labour confronted by an economic system that left shops empty and bombarded with ludicrous state propaganda turned joke telling into an art form They used jokes as a coded way of speaking the truth HAMMER AND TICKLE takes us on a unique journey through the Communist era 1917 1989 and tells its real history through subversive jokes and joke tellers many of whom ended up in the gulags It is also illustrated with a combination of rare and previously unpublished archive material political cartoons caricatures photographs and state sponsored propaganda Humorous culturally poignant and historically revealing this is the story of a political system that was almost laughed out of existence Language, Ethnicity and the State, Volume 2 C.
