## **The Old Merchant Marine A Chronicle Of American Ships And Sailors:**

**Old Merchant Marine the** Ralph Paine,2006      **The Old Merchant Marine** Ralph D. Paine,2004-06 In such compelling circumstances as these necessity became the mother of achievement There is nothing finer in American history than the dogged fortitude and high hearted endeavor with which the merchant seamen returned to their work after the Revolution and sought and found new markets for their wares      **The Old Merchant Marine** Ralph Delahaye Paine,1980      *The Old Merchant Marine* Ralph Delahaye Paine,1919 Describes the beginnings of the merchant marine from colonial days up to the Civil War including the personalities of the men who ran the ships and honorable mentions of the ships themselves      **The Old Merchant Marine** Paine Ralph Delahaye,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      **The Old Merchant Marine; A Chronicle of American Ships and Sailors** Ralph Delahaye Paine,2023-02-11 Reproduction of the original      **The Old Merchant Marine** Ralph D. Paine,2016-07-23 Excerpt from *The Old Merchant Marine A Chronicle of American Ships and Sailors* A vessel was a community venture and the custom still survives in the ancient ports of the Maine coast where the shapely wooden schooners are fashioned The blacksmith the rigger the calker took their pay in shares They became part owners as did likewise the merchant who supplied stores and material and when the ship was a oat the master the mates and even the seamen were allowed cargo space for commodities which they might buy and sell to their own ad vantage Thus early they learned to trade as shrewdly as they navigated and every voyage directly concerned a whole neighborhood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Old Merchant Marine* Ralph Delahay Paine,1972      *The Old Merchant Marine* Ralph Delahaye Paine,1919      *The Old Merchant Marine; A Chronicle of American Ships and Sailors* Ralph Delahaye Paine,2018-08-14 *The Old Merchant Marine A chronicle of American ships and sailors* by Ralph Delahaye Paine The story of American ships and sailors is an epic of blue water which seems singularly remote almost unreal to the later generations A people with a native genius for seafaring won and held a brilliant supremacy through two centuries and then forsook this heritage of theirs The period of achievement was no more extraordinary than was its swift declension A maritime race whose topsails flecked every ocean

whose captains courageous from father to son had fought with pike and cannonade to defend the freedom of the seas turned inland to seek a different destiny and took no more thought for the tall ships and rich cargoes which had earned so much renown for its flag Vanished fleets and brave memories a chronicle of America which had written its closing chapters before the Civil War There will be other Yankee merchantmen in times to come but never days like those when skippers sailed on seas uncharted in quest of ports mysterious and unknown The Pilgrim Fathers driven to the northward of their intended destination in Virginia landed on the shore of Cape Cod not so much to clear the forest and till the soil as to establish a fishing settlement Like the other Englishmen who long before 1620 had steered across to harvest the cod on the Grand Bank they expected to wrest a livelihood mostly from salt water The convincing argument in favor of Plymouth was that it offered a good harbor for boats and was a place of profitable fishing Both pious and amphibious were these pioneers whom the wilderness and the red Indian confined to the water s edge where they were soon building ships to trade corn for beaver skins with the Kennebec colony Even more energetic in taking profit from the sea were the Puritans who came to Massachusetts Bay in 1629 bringing carpenters and shipbuilders with them to hew the pine and oak so close at hand into keelsons frames and planking Two years later Governor John Winthrop launched his thirty ton sloop Blessing of the Bay and sent her to open friendly commercial relations with the Dutch of Manhattan Brisk though the traffic was in furs and wampum these mariners of Boston and Salem were not content to voyage coastwise Offshore fishing made skilled adventurous seamen of them and what they caught with hook and line when dried and salted was readily exchanged for other merchandise in Bermuda Barbados and Europe We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
