## **The Only Chance:**

**My Only Chance** P. L. Byers, 2017-10-25 Taking down a Mexican drug cartel was never on Callie's bucket list. But when a distraught mother came into the clinic where she worked panicked because her little girl had been abducted by one of the deadliest drug cartels, Callie knew she couldn't turn her back on them. Unfortunately, the cost of interfering was for her to forfeit the life she had come to love. Rescuing the little girl was the right thing to do, but rescuing herself when she became their captive instead proved more difficult. But escape she did, and with the help of a kindly priest, Callie eventually made her way back to the United States. Arriving back home and seeing members of the San Letas drug cartel lurking around her family home, she realized the danger she and they were still in. Seeking the help of a federal agency, she was quickly placed into witness protection. But after giving up everything that meant the most to her, someone within the agency betrayed her. Suddenly, Callie was forced to run, knowing that the very people she was supposed to trust had turned on her. Travis Johanson loved being a police officer. There was something to be said for the calm ins and outs of a small town police department. He had a wonderful group of friends and had met a woman he enjoyed spending time with when she wasn't pushing him away. There was something about her though that drew him to her, so he was willing to be patient and allow her to take things at her own pace. Until Callie didn't show up for work one day, and he knew that something was seriously wrong. Now he just had to track her down and convince her to let him help. But would she let him?

**The Pillars of the House; Or, Under Wode, Under Rode** Charlotte Mary Yonge, 1893 **Divine Secrets and Human Imagination** Angelika Berlejung, 2021-04-13 The articles in this volume of collected essays written over the last two decades and all revised, updated, and supplemented with unpublished material are grouped around two themes: Divine Secrets and Human Imagination. The first essays deal with the production, initiation, use, and function of the abduction, repatriation, and the replacement of divine images, their outer appearance, and the many facets of the divine presence, theology in Ancient Mesopotamia. The essays on the second topic deal with human imaginations, human constructs, and constructed memories which assign meaning to the past or to things or experiences that are beyond human control. Thematically, several aspects of the human condition are examined, such as the ideas associated in the Old Testament and the Ancient Near East with death, corporeality, enemies, disasters, utopias, and passionate love.

[The Dublin Quarterly Journal of Medical Science](#), 1858 **The Assassin Hunters** Steve Hailes, 2005-05 As the assassin's hand arched for his throw, Janzene cocked and fired his Colt in a smooth, practiced motion. The man staggered and fell dead as he hit the floor. Janzene threw off his blanket and leaped to his feet, reaching the body shortly after it fell. A pool of blood was forming on the man's garment. Janzene looked at his assailant. Of all the people to attack him, he had expected least of all a Chinaman. Why had his visit to the Chinese area aroused such desire to kill him? What could the scroll he possessed contain? He shook his head. What had he gotten himself into. **The Developers** Ben Woods, 2006-07 Matt Severson has assembled a team of quasi-geek individuals to build a revolutionary city-based website.
