The Officers Wives Part 2 Of :

The Washingtons. Volume 4, Part 2 Justin Glenn, 2014-07-29 This is the fourth volume of Dr Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons. Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657, married Anne Pope and became the great grandfather of President George Washington. It continued the record of their descendants for a total of seven generations. Volume Two highlighted notable members of the next eight generations of John and Anne Washington's descendants including General George S Patton, author Shelby Foote and actor Lee Marvin. Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe. Volume Four resumes the family history where Volume One ended. It presents Generation Eight of the immigrant John Washington's descendants containing nearly 7 000 descendants. Future volumes will trace generations nine through fifteen making a total of over 63 000 descendants. Although structured in a genealogical format for the sake of clarity, this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives. These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country. Volume Four Part One covers the descendants of the immigrant John Washington's child Lawrence Washington. Volume Four Part Two covers the descendants of the Immigrant's children John Washington Jr and Anne Washington Wright. [The Pictorial Bible: pt. 2. Judges ,1847](#) *The Life of Johnny Reb* Bell Irvin Wiley, 1993 When Bell Irvin Wiley's composite portrait of the rank and file Confederate soldier was published in 1943 it was enthusiastically received by professional historians and general readers alike. A half century later the book still is regarded as one of the best available accounts of the ordinary citizens who made up the Confederate army. The Life of Johnny Reb is not about the battles and skirmishes fought by the Confederate foot soldier. Rather it is an intimate history of the soldier's daily life: the songs he sang, the foods he ate, the hopes and fears he experienced, the reasons he fought. Wiley has examined countless letters, diaries, newspaper accounts and official records in constructing this frequently poignant, sometimes humorous account of the life of Johnny Reb. **The Monthly Army List** Great Britain.
