records the rhythms and texture of everyday life from the early years of the century to 1927 Life was ruled by religion and the Jewish calendar The Bible and its injunctions were their living reality each commandment was obeyed and Sabbath observance was so sacred that rabbinic dispensation had to be obtained before fleeing from the Cossacks on this holy day Dovid Zhager as the author was known in this Yiddish speaking part of the world glories in the details of growing up he explores every irony every twist of fate every historical fact as history rushed past this shtetl sometimes affecting it sometimes just passing by Above all this memoir is about his growing rebellion against God who on the one hand delineates the horizons of his life and gives meaning to it and on the other allows so much suffering and to such God fearing people Two things emerge most clearly firstly the richness of such a devout life which meant that the life of the spirit took precedence over the grinding poverty that co existed with it and secondly the shtetl s lack of preparedness for anything other than religion least of all for the fate that was later to befall it First drafted before the Second World War completed fifty years later and now published for the first time Botchki is a testament to a vanished world Botchki is an unusually sensitive lively and honest account of life in a pre war Polish shtetl It is written with an unsentimental intelligence and considerable narrative flair and its affectionate but candid picture of an Orthodox Jewish milieu illuminates the complexities of a world which we tend to reduce to quaintness or exoticism Eva Hoffman Author of Lost in Translation Exit into History and Shtetl

best friends who she sketches with a master's economy of gesture. Once you start reading Garner you will wonder what the huge space inside your head she occupies used to be there for John Freeman. Best Books of 2016 Literary Hub. A collection of essays and journal entries which include everything from a carefully observed portrait of Rosie Batty to *The Insults of Age* where she details the ways in which older women are disregarded and disrespected but with a confessional twist. For me the best parts are the snippets from her diary and particularly her observations of being an irritated but besotted grandmother. Garner is one of those generous women writers who is prepared to share with you her less redeeming moments in an act of intimacy and empathy with the reader. You won't always agree with Garner's conclusions but how she approaches a question is always interesting. Feminist Reading Picks of 2016. *Age*. She covers topics that others are really afraid of that really penetrate the human condition which is something I admire and that has inspired me in my own work. Virginia Haussegger. Sydney Morning Herald. There are very few writers whose personal essays seem to deepen and widen on a second or even a third or fourth read but Helen Garner is one of them. Her style is inimitable for while its elegance is undeniable its essence is pre-verbal grounded in her intense and unique ways of looking and seeing. *Everywhere I Look* seems the ideal title for her 2016 essay collection. Kerry Goldsworthy. Best Books of 2016 Australian Book Review. Pure delight. It showcases Garner's distinctive voice and her take on the world around her. Her view on things is unpredictable, distinctive and original. Mark Rubbo. Best Books of 2016 Australian Book Review. Garner's *Everywhere I Look* is a generous collection of pitch-perfect sketches and reviews each one taking us with her as she looks really looks at the world around her and registers her response to it. Susan Sheridan. Best Books of 2016 Australian Book Review. It made me cry and laugh and think Garner always reminds me of the power of noticing and the impact of sparse writing. Leigh Sales. This collection of essays by one of Australia's best known authors has the sharp steel edge characteristic of all of Garner's work. Observations are cobbled together in an almost conversational way stopping and starting dealing in trivialities and family moments. Woven amongst the everyday there are recollections of grief, a father's death, a friend's funeral, the heartbreak of being in love with a married man. Garner's gimlet eye is as revealing and clear as ever. Sydney Scoop. Garner shows us something precious and endangered: the nexus of neighbourhoods and neighbourliness, the simple weatherboard houses and the plain local shops in the suburbs of Fitzroy and Moonee Ponds. In the most ordinary suburb as in the most extraordinary marine wilderness what lies beneath is as fascinating as life on the surface. Times Literary Supplement. *Everywhere I Look* is a book full of unexpected moments, sudden shafts of light, piercing intuition, flashes of anger and incidental humour. Both timeless and timely this is a book of wisdom and wonder. Geraldine Brooks. have the ability to find nurture and carry our own inner living light a light to ward off the darkness This is not about burning brightly it s about yielding a more simple phosphorescence being luminous having stored light for later use Staying alive remaining upright even when lashed by doubt After surviving a difficult heartbreak and battle with cancer acclaimed author and columnist Julia Baird began thinking deeply about how we as people persevere through the most challenging circumstances She started to wonder when we are overwhelmed by illness loss or pain or a tragedy outside our control How can we keep putting one foot in front of the other Baird went in search of the magic that fuels the light within our own phosphorescence In this stunning book she reflects on the things that lit her way through the darkness especially the surprising strength found in connecting with nature and not just experiencing awe and wonder about the world around her but deliberately hunting it daily Baird also writes about crossbeams of resilience nurturing friendships and a quiet faith pursuing silence fighting for what she believes in the importance of feeling small learning from her mother s example of stoic grace She also explores how others nurture their inner light interviewing the founder of the modern forest therapy movement in Tokyo a jellyfish scientist in Tasmania and a tattooed priest from Colorado among others Weaving together candid and moving memoir with deep research and reflections on nature and the world around her Baird inspires readers to embrace new habits and to adopt a phosphorescent outlook on life to illuminate ourselves and our days even in the darkest times

**Rewriting God** Elaine Lindsay,2021-11-22 Women are rarely if ever mentioned in commentaries upon Australian Christianity and spirituality Only exceptional women are recognized as authorities on religious matters Why is this so Does it matter Don t people from the same religious tradition share similar experiences of the divine regardless of their

gender Rewriting God asks whether women have been writing about the divine and whether their insights are different from those contained in malestream accounts of Australian Christianity and spirituality An analysis of the writings of popular theologians and religious commentators over the last twenty years suggests that the most popular form of spirituality among Australian theologians is Desert Spirituality An analysis of women s autobiographical writings however suggests that the desert is irrelevant to many women s spiritual experiences This book through a close investigation of the fictions of Thea Astley Elizabeth Jolley and Barbara Hanrahan attempts to posit alternative forms of women s spirituality and to signal ways in which this spirituality is already being expressed From the evidence gathered here it becomes obvious that traditional expressions of Australian Christianity and spirituality are gender specific and that they have functioned to deny women s religious experiences and to silence their claims to equality in the sight and service of the divine It becomes obvious too that women have been developing their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point

Trevor White, 2017-09-28 The first biography of the beloved long time Lord Mayor of Dublin Alfie Byrne was that rarest of things a genuinely popular politician He is still a figure of legend in Dublin where he was elected Lord Mayor ten times He was also a TD and a Senator and only a backroom deal prevented him from contesting the race to become the first President of Ireland a race he would have been favourite to win Rising from inner city Dublin to become known as the Lord Mayor of Ireland he was a truly remarkable figure And yet there has never been a biography of Alfie Byrne until now Trevor White's sparkling book tells the story of a man of many parts and contradictions He was an urbane man of the world who left school at thirteen He was a teetotal publican He was a Parnellite who opposed violence but he was sympathetic to the Easter rebels His politics were fundamentally conservative but he was deeply devoted to the poor of his native city This is the story of an energetic young man who offered to lead his community and refused to stop governing for forty years His ambition and charm won admirers in the great cities of the world and in the tenements of Ireland's capital At his best he represented and encouraged a broader understanding of what it means to be Irish And through it all he was a great personality the living embodiment of Dublin Not just the definitive biography of the definitive Dubliner Alfie is a wonderfully written social political and cultural history of the country through the capital's most famous son through a tumultuous half century At last justice has been done to the legend that was Alfie Byrne Joe Duffy Trevor White brings Alfie Byrne vividly to life in the pages of his elegant new biography Leo Varadkar Sunday Independent White has found a deliciously rich seam to mine in Alfie Byrne Byrne's Dublin is revived in glorious Technicolor and with much affection It's a lively boisterous contradictory occasionally maddening place Much like the man himself really Irish Times Hugely entertaining This is the first proper account of his life and it's bolstered by White's access to Byrne's family papers Irish Independent Peppered with delectable anecdotes Well researched and spryly written this is an elegant account of one of our capital city's half forgotten sons Sunday Business Post This enormously enjoyable biography doesn't seek to canonise Alfie or to demonise him It does what all good biographies should which is simply to tell us the protagonist's true story and it does what all great biographies should do which is to make that story a delight to read Irish Daily Mail Alfie could easily have been a sentimental rags to riches story about the son of a docker who escaped Sean O'Casey's long haggard corridors of rottenness and ruin to become a minor power broker among the bankers and lawyers while living in a Dublin 6 pile Instead White who admires his quarry doesn't pull punches when it comes to describing how the career of the genial Byrne eventually lost steam Sunday Times Brilliantly told an inimitable portrait of Dublin for the forty two years 1914-56 that Alfie dominated the political scene Cara Trevor White has done today's citizenry some service in providing us with a balanced and well researched account of the phenomenon that was
