The Only Way To Cross:

The Only Way to Cross John Maxtone-Graham,1972 **The North Atlantic Run** John Maxtone-Graham,1972 The Only Way to Cross Reissue John Maxtone-Graham,1986 The Crown&Glory of Christianity: Or Holiness, the Only Way to Happiness, Etc Thomas Brooks,1662 **In the Beginning!** Ed Pal,2019-10-09 My name is Ed Pal and I am a Bible believer I am a believer because the Bible is the only Word that reveals the Truth of the Creator in relation to His creatures I wrote this book to exhort the readers to be aware of the importance of acknowledging the Truth of the Bible I know The Truth and the lie have become so mixed up these days that we cannot distinguish which is which anymore We got so used to the lie that it became part of our daily life We like so much to lie that we fell in love with it We love so much to lie that if we don t lie we feel uncomfortable We love so much to lie that we even lie to ourselves We love so much to lie that we lie even if it is not convenient And to lie is always not convenient because it causes only troubles Even though we love to lie to others we hate that others are lying to us Even so we don t like to hear the Truth either But contrary to all this confusion The Truth of the Bible will free us from the woes to come Rev 8 13 I believe that there is no creation without the Creator and no Truth without the Truth of the Bible And the Truth reveals that intelligent life can only proceed from intelligent life And so since the intelligent creation reveals the Intelligent Creator whoever neglects or ignores the revelation of the Word on the Judgement Day will have no justification before the Throne of God God Bless Us All **Prisons of Our Mind and the Road to Freedom** John Mathai,2010-12 Psychological and spiritual insights of a personal journey in understanding the workings of our mind **Morning and Evening Meditations from the Word of God** Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *HuntinGOD* Gary Hall,2019-05-09 Have you ever asked yourself what is the purpose of the created universe As we traverse field woods pond creek lake and woods our surroundings call out to us about the meaning of the universe The stars clouds sun trees scrubs ponds lakes seas bays creeks rivers and grasses overwhelm our senses as they were created to do We see ourselves as infinitely small in relation to the universe It puts us in our place as it was created to do We feel overwhelmed with the scope of nature that surrounds us It makes us insignificant That is our place in creation It pushes points and calls us to look beyond the creature we are and the creation in which we live There is a huge learning curve in becoming an effective hunter fisherman conservationist or water fowler The time it takes to learn the game sought habitat instinctual behavior seasons and

The King Descends** Scott B. Koch,2008-12 The dungeon was always that dark place beneath us We prefer to not enter there for the very purpose it serves We prefer to remain above in our understanding appreciation our loves and we deem that to be living But isn t below merely the result of what we do above We remove it from the light and cast it into that darkness so it is unseen so it seems It s there festering and filling up but we can t seal it because we need it so it seems Perhaps the real dungeon is right where we are just as cold

and dark It is this that we need to light up to understand what must be purged and what must be salvaged And what is salvagable God has made and what must be purged man has fostered Scott Koch hails from Phoenixville Pennsylvania Although he was a technical school graduate with honors he never found any of those fields to be inspirational even though his skills are diverse He grew up in a neighborhood with an older brother and a younger sister and brother and was packed with kids He considers himself a spoiled poor kid because of this and the fact that it wasn't far to get to a field woods or a creek or river Of course the fields and woods are gone now so others may have quite a different childhood Our author was always drawn to the abstract or the not so evident but would also express that Van Gogh merely had his grandchild do his paintings because he could do no less Scott now resides in Pottstown PA with his wife Trudy Scott B Koch *8 Hours in Hell* Steve Kang, 2025-10-07 Face the Terrifying Truth of Hell and the Rescue That Changes Everything Is hell real Can there truly be a place of unending torment waiting in the afterlife Society dismisses it as outdated but the truth is far more terrifying and life altering than we dare imagine Steve Kang knows He's been there Raised in a devout Buddhist family Steve was no stranger to ritual and prayer But despite his lifelong search for truth darkness followed him pulling him into a spiral of addiction and despair Then after a near fatal accident Steve was plunged into the depths of hell itself a place of unbearable torment suffocating darkness and merciless demonic forces Trapped and hopeless he experienced the destiny awaiting those who reject salvation firsthand Amid hell's horror a miracle happened Jesus Christ the only One with power to save reached into the darkness and pulled Steve out delivering him from death and setting him on a new path to freedom and purpose Now a pastor and evangelist Steve carries an urgent message hell is real eternity is coming and ignoring this truth can cost everything In this explosive life changing testimony discover how to Confront the shocking reality of hell and understand what's at stake for every soul Experience the unstoppable rescue of Jesus who shatters every chain of darkness Find freedom and hope beyond the grave by embracing the Savior who overcame it Ignite a passion for reaching the lost with the life or death urgency of eternity Stop living as though this life is all there is The battle for souls is raging right now Heaven and hell are real and the choice is yours Will you heed the call *The Love of God* Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *The Holiest of All* Andrew Murray, 2011-07-03 Andrew Murray is one of the most

celebrated spiritual writers of his time Many of his works have stood as spiritual standards for a hundred years This book is a masterful illumination of the pages of the book of Hebrews In every passage Murray sees the purpose of God in the New Covenant to set His very Spirit within us As one of Murray s earliest efforts this book is something of a lost gem It has been little published and even less known But the depth of heart and richness of spiritual revelation shine through these pages Murray s keen insight brings us to the heart of God s intent in sending the Holy Spirit to empower us for the greater works and set within us the power to become the Bride of Christ in the earth
