Many people who adopt a gluten-free eating plan end up abandoning attempts to get their children on board due to tantrums and huge resistance when it comes to forgoing all the sugary, gluten-stuffed foods they have become accustomed to eating. For me, there is no point to this. If you believe in it strongly enough to adopt its principles for yourself, it is even more important for your kids. Some people have told me they just can't deal with the upset that comes when they refuse to allow their children to eat chocolates and chips, and so they give in. So I got thinking and have devised a fool-proof methodology that I am going to share with you to facilitate your quest for an organic, gluten-free family, starting from Baby or starting with a Toddler who may already have developed a taste for forbidden fruits.
