## **The Of Rituals Personal And Planetary Transformation:**

**The Book of Rituals** Carol Parrish-Harra, 2017-11-13      **The Book of Rituals** Carol Elizabeth Parrish-Harra, 1990      *A Woman's Book of Rituals and Celebrations* Barbara Ardinger, Ph.D., 2011-12-11 This is a handbook on how to perform sacred ceremonies in the tradition of Goddess spirituality in one's own home with ordinary household items. An annual cycle of celebrations is included as is advice on how to set up an altar and use simple tools. The author, a practitioner of Wicca witchcraft, expounds the life-affirming eco-feminist values of that tradition. Suggestions for rituals and ideas for inventing one's own are given. Poetry and blessings blend in a title which supports celebration of the Goddess image in daily life. These rituals are personal moving rites which celebrate love and peace and which act as meditations for considering new rituals, old traditions and the course of women's lives.

**Magical Religion and Modern Witchcraft** James R. Lewis, 1996-04-19 Provides an overview of neo-paganism from the Goddess to magic and rituals from history and ethics to the relationship of neo-paganism to Christianity.

**Pagan and Witch Elders of the World** Tamara Von Forslun, 2020-10-07 The Pagan or Witch Elder is a leader who has led by example and teaches their wisdom to those that will listen; they have cleared the path for those to follow. We must remember and know who these Spiritual and Magical Warriors were and are, some who are still fighting in the world for our acceptance and understanding. This book is filled with hundreds of Elders, some known and some not well known, who stood tall and fought the establishment with compassion and strength, endurance and wisdom, courage and determination to share an ancient knowledge that has been awakened by them in the 21st century. I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth Warriors were and are and what they have given, sacrificed and shared for the future of our world. This book is to honour all our Elders so they are never forgotten and always honoured. MERRY WE MEET, MERRY WE PART AND MERRY WE MEET AGAIN.

**The Future of Ritual** Richard Schechner, 2003-09-02 A brilliant examination of cultural expression and communal action. The Future of Ritual asks pertinent questions about art, theatre and the changing meaning of culture in today's intercultural world.

**Witching Culture** Sabina Magliocco, 2010-11-24 Taking the reader into the heart of one of the fastest-growing religious movements in North America, Sabina Magliocco reveals how the disciplines of anthropology and folklore were fundamental to the early development of Neo-Paganism and the revival of witchcraft. Magliocco examines the roots that this religious movement has in a Western spiritual tradition of mysticism disavowed by the Enlightenment. She explores too how modern Pagans and Witches are imaginatively reclaiming discarded practices and beliefs to create religions more in keeping with their personal experience of the world as sacred and filled with meaning. Neo-Pagan religions focus on experience rather than belief, and many contemporary practitioners have had mystical experiences. They seek a context that normalizes them and creates in them new spiritual dimensions that involve change in ordinary consciousness. Magliocco analyzes magical practices and rituals of Neo-Paganism as art forms that reanimate the cosmos and stimulate the imagination of its practitioners. She discusses rituals that are put together using materials from a variety of cultural and historical sources and examines the cultural politics surrounding the movement: how the Neo-Pagan movement creates identity by contrasting itself against the dominant culture and how it can be understood in the context of early twenty-first-century identity politics. *Witching Culture* is the first ethnography of this religious movement to focus specifically on the role of anthropology and folklore in its formation, on experiences that are central to its practice, and on what it reveals about identity and belief in twenty-first-century North America.
