Excerpt from *The Oregon Territory Its History and Discovery* The object which the author had in view in instituting the accompanying inquiry into the historical facts and the negotiations connected with the Oregon Territory was to contribute as tar as his individual services night avail to the peaceful solution of the question at issue between the United States of America and Great Britain He could not resist the conviction on reading several able treatises on the subject that the case of the United States had been overstated by her writers and negotiators and the perusal of Mr Greenhow s Official Memoir and subsequent history of Oregon and California confirmed him in this impression as they sought to establish more than was consistent with the acknowledged difficulty of a question which has now been the subject of four fruitless negotiations He determined in consequence of this conviction to investigate carefully the records of ancient discoveries and other matters of history connected with the north west coast of America concerning which much contradictory statement is to be met with in writers of acknowledged reputation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
