## **The Of Sonning The Story Of An English Village:**

The Book of Sonning Angela Perkins,1977      Social Mobility in Nineteenth- and Early Twentieth-Century England A. Miles,1999-04-12 This pioneering book provides the first systematic historical analysis of occupational and social mobility in England Using a collection of over 10 000 marriage certificates to examine inter generational change and almost 500 autobiographical texts and abstracts to explore the dynamics of career mobility it shows how the development of the nineteenth century economy was accompanied by rising rates of mobility which made English society more open while at the same encouraging a distinct process of working class formation      **The Charm of the English Village** Peter Hampson Ditchfield,1908      **The Boy in Grey and Other Stories and Sketches** Henry Kingsley,1895      **The Sonning parish magazine** ,1869      *English Place-Name Society: pt. 1.
