The Old Man And The Turnip Hardcover:

The Gigantic Turnip graf Aleksey Nikolayevich Tolstoy,2006 A cumulative tale in which the turnip planted by an old man grows so enormous that everyone must help to pull it up Creative Uses of Children's Literature Mary Ann Paulin,1982 A grim prognosis brain cancer leaves the speaker in Kirkpatrick s Odessa fighting for her life The tumor presses against her amygdalae the emotional core of the self and central to the process of memory In poems endowed with this emotional charge but void of sentimentality Kirkpatrick sets out to recreate what was lost by fashioning a dreamlike reality Odessa roof of the underworld a refuge at once real and imagined resembles simultaneously the Midwestern prairie and a mythical god inhabited city In image packed lines bearing shades of Classical heroism Kirkpatrick delivers a personal narrative of stunning dimension The Publishers Weekly ,2000 *Many Peoples, One Land* Alethea K. Helbig,Agnes Regan Perkins,2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children s literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for *Many Peoples One Land* **The Autobiography of Jesus X (6x9 Paperback)** Ross Allaire,2013-04-12 It s not what you think Unless you think everything is wrong Imagine if Kurt Vonnegut and Hunter Thompson collaborated on a new version of The Bible and you kinda get the gist The Autobiography of Jesus X is not for the faint of heart Here is the prophet a cynical dreadlocked pothead crackpot who s done all sorts of despicable things For which He wonders if forgiveness is possible Because now he is a only a ghost of the God he once was now retired After this one incarnation as a human being on Earth he quit As God he had become indifferent But as a tall black Jew with blue eyes and red hair in the Roman Empire he proved to be too smart for his own good Or maybe just too human He tried to quit The Autobiography of Jesus X is either the new Bible or the most offensive book ever written or both Part sci fi fantasy part expos
