Book of Surrender Wingate Paine,1991     *The Book of Surrender* Wingate Paine,1987 Here is a mesmerizing true story of a man named Wingate who gave up his marriage his wealth and his flourishing career to seek a deeper more meaningful inner truth a truth that unfolded through a series of dialogues with the energy force known as Emmanuel     **On the Path to Enlightenment** Chris Hamilton,2013-10 On the Path to Enlightenment A Hope for Humanity seeks to provide insight into the purpose of life Author Chris Hamilton explains that it is the lessons we are learning in our everyday lives that define our life s purpose These lessons give us hope to move forward into the light through love releasing fear and judgment as we find peace and listen to our inner voice We also realise that we do have help in our daily life through the guidance we are each given on a daily basis We were born to experience life in all its many facets to find love and to live that love From personal tragedy in Chris s life comes a warm story of understanding our spiritual side through this guidance and ultimately finding peace and forgiveness She has received what she believes to be divine guidance over a period of time some of which was channelled to uplift her in times of sadness doubt or frustration She feels it has been given not for her alone but for everyone As our planet moves towards a higher dimension we mankind must move forward with it if we are to remain on the earth in our physical forms On the Path to Enlightenment seeks to help us make that move Profound and uplifting this book by Chris Hamilton has grown from a long study of esoteric knowledge channelled guidance and personal tragedy Lawrence and Michael Sartorius authors of *The New Earth*     *The Book of Surrender* Wingate Paine,Emmanuel W. Paine,1991-07 Available once again the powerful enlightening dialogue between a man searching for spiritual and physical release and the channeled energy known as Emmanuel     **The Cumulative Book Index** ,1991 A world list of books in the English language **American Book Publishing Record** ,1988     **Parapsychology, New Age, and the Occult** ,1993     Just Traveling Jaco J. Hamman,2021-08-17 Just Traveling celebrates overcoming distance and seeking difference as defining human traits Following the scriptural witness of God as the Earthroamer the book explores the liminal qualities of traveling through six movements anticipating leaving surrendering meeting caring and returning To travel is to move at the speed of being present to one s experiences bridging distance and difference through acts of care Drawing on personal experience as well as the wisdom of theology anthropology psychology philosophy and cultural studies Hamman reimagines travel in a welcoming and beautiful yet also complex and troubled world Whether leaving home serves our wanderlust and curiosity or has personal or spiritual purposes whether we travel a few miles or cover vast distances we travel best when we contribute to human flourishing Care the compassionate reaching out to someone or something is the practice that allows one to travel differently The spirituality of roads is filled with hopeful restorative potential and life is best lived with the Earthroamer
