

"You have to understand what the KGB is, Elizabeth: it's the militant arm of the Soviet State outside Soviet territory—and inside it as well, but inside doesn't concern us—here concerns us... and I've seen it kill here—plan to kill, and then kill someone who got in the way of the killing, without a second thought, and that was a bloody 'proper' tea, which became an operation..." Again he caught himself, this time scrubbing his face clean before he continued. "So you've got to watch out for yourself now. Don't depend on Audley—don't even trust me..."

Something had changed about him. The garden, and the quiet of evening, with the smells of honeysuckle and lavender, were the same. But he was different.

"Why are you telling me this, Paul?"

"Orders, Elizabeth."

She shook her head. "No—why are you warning me?"

He looked at her curiously for a second, and then grinned. "You know too much now, Elizabeth."

"But you said... David Audley trusts me now—"

He nodded. "That's right. And in my experience that's a damn good reason for not trusting him, I'm sorry to say."

The Old Vengeful:

The Old Vengeful Anthony Price,1984 *A God of Vengeance?* Erich Zenger,1996-01-01 With both careful and rich exegesis of the psalms Zenger recovers these as important liturgical and theological resources for the church It is especially helpful to pastors and others in the planning of public worship *Vengeance in Medieval Europe* Daniel Lord Smail,Kelly Gibson,2009-01-01 How did medieval society deal with private justice with grudges and with violent emotions This groundbreaking reader collects for the first time a number of unpublished or difficult to find texts that address violence and emotion in the Middle Ages The sources collected here illustrate the power and reach of the language of vengeance in medieval European society They span the early high and later middle ages and capture a range of perspectives including legal sources learned commentaries narratives and documents of practice Though social elites necessarily figure prominently in all medieval sources sources concerning relatively low status individuals and sources pertaining to women are included The sources range from saints lives that illustrate the idea of vengeance to later medieval court records concerning vengeful practices A secondary goal of the collection is to illustrate the prominence of mechanisms for peacemaking in medieval European society The introduction traces recent scholarly developments in the study of vengeance and discusses the significance of these concepts for medieval political and social history *Modern Criticism* Walter E. Sutton,1963 *A Woman's Vengeance ...* James Payn,1894 *The Best of D. H. Lawrence* D. H. Lawrence,2023-11-08 In *The Best of D H Lawrence* readers are invited to explore a curated selection of the author's most pivotal works offering a profound insight into his exploration of human emotions sexuality and the complexities of existence Lawrencian prose is noted for its vivid imagery and lyrical style steeped in psychological depth and realism This anthology encapsulates his bold critique of early 20th century society while celebrating the vitality of nature and the human spirit drawing readers into his reflection on the interconnectedness of life and art D H Lawrence born in 1885 emerged as a significant literary voice against the backdrop of industrial England His formative experiences in a coal mining town deeply influenced his perspectives on class struggle and personal liberation Lawrence's tumultuous life marked by passionate relationships and social critiques propelled him to challenge societal norms through his writing This collection exemplifies his literary evolution and mastery highlighting the themes and narratives that permeate his broader body of work This anthology not only serves as an introduction to Lawrence's oeuvre but also as an essential companion for those yearning to understand the intricacies of human relationships and emotional authenticity Whether you are a lifelong admirer or a newcomer to Lawrence's work this collection promises to immerse you in the rich tapestry of his thoughts and experiences **Let It All Go!** Dr. Mary Steele-Agee,2021-10-06 Carrying around weights can be emotionally spiritually and physically challenging This book shares how we can lay aside every weight to gain strength not only to run this race but to stay in the race and finish well Whether you have just now been introduced to the power of prayer or you are a seasoned prayer warrior this book will help you target weights as you learn to

pray about specific matters in your life that can so easily beset you and tend to keep you out of the race These examples of prayers and scripture reflections are shared in hopes of you being inspired and encouraged as you stand on the promises of God This material has been used in conferences workshops and retreats *The Old Vengeful* Anthony Price,1982 **The Last Civilization** Charles Brough,2010-11 The terrorism continues with no end in sight over population grows ever more serious our natural resources are being depleted and corruption runs rampant Will these problems ever be solved The continuing events point to an impending breakdown of our civilization The threat of a new world wide plague mass starvation and nuclear war increases each year No solution is in sight without an understanding of social evolutionary natural selection and how it has shaped world affairs throughout both history and prehistory Only by learning how ideology shapes society is it possible to know what must happen in order for people to be active in the transition from the old into a new society and civilization The author covers topics such as our primate small group social behavior the development of the matriarchal agricultural ideological system the ideology involved in barbarism and the rise of the patriarchal monogamous ideologically based societies and their civilizations Learn why the green revolution is falling behind the biologically related build up of stress and how lagging energy supplies will affect the world Two of the last chapters lay out the structural make up of every successful mainstream world view ideological system They use that to build a facsimile of what the core of such a new and advanced system would have to be like to succeed a perpetual lack of which would ensure that this is indeed The Last Civilization because no other can follow without it **A Woman' S Vengeance a Novel** ,1872 **The Sober World** Randolph Wellford Smith,1919 *A Long Way from Tipperary* John Dominic Crossan,2020-04-03 From his boyhood in Tipperary Kildare and Donegal to the pinnacle of biblical scholarship John Dominic Crossan s adventurous spirit has led him to seek out the truth no matter where it leads In this delightful memoir the former monk and controversial biblical scholar tells how his work as a pioneering historical Jesus expert has led him from the traditional Catholicism of his youth to a more complex sophisticated faith With characteristic wit and candor he describes the joys and challenges of growing up in Ireland and reveals how his life experiences from Ireland to America Rome and Israel from monastery to university from priesthood to marriage have shaped his understanding of God Jesus the Church and what it means to be a true Christian *Vengeance in the Middle Ages* Paul R. Hyams,2016-03-03 This volume aims to balance the traditional literature available on medieval feuding with an exploration of other aspects of vengeance and culture in the Middle Ages A diverse assortment of interdisciplinary essays from scholars in Europe and North America contest or enlarge traditional approaches to and interpretations of vengeance in the Middle Ages Each essay attempts to clarify the multifaceted experience of vengeance within a specific medieval context a particular region a particular text a particular social movement By asking what relationship a distinct factor like authorship or religion has with the concept of vengeance each author points towards the breadth of meanings of medieval vengeance and to the heart of the deeper and broader questions that spur scholarly interest

in the subject Geographically the essays in the volume highlight Western Europe particularly the Anglo Norman world Scotland Ireland Spain and Portugal Thematically the essays are concerned with heroic cultures of vengeance vengeance as a legal and political tool Christian justification and expression of vengeance literature and the distinction between discourse and reality and the emotions of vengeance Methodologically these interdisciplinary studies incorporate tools borrowed from anthropology the study of emotion and modern social and literary theories This volume is aimed at professional scholars and graduate students within the broad field of medieval studies including the subfields of history literature and religious studies and is intended to inspire further research on medieval vengeance However this collection will also prove interesting to non medievalists interested in the history of emotion the justification of human conflict and the concept of feud and its applicability to specific historical periods

Ambition, 1917 War, Women and Post-conflict Empowerment Josephine Beoku-Betts, Fredline A. M'Cormack-Hale, 2022-01-13 Since the 1991 2002 civil conflict ended in Sierra Leone the country has failed to translate the accomplishments of women's involvement in bringing the war to an end into meaningful political empowerment This is in marked contrast to other post conflict countries which have increased the political participation of women in elected and appointed office increased the representation of women in leadership positions and enacted constitutional reforms promoting women's rights Written by Sierra Leonean and Africanist scholars and experts from a broad range of disciplines this unique volume analyses the historical and contextual factors influencing women's political economic and social development in the country In drawing on a diverse array of case studies from health to education refugees to international donors the contradictions successes and challenges of women's lives in a post conflict environment are revealed making this an essential book for anyone involved in women and development

Emotions Stephanie H.M. van Goozen, Nanne E. Van de Poll, Joseph A. Sergeant, S.H.M. van Goozen, Joe A. Sergeant, 2014-02-25 Based upon lectures presented at an invitational colloquium in honor of Nico Frijda this collection of essays represents a brief and up to date overview of the field of emotions their significance and how they function For most emotions are simply what we feel giving our lives affective value Scientists approach emotions differently some considering the feeling aspect to be of little relevance to their research questions Some investigators consider emotions from a phenomenological perspective while others believe

that the psychophysiological bases of the emotions are of prime importance and still others observe and study animals in order to generate hypotheses about human emotions. Containing essays which represent each of these approaches, this book is in one sense a heterogeneous collection. Nevertheless, the variety of approaches and interests come together since these scholars are all operating from a more or less cognitive psychological orientation and use the same conceptual reference scheme. Written by experts in their own area, the essays reflect the richness of research in emotions. Whether these approaches and opinions can be harmonized into a single theory of emotions is a question which the future will have to answer.

The Culture of Vengeance and the Fate of American Justice Terry K. Aladjem, 2008-01-14 America is driven by vengeance in Terry Aladjem's provocative account: a reactive public anger that is a threat to democratic justice itself. From the return of the death penalty to the wars on terror and in Iraq, Americans demand retribution and moral certainty; they assert the rights of victims and make pronouncements against evil. Yet for Aladjem, this dangerously authoritarian turn has its origins in the tradition of liberal justice itself, in theories of punishment that justify inflicting pain and in the punitive practices that result. Exploring vengeance as the defining problem of our time, Aladjem returns to the theories of Locke, Hegel, and Mill. He engages the ancient Greeks, Nietzsche, Paine, and Foucault to challenge liberal assumptions about punishment. He interrogates American law, capital punishment, and images of justice in the media. He envisions a democratic justice that is better able to contain its vengeance.

Death and Social Order in Tokugawa Japan Nam-lin Hur, 2020-03-23 Buddhism was a fact of life and death during the Tokugawa period, 1600-1868. Every household was expected to be affiliated with a Buddhist temple, and every citizen had to be given a Buddhist funeral. The enduring relationship between temples and their affiliated households gave rise to the *danka* system of funerary patronage. This private custom became a public institution when the Tokugawa shogunate discovered an effective means by which to control the populace and prevent the spread of ideologies potentially dangerous to its power, especially Christianity. Despite its lack of legal status, the *danka* system was applied to the entire population without exception; it became for the government a potent tool of social order and for the Buddhist establishment a practical way to ensure its survival within the socioeconomic context of early modern Japan. In this study, Nam-lin Hur follows the historical development of the *danka* system and details the intricate interplay of social forces, political concerns, and religious beliefs that drove this economy of death and buttressed the Tokugawa governing system. With meticulous research and careful analysis, Hur demonstrates how Buddhist death left its mark firmly upon the world of the Tokugawa Japanese.
