly allusive and theologically robust text that it is The Problem of the Book of Jonah Gerhard Charles Aalders, 1948 **Jesus and Jonah** John William McGarvey, 1896 **The Judgment of Jonah** Jacques Ellul, Geoffrey W. Bromiley, 2011-06-02 This is not a commentary in the traditional sense One might call it an existential commentary An important aim of the author is to bring out the relevance of the story of the person mission and situation of Jonah to Christians in our own time Above all this is a theological or more specifically a christological commentary The author's chief aim is to relate the book not to Christians but to Christ Ellul thinks Christ is the center of all Scripture and he also takes seriously the specific reference which Christ makes to the sign of Jonah If this reading is correct and the Bible is indeed a unity the exposition of Ellul though not developed in detail has a distinctive theological contribution to make Those who want acute theological insight and are not afraid of plain hard hitting application will read this vivid study with relish and profit From the Preface by G W Bromiley

The Story of Jonah Elaine M. Medeiros, 2019-03-05 The Story of Jonah By Elaine Medeiros Jonah was a believer in the Lord God and knew Him to be loving kind and compassionate When God spoke to Jonah about going to Nineveh to warn the people of His impending punishment for their evil deeds Jonah feared they would not listen to him that they would imprison or even kill him He tried to run away from the presence of the Lord and paid the fare to travel far away by ship God caused a great storm and Jonah being the cause of the storm is thrown overboard He is swallowed by a great fish and clings to nodules in the stomach of the fish to keep from drowning He goes to the land of the dead where he prays and is sorry for his disobedience The great fish leaps high in the air and beaches itself on the shore of Nineveh Jonah is spewed out of the great fish's mouth He has been bleached white by the acid in the fish's stomach *The Message of Jonah* Terence Fretheim, 2000-04-12 Examining the theological conflict at the heart of the Book of Jonah Dr Fretheim carefully expresses Jonah's powerful message bringing a fresh perspective of God's mercy and forgiveness and its application in today's world

The Historicity of the Book of Jonah Leslie Henry, 2012-06 WHAT IT IS ABOUT This is a timely work presented to the cause of Christ and dedicated to every true believer who serves that cause It provides a solid foundation for those who must earnestly contend for the FAITH which was once delivered unto the saints Its purpose is to EQUIP every believer to be perfect thoroughly furnished unto all good works This is resource material for reference and a textbook for every library It is serious yet interesting reading that would cause the reader to think I recommend this book as compulsory reading for every Bible student every Bible teacher and every Christian worker Having pioneered and pastored several churches for a period of

The Book of Jonah, 1985 Retells the Biblical story of the man who spent three days and three nights in the belly of a great fish Includes historical material on Jonah s world

The Signs of Jonah Ehud Ben Zvi, 2003-06-01 In this new and refreshing approach to the story Ben Zvi starts with the premise that Jonah like most books was written to be read He therefore concentrates on intended and unintended readership s of Jonah and the network of messages that they were likely to derive through their reading and rereading He starts with the historical and social matrix of the production and reading of the book in antiquity analyzes its self critical approach and its metaprophetic character as a comment on the genre of prophetic books and on prophets How does the historical fact of Nineveh s destruction actually shape the reading Or the perception of Jonah as a runaway slave Ben Zvi demonstrates the malleability of interpretation of the Book of Jonah and its limitations as attested in different communities of readers He asks why certain messages are easily accepted by particular historical communities whereas others are not raised at all

Jonah Ross Kingwell Ph.D., 2017-07-21 Mostly we remember Jonah as the guy swallowed by a whale We remember what happened to him not what happened with him or in him or in spite of him Professor Kingwell takes us on a rich devotional journey through the book of Jonah providing many insights about the books engaging story

The Prodigal Prophet Timothy Keller, 2018-10-02 An angry prophet A feared and loathsome enemy A devastating storm And the surprising message of a merciful God to his people The story of Jonah is one of the most well known parables in the Bible It is also the most misunderstood Many people even those who are nonreligious are familiar with Jonah A rebellious prophet who defies God and is swallowed by a whale But there s much more to Jonah s story than most of us realize In The Prodigal Prophet pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah Keller makes the case that Jonah was one of the worst prophets in the entire Bible And yet there are unmistakably clear connections between Jonah the prodigal son and Jesus Jesus in fact saw himself in Jonah How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus Jonah s journey also doesn t end when he is freed from the belly of the fish There is an entire second half to his story but it is left unresolved within the text of the Bible Why does the book of Jonah end on what is essentially a cliffhanger In these pages Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable and shares the powerful Christian message at the heart of Jonah s story
