HUGHES

The Ordeal Of Power A Political Memoir Of The Eisenhower Years

Alfred Goldberg, Steven L. Rearden

The Ordeal Of Power A Political Memoir Of The Eisenhower Years:

The Ordeal of Power Emmet John Hughes, 1964 **The Eisenhower Presidency, 1953-1961** Richard Damms, 2016-09-17 This seminar study examines the Eisenhower presidency The author argues that the presidency marked an important stage in the evolution of modern America but left a decidedly mixed legacy for future presidents Domestically Eisenhower pursued a middle way Imbued with a profound distrust of politics and politicians Eisenhower sought as much as possible to concentrate public policy making in the hands of an enlightened elite of public and private experts Internationally Eisenhower's policies exacerbated the nuclear arms race institutionalised the Cold War and extended the East West struggles to new arenas in the Third World This new account offers an up to date synthesis of this newly emerging literature and reviews Eisenhower's record from the mishandling of the Civil Rights movement to the escalation of the arms race and the intensification of the Cold War *Ike in Love and War* Richard Striner, 2023-09-12 Dwight D Eisenhower is one of America's greatest and least appreciated presidents Behind the demeanor that made Dwight D Ike Eisenhower so popular was a cold as steel intelligence that kept his country prosperous and out of danger Because his operating methods were so deeply hidden it is only in the past few decades that historians have grasped the full extent of his achievements *Ike in Love and War* shows the hidden sacrifices that made Eisenhower remarkable It probes the mission that was driving him the quest to reconcile his skill as a fighter with his mother's pacifism which led him to become the greatest peacekeeper of his age More than other biographies this one explores the man's emotions It puts the long standing dispute about his romance with Kay Summersby in a new perspective tragedy Here is the story of a unique American the passion and brilliance he kept concealed the ambition that propelled him the sacrifices that wore down his health and the sheer self mastery that made it all look easy It never was His achievements are timely as Americans face unprecedented dangers This is the story of the world Ike made the things he achieved and the surprises that may still be in store for us as we strive to understand his life in full

Presidents Who Shaped the American West Glenda Riley, Richard W. Etulain, 2018-02-08 Generations of Americans have seen the West as beyond federal control and direction But the national government's presence in the West dates to before Lewis and Clark and since 1789 a number of U S presidents have had a penetrating and long lasting impact on the region In *Presidents Who Shaped the American West* noted historians Glenda Riley and Richard W Etulain present startling analyses of chief executives and their policies illuminating the long reach of presidential power The authors begin each chapter by sketching a particular president's biography and explaining the political context in which he operated while in office They then consider overarching actions and policies that affected both the nation and the region during the president's administration such as Thomas Jefferson's augmentation of the West via the Louisiana Purchase and Andrew Jackson's removal of American Indians from the Southeast to Indian Country in the West Abraham Lincoln's promotion of the Homestead Act a transcontinental railroad and western territories and states free of slavery marked further extensions of

presidential power in the region Theodore Roosevelt's conservation efforts and Jimmy Carter's expansion of earlier policies reflected growing public concern with the West's finite natural resources and fragile natural environment Franklin D Roosevelt's New Deal Dwight D Eisenhower's highway program and Lyndon B Johnson's Great Society funneled federal funding into the West In return for this largesse some argued the West paid the price of increased federal hegemony and Ronald Reagan's presidency arguably curbed that power Riley and Etulain also discuss the most recent presidential terms and the region's growing political power in Congress and the federal bureaucracy With an accessible approach Presidents Who Shaped the American West establishes the crucial and formative nature of the relationship between the White House and the West and will encourage readers to continue examining this relationship The Last Days of Stalin Joshua Rubenstein, 2016-01-01 Monografie over de laatste maanden in het leven van Stalin en de periode daarna **Packaging The Presidency** Kathleen Hall Jamieson, 1996-06-20 Packaging the Presidency Third Edition is now completely updated to offer the only comprehensive study of the history and effects of political advertising in the United States Noted political critic Kathleen Hall Jamieson traces the development of presidential campaigning from early political songs and slogans through newsprint and radio and up to the inevitable history of presidential campaigning on television from Eisenhower to Clinton The book also covers important issues in the debate about political advertising by touching on the development of laws governing political advertising as well as how such advertising reflects and at the same time helps to create the nature of the American political office Finally current public concerns about political advertising are addressed as Jamieson raises the topic of ads dealing mainly in images rather than issues and of political aspirations becoming increasingly only for the rich who can afford the enormous cost of television advertising **Waging Peace** Robert R. Bowie, Richard H. Immerman, 2000 Waging Peace offers the first fully comprehensive study of Eisenhower's New Look program of national security which provided the groundwork for the next three decades of America's Cold War strategy Though the Cold War itself and the idea of containment originated under Truman it was left to Eisenhower to develop the first coherent and sustainable strategy for addressing the issues unique to the nuclear age To this end he designated a decision making system centered around the National Security Council to take full advantage of the expertise and data from various departments and agencies and of the judgment of his principal advisors The result was the formation of a long haul strategy of preventing war and Soviet expansion and of mitigating Soviet hostility Only now in the aftermath of the Cold War can Eisenhower's achievement be fully appreciated This book will be of much interest to scholars and students of the Eisenhower era diplomatic history the Cold War and contemporary foreign policy **My Fellow Americans** Michael Waldman, Twilight War Mike Moore, 2008-03-03 Considering the historical background of space militarization and providing an overview of the United States efforts to militarily dominate space since the dawn of the space age this book argues that America must either ensure that space related weapons are verifiably banned for all nations through an international treaty or definitively choose a policy

of unilateral space dominance that may lead to an arms race in space and possibly to another cold war The 1967 Outer Space Treaty designated space as the province of all mankind It expressly prohibited nuclear and non nuclear weapons of mass destruction in orbital space and exclusively limited the use of the Moon and other celestial bodies for peaceful purposes But changes in the post Cold War world as well as unforeseeable advances in satellite and weapons technologies have compelled every space faring nation save the U S and Israel to go on record as favoring a new treaty for the Prevention of an Arms Race in Outer Space In Twilight War The Folly of U S Space Dominance Mike Moore former editor of The Bulletin of the Atomic Scientists argues that the U S merely provokes conflict when it presumes to be the exception to the rule Rejecting treaty negotiations while further militarizing space renders America unable to lead by example Moore concludes that instead of trying to stop an arms race in space by starting one the U S must radically rethink its strategy *History of the Office of the Secretary of Defense* Alfred Goldberg, Steven L. Rearden, 1984 *The Presidency of Dwight D. Eisenhower* Chester J. Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency Stephen E Ambrose author of Eisenhower **The Presidential Campaign** Stephen Hess, 2010-12-01 Comments on the previous editions Hess brings not only first rate credentials but a cool dispassionate perspective an incisive analytical approach and a willingness to stick his neck out in making judgments American Political Science Review This book is a timely and useful launching device for classroom or civic discussions of this important political process Perspective In barely over a hundred pages of smooth and easy prose Hess manages to cover a large number of campaign topics Refusing to get bogged down in mechanics or trivia he constantly reverts to the connection between the character of the electoral process and the caliber of the men who flourish in it Polity **A Companion to Dwight D. Eisenhower** Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history *Divided Allies* Thomas K. Robb, David James Gill, 2019-11-15 By directly challenging existing accounts of post World War II relations among the United States of America the United Kingdom Australia and New Zealand Divided Allies is a significant contribution to transnational and diplomatic history At its heart Divided Allies examines why strategic cooperation among these closely allied Western powers in the Asia Pacific region was limited during the early Cold War Thomas K Robb and David James Gill probe the difficulties of security cooperation as

the leadership of these four states balanced intramural competition with the need to develop a common strategy against the Soviet Union and the new communist power the People's Republic of China. Robb and Gill expose contention and disorganization among non-communist allies in the early phase of containment strategy in Asia Pacific. In particular, the authors note the significance of economic, racial, and cultural elements to planning for regional security and they highlight how these domestic matters resulted in international disorganization. *Divided Allies* shows that amidst these contentious relations, the antipodean powers Australia and New Zealand occupied an important role in the region and successfully utilized quadrilateral diplomacy to advance their own national interests such as the crafting of the 1951 ANZUS collective security treaty. As fractious as were allied relations in the early days of NATO, Robb and Gill demonstrate that the post-World War II Asia Pacific was as contentious and that Britain and the commonwealth nations were necessary partners in the development of early global Cold War strategy.

Regulation of Armaments, Atomic Energy, 1990 *Grand Improvisation* Derek Leebaert, 2024-05-01 A new understanding of the postwar power struggle between the fading British Empire and the rising American superpower with insights for today. Riveting. *The Wall Street Journal*. An enduring myth of the twentieth century is that the United States rapidly became a superpower in the years after World War II when the British Empire, the greatest in history, was too wounded to maintain a global presence. In fact, Derek Leebaert argues in *Grand Improvisation*, the idea that a traditionally insular United States suddenly transformed itself into the leader of the free world is illusory, as is the notion that the British colossus was compelled to retreat. The United States and the U.K. had a dozen abrasive years until Washington issued a declaration of independence from British influence. Only then did America explicitly assume leadership of the world order just taking shape. Leebaert's character-driven narrative shows such figures as Churchill, Truman, Eisenhower, and Kennan in an entirely new light while unveiling players of at least equal weight on pivotal events. Little unfolded as historians believe: the Truman Doctrine and the Marshall Plan, the Korean War, America's descent into Vietnam. Instead, we see nonstop US improvisation until America finally lost all caution and embraced obligations worldwide, a burden we bear today. Understanding all of this properly is vital to understanding the rise and fall of superpowers, why we're now skeptical of commitments overseas, how the Middle East plunged into disorder, why Europe is fracturing, what China intends, and the ongoing perils to the US world role. A sturdy exploration of the lesser-known aspects of the Cold War focusing on the rivalry between allies as much as enemies. Kirkus Reviews. Rich with revealing details, anecdotes, and brilliantly wrought portraits of the key personalities. Lively and entertaining, this book will change the way we look at the immediate postwar years. Liaquat Ahamed, Pulitzer Prize-winning author of *Lords of Finance*. *Presidents and Protestors* Theodore Windt, 1991-12-19 Windt's fresh interpretations are based on solid rhetorical analysis. A fine work that makes a valuable contribution to the field both in methodology and findings. Robert V. Friedenberg **Grand Expectations** James T. Patterson, 1996 Interweaving key cultural, economic, social, and political events, a history of the United States in the post-World

War II era ranges from 1945 through a turbulent period of economic growth and social upheaval to Watergate and Nixon's 1974 resignation

Maximalist Stephen Sestanovich, 2014-10-14 American foreign policy since World War II has long been seen primarily as a story of strong and successful alliances domestic consensus and continuity from one administration to the next Why then have so many presidents left office condemned for their foreign policy record In his fresh and compelling history of America's rise to dominance Stephen Sestanovich makes clear that U.S. diplomacy has always stirred controversy both at home and abroad He shows how successive administrations have struggled to find new solutions alternating between bold maximalist strategies and retrenchment efforts to downsize America's role Almost all our presidents emerge from this vivid retelling in a sharp and unexpected light

Syria and the USA Sami Moubayed, 2012-02-07 The conclusion of World War I and the subsequent breakup of the Ottoman Empire led to the independence of a number of Arab nations and resulted in a Western scramble for roles of control and influence over them It was not until after World War I that Syria and the United States had a formal diplomatic relationship prior to then the only Americans who had developed a relationship with the nation were missionaries particularly those involved with the Syrian Protestant College established in 1866 The collapse of the Ottoman Empire however single handedly brought Syria into the sphere of influence of the Western world and as Sami Moubayed here illustrates particularly that of the United States The relationship between the two nations was by no means uncomplicated and there were a number of challenges from the years following World War I to the early years of the Cold War Though relations were warm between the United States and Syria while Emir Faisal was ensconced in Damascus Washington saw little point in pursuing an American Arab alliance and Faisal's reputation suffered greatly as a result of his relationship with Wilson particularly with respect to his stance on the creation of a Jewish state in Palestine Relations cooled between the two nations during the presidencies of both Warren Harding and Calvin Coolidge neither of whom saw any value in being involved in Middle East affairs However with the discovery of large oil reserves in the Middle East as well as Syria's siding with the Allies and declaring war on Nazi Germany interest in the American Syrian relationship was greatly revived As quickly as the relationship warmed though it also cooled in the aftermath of World War II the United States was linked to involvement in a series of coups and counter coups that destabilized Syria from 1949 until the Syrian Egyptian union of 1958 Furthermore Washington's initially benevolent attitude towards the right to self determination gradually evolved into one of manipulation espionage and covert activity during the Cold War when the US considered Syria as a Soviet proxy in the Middle East The forty years between 1919 and 1959 saw the creation and unravelling of America's relationship with Syria In this book Moubayed brilliantly explores the events of these years and using original research and previously unpublished material sheds light on an often overlooked subject Syria and the USA is an essential read for scholars of the Middle East US diplomatic history and twentieth century international relations

The Ordeal Of Power A Political Memoir Of The Eisenhower Years Introduction

The Ordeal Of Power A Political Memoir Of The Eisenhower Years Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Ordeal Of Power A Political Memoir Of The Eisenhower Years Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Ordeal Of Power A Political Memoir Of The Eisenhower Years : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Ordeal Of Power A Political Memoir Of The Eisenhower Years : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Ordeal Of Power A Political Memoir Of The Eisenhower Years Offers a diverse range of free eBooks across various genres. The Ordeal Of Power A Political Memoir Of The Eisenhower Years Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Ordeal Of Power A Political Memoir Of The Eisenhower Years Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Ordeal Of Power A Political Memoir Of The Eisenhower Years, especially related to The Ordeal Of Power A Political Memoir Of The Eisenhower Years, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Ordeal Of Power A Political Memoir Of The Eisenhower Years, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Ordeal Of Power A Political Memoir Of The Eisenhower Years books or magazines might include. Look for these in online stores or libraries. Remember that while The Ordeal Of Power A Political Memoir Of The Eisenhower Years, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Ordeal Of Power A Political Memoir Of The Eisenhower Years eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Ordeal Of Power A Political Memoir Of The Eisenhower Years full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Ordeal Of Power A Political Memoir Of The Eisenhower Years

eBooks, including some popular titles.

FAQs About The Ordeal Of Power A Political Memoir Of The Eisenhower Years Books

What is a The Ordeal Of Power A Political Memoir Of The Eisenhower Years PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Ordeal Of Power A Political Memoir Of The Eisenhower Years PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Ordeal Of Power A Political Memoir Of The Eisenhower Years PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Ordeal Of Power A Political Memoir Of The Eisenhower Years PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Ordeal Of Power A Political Memoir Of The Eisenhower Years PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
