## **The Orators In Cicero's Brutus Prosopography And Chronology:**

*The Orators in Cicero's Brutus* G.V. Sumner, 1973-12-15 Special problems are presented to prosopographers and historians of the Roman Republic who attempt to determine the chronological structure of Cicero's Brutus. Over two hundred orators who figured actively in Roman politics from the time of the Punic Wars to that of Civil War are cited in the dialogue. Professor Sumner presents their probable birth dates and careers in the form of a register followed by a commentary concentrating on the controversial points in the Brutus to give a systematic basis to our understanding of the problems of the historical aspects of the dialogue and Cicero's organization of it. Professor Sumner has worked primarily from the historian's viewpoint. In his words, the study of the chronological structure of the Brutus should be considered the vertebra of the monograph, but the body of the work is the prosopographical commentary, while the examination of Cicero's prosopographical and chronographic resources and methods is an essential adjunct. For scholars and students of early Rome, this analysis is a valuable addition to current knowledge. *The Orators in Cicero's Brutus* Graham Vincent Sumner, 1973 *The Orators in Cicero's Brutus* G. V. Sumner, 1973 *Brill's Companion to Cicero* James M. May, 2002-09-01 This volume is intended as a companion to the study of Cicero's oratory and rhetoric for both students and experts in the field; for the neophyte, it provides a starting point; for the veteran Ciceronian scholar, a place for renewing the dialogue about issues concerning Ciceronian oratory and rhetoric for all; a site of engagement at various levels with Ciceronian scholarship and bibliography. The book is arranged along roughly chronological lines and covers most aspects of Cicero's oratory and rhetoric. The particular strength of this companion resides in the individual, often very original, approach to sundry topics by an array of impressive contributors, all of whom have spent large portions of their careers concentrating upon the oratorical and rhetorical oeuvre of Cicero. A bibliography of relevant items from the past 25 years, keyed to specific Ciceronian works, completes the volume. *Brill's Companion to Cicero* will become the standard reference work on Cicero for many years. *The Roman World of Cicero's De Oratore* Elaine Fantham, 2004-08-05 *The Roman World of Cicero's De Oratore* offers a wide introduction to Cicero's political and cultural world and illustrates by its analysis of his imaginary dialogue between statesmen how he introduced the principles of Greek philosophy and rhetoric into Roman education so that his work became the basis of humanist ideals in the Renaissance and Enlightenment. *Oratory and Political Career in the Late Roman Republic* Henriette van der Blom, 2016-08-15 *Oratory and Political Career in the Late Roman Republic* is a pioneering investigation into political life in the late Roman Republic. It explores the nature and extent to which Roman politicians embraced oratorical performances as part of their political career and how such performances influenced the careers of individual orators such as Gaius Gracchus, Pompeius Magnus, and Julius Caesar. Through six case studies, this book presents a complex and multifaceted picture of how Roman politicians employed oratory to articulate their personal and political agendas to present themselves to a public obsessed with individual achievement and ultimately to promote their individual careers. By dealing specifically with orators

other than Cicero this study offers much needed alternatives to our understanding of public oratory in Rome Moreover the assessment of the impact of public speeches on the development of political careers provides new perspectives on the hotly debated nature of republican political culture      **The Case for the Prosecution in the Ciceronian Era** Michael C.

Alexander,2002 DIVA reconstruction of the case for the prosecution in the eleven trials in which Cicero delivered an extant defense speech div      **Approaching the Roman Revolution** Ronald Syme,2016-10-27 This volume collects twenty six

previously unpublished studies on Republican history by the late Sir Ronald Syme 1903 1989 drawn from the archive of Syme s papers at the Bodleian Library This set of papers sheds light on aspects of Republican history that were either overlooked or tangentially discussed in Syme s published work They range across a wide spectrum of topics including the political history of the second century BC the age of Sulla the conspiracy of Catiline problems of constitutional law and the Roman conquest of Umbria Each of them makes a distinctive contribution to specific historical problems Taken as a whole they enable us to reach a more comprehensive assessment of Syme s intellectual and historiographical profile The papers are preceded by an introduction that places them within the context of Syme s work and of the current historiography on the Roman Republic and are followed by a full set of bibliographical addenda      **Rhetoric at Rome** M. L. Clarke,2002-09-11

This new edition of M L Clarke s 1953 classic study of Roman rhetoric incorporates corrections and a new introduction by D H Berry The bibliography has been substantially updated and supplemented by suggestions for further reading      **Greek Literature in the Roman Period and in Late Antiquity** Gregory Nagy,2014-01-14 Edited with an introduction by an internationally recognized scholar this nine volume set represents the most exhaustive collection of essential critical writings in the field from studies of the classic works to the history of their reception Bringing together the articles that have shaped modern classical studies the set covers Greek literature in all its genres including history poetry prose oratory and philosophy from the 6th century BC through the Byzantine era Since the study of Greek literature encompasses the roots of all major modern humanities disciplines the collection also includes seminal articles exploring the Greek influence on their development Each volume concludes with a list of recommendations for further reading This collection is an important resource for students and scholars of comparative literature English history philosophy theater and rhetoric as well as the classics      **Reading Republican Oratory** Christa Gray,Andrea Balbo,Richard M. A. Marshall,Catherine E. W.

Steel,2018-02-13 Public speech was a key aspect of politics in Republican Rome both in theory and in practice and recent decades have seen a surge in scholarly discussion of its significance and performance Yet the partial nature of the surviving evidence means that our understanding of its workings is dominated by one man whose texts are the only examples to have survived in complete form since antiquity Cicero This collection of essays aims to broaden our conception of the oratory of the Roman Republic by exploring how it was practiced by individuals other than Cicero whether major statesmen jobbing lawyers or exceptionally the wives of politicians It focuses particularly on the surviving fragments of such oratory with

individual essays tackling the challenges posed both by the partial and often unreliable nature of the evidence about these other Roman orators often known to us chiefly through the tendentious observations of Cicero himself and the complex intersections of the written fragments and the oral phenomenon Collectively the essays are concerned with the methods by which we are able to reconstruct non Ciceronian oratory and the exploration of new ways of interpreting this evidence to tell us about the content context and delivery of those speeches They are arranged into two thematic Parts the first addressing questions of reception selection and transmission and the second those of reconstruction contextualization and interpretation together they represent a comprehensive overview of the non Ciceronian speeches that will be of use to all ancient historians philologists and literary classicists with an interest in the oratory of the Roman Republic **Sallust's <sup>^</sup>IBellum**

**Catilinae<sup>^</sup>R** J. T. Ramsey, 2007-01-27 In his *Bellum Catilinae* C Sallustius Crispus or Sallust 86 35 34 B C recounts the dramatic events of 63 B C when a disgruntled and impoverished nobleman L Sergius Catilina turned to armed revolution after two electoral defeats Among his followers were a group of heavily indebted young aristocrats the Roman poor and a military force in the north of Italy With his trademark archaizing style Sallust skillfully captures the drama of the times including an early morning attempt to assassinate the consul Cicero and two emotionally charged speeches by Julius Caesar and Cato the Younger in a senatorial debate over the fate of the arrested conspirators **Money, Warfare and Power in the Ancient World** Jeremy Armstrong, Arthur J. Pomeroy, David Rosenbloom, 2024-01-11 *Money Warfare and Power in the Ancient World* offers twelve papers analysing the processes consequences and problems involved in the monetization of warfare and its connection to political power in antiquity The contributions explore not only how powerful men and states used money and coinage to achieve their aims but how these aims and methods had often already been shaped by the medium of coined money typically with unintended consequences These complex relationships between money warfare and political power both personal and collective are explored across different cultures and socio political systems around the ancient Mediterranean ranging from Pharaonic Egypt to Late Antique Europe This volume is also a tribute to the life and impact of Professor Matthew Trundle an inspiring teacher and scholar who was devoted to promoting the discipline of Classics in New Zealand and beyond At the time of his death he was writing a book on the wider importance of money in the Greek world A central piece of this research is incorporated into this volume completed by one of his former students Christopher De Lisle Additionally Trundle had situated himself at the centre of a wide ranging conversation on the nature of money and power in antiquity The contributions of scholars of ancient monetization in this volume bring together many of the threads of those conversations further advancing a field which Matthew Trundle had worked so tirelessly to promote **A Companion to Latin Literature** Stephen Harrison, 2008-04-15 *A Companion to Latin Literature* gives an authoritative account of Latin literature from its beginnings in the third century BC through to the end of the second century AD Provides expert overview of the main periods of Latin literary history major genres and key themes Covers all the major Latin works of prose

and poetry from Ennius to Augustine including Lucretius Cicero Catullus Livy Vergil Seneca and Apuleius Includes invaluable reference material dictionary entries on authors chronological chart of political and literary history and an annotated bibliography Serves as both a discursive literary history and a general reference book **Plutarch's Sertorius** C. F. Konrad, 2018-02-01 C F Konrad provides the first book length commentary on Plutarch's Life of Sertorius the work that has shaped most modern interpretations of the man and his career Quintus Sertorius 126-73 B C was a political and military leader during the period of turmoil that ended with the Roman Republic's disintegration just thirty years after his death A major figure on the losing side in the first civil war 87-82 B C he went to Spain to continue the struggle against the ruling senatorial faction with the help of Roman exiles and the native population His military skill was much admired but his increasingly despotic behavior combined with failing luck in the field eventually prompted Sertorius' assassination by his Roman staff One of Plutarch's most austere biographies Sertorius lacks the rich color and wealth of anecdote characteristic of his Antony or Perikles yet it is unsurpassed in its seemingly unbounded sympathy for its subject and is the most substantial source extant on Sertorius By analyzing Plutarch's method and purpose Konrad develops a more critical and less eulogistic view of Sertorius character and his actions during this period The Greek text of Plutarch's biography is included in this book

Remembering the Roman People T. P. Wiseman, 2011-06-30 In the Roman republic only the People could pass laws only the People could elect politicians to office and the very word *republica* meant the People's business So why is it always assumed that the republic was an oligarchy The main reason is that most of what we know about it we know from Cicero a great man and a great writer but also an active right wing politician who took it for granted that what was good for a small minority of self-styled best people *optimates* was good for the republic as a whole T P Wiseman interprets the last century of the republic on the assumption that the People had a coherent political ideology of its own and that the *optimates* with their belief in justified murder were responsible for the breakdown of the republic in civil war **The Quaestorship in the Roman Republic** Francisco Pina Polo, Alejandro Díaz Fernández, 2019-09-23 The lack of evidence has proved to be the greatest obstacle involved in reconstructing the quaestorship and has probably discouraged scholars from undertaking a large scale study of the office As a consequence a comprehensive study of the quaestorship has long been a desideratum this book aims to fill this gap in the scholarship The book contains a study of the quaestorship throughout the Roman Republic both in Italy particularly at Rome and in the overseas provinces It includes a history of the office an analysis of its role within the *cursus honorum* and its larger importance for the Roman constitution as well as the prosopography of all quaestors known during the Republican period based on the literary epigraphic and numismatic evidence The quaestorship was always an office for beginners who aspired to follow a political career and hence served as institutional entrance to the senate Despite their youth quaestors were endowed with functions of great significance at Rome and abroad such as the control and supervision of Rome's finances As the book shows the quaestorship was a prominent and essential part of the Roman

administration      **Servilia and her Family** Susan Treggiari, 2019-01-03 Servilia is often cited as one of the most influential women of the late Roman Republic. Though she was a high born patrician, her grandfather died disgraced and her controversial father was killed before he could stand for the consulship; she herself married twice but both husbands were mediocre. Nevertheless, her position in the ruling class still afforded her significant social and political power, and it is likely that she masterminded the distinguished marriages of her one son Brutus and her three daughters. During her second marriage, she began an affair with Julius Caesar, which probably lasted for the rest of his life and is further indicative of the force of her charm and her exceptional intelligence. The patchiness of the sources means that a full biography is impossible, though in suggesting connections between the available evidence and the speculative possibilities open to women of Servilia's status, this volume aims to offer an insightful reconstruction of her life and position both as a member of the senatorial nobility and within her extended and nuclear family. The best attested period of Servilia's life for which the chief source is Cicero's letters follows the murder of Caesar by her son and her son-in-law Cassius, who were leaders among the crowd of conspirators in the Senate House on the Ides of March in 44 BC. We find her energetically working to protect the assassins' interests, also defending her grandchildren by the Caesarian Lepidus when he was declared a public enemy and his property threatened with confiscation. Exploring the role she played during these turbulent years of the late Republic reveals much about the ways in which Romans of both sexes exerted influence and sought to control outcomes, as well as about the place of women in high society, allowing us to conclude that Servilia wielded her social and political power effectively, though with discretion and within conventional limits.

*The Age of Cinna* Michael Lovano, 2002 The years 91–82 BC witnessed the reforms, factional competition, and civil strife that sowed the seeds of the Republic's eventual destruction. This book investigates that crucial decade in the social and political development of Rome by re-examining the career of L. Cornelius Cinna, one of the most enigmatic, tragic yet fascinating figures in all of Roman history. His regime dominated Rome from 87 to 82 BC. This study attempts to explain how, why, and how successfully Cinna and his faction, as champions of Rome's discontented and obstinate conservatives, dealt with those pressing problems that then plagued Rome. Cinna emerges as a competent military strategist and an astute politician who, through conviction and ambition, rose to head an unusual coalition. His domination was no military despotism; his faction did not exercise absolute or tyrannical authority over the State. Rather, Cinna's regime ensured political and economic stability and preserved and promoted the Roman State at a time when it surely might have collapsed. This work will be of particular service to cautious students looking for up-to-date guidance. *Journal of Roman Studies*

*Social Struggles in Archaic Rome* Kurt A. Raaflaub, 2008-04-15 This widely respected study of social conflicts between the patrician elite and the plebeians in the first centuries of the Roman Republic has now been enhanced by a new chapter on material culture, updates to individual chapters, an updated bibliography, and a new introduction. Analyzes social conflicts between patricians and plebeians in early republican Rome. Includes chapters by

leading scholars from both sides of the Atlantic illuminating social economic legal religious military and political aspects as well as the reliability of historical sources Contributors have written addenda for the new edition updating their chapters in light of recent scholarship

Yeah, reviewing a ebook **The Orators In Ciceros Brutus Prosopography And Chronology** could grow your close contacts listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have fantastic points.

Comprehending as without difficulty as bargain even more than additional will pay for each success. bordering to, the statement as skillfully as insight of this The Orators In Ciceros Brutus Prosopography And Chronology can be taken as competently as picked to act.

### **The Orators In Ciceros Brutus Prosopography And Chronology Introduction**

The Orators In Ciceros Brutus Prosopography And Chronology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Orators In Ciceros Brutus Prosopography And Chronology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Orators In Ciceros Brutus Prosopography And Chronology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Orators In Ciceros Brutus Prosopography And Chronology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Orators In Ciceros Brutus Prosopography And Chronology Offers a diverse range of free eBooks across various genres. The Orators In Ciceros Brutus Prosopography And Chronology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Orators In Ciceros Brutus Prosopography And Chronology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Orators In Ciceros Brutus Prosopography And Chronology, especially related to The Orators In Ciceros Brutus Prosopography And Chronology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Orators In Ciceros Brutus Prosopography And Chronology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Orators In Ciceros Brutus Prosopography And Chronology books or magazines might include. Look for these in online stores or libraries. Remember that while The Orators In Ciceros Brutus Prosopography And Chronology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Orators In Ciceros Brutus Prosopography And Chronology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this

might not be the The Orators In Ciceros Brutus Prosopography And Chronology full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Orators In Ciceros Brutus Prosopography And Chronology eBooks, including some popular titles.

## **FAQs About The Orators In Ciceros Brutus Prosopography And Chronology Books**

1. Where can I buy The Orators In Ciceros Brutus Prosopography And Chronology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Orators In Ciceros Brutus Prosopography And Chronology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Orators In Ciceros Brutus Prosopography And Chronology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Orators In Ciceros Brutus Prosopography And Chronology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Orators In Ciceros Brutus Prosopography And Chronology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
