The Orientalistes De Lecole Italienne:

Les orientalistes de l'école italienne Caroline Juler, 1994 Les orientalistes de l'école américaine Gerald M. Ackerman, 1994 Between 1843 and 1922 American artists travelled to the Near East and North Africa painting all that they discovered Edwin Lord Weeks and Frederick Bridgman are amongst the most famous but there was also Francis Bacon Samuel Colman Swain Gifford and many others who specialised in Oriental compositions Through their biographies activities and travels the author has endeavoured to let the artists speak for themselves narrating their adventures and explaining their objectives aided by correspondence travel journals and various articles and books **Les Orientalists De L'ecole**

Britannique Gerald M. Ackerman, 1991 The common denominator linking the artists in this book is that they all went to the Near East or North Africa and painted the experiences drawn from their travels The Orient in question covers a geographic area which spreads from the Balkans through the Maghreb down to Marrakech Turkey Syria Lebanon Palestine Egypt and Sudan were a part of this vast territory as well This covering of the Orient occurred during the 19th century in between Bonaparte's campaign in Egypt and the First World War Text in French Les orientalistes de l'école espagnole Eduardo Dizio, 1997 Il est généralement admis que l'Orientalisme est la représentation que l'Occident se fait de l'Orient depuis les débuts du XIXe siècle Les conditions historiques propres à chaque pays conditionnent ce mode de représentation et en cela l'Orientalisme espagnol se distingue des autres en raison des relations particulières de la péninsule Ibérique avec l'Orient En effet une grande partie de son territoire qu'on appela Al Andalus participa longuement et intensément aux avatars historiques et culturels du monde oriental et d'une manière générale la culture arabo-islamique Cet ouvrage se propose de présenter un vaste répertoire d'œuvres et de biographies de peintres orientalistes espagnols pour faire mieux connaître cet aspect intéressant et assez peu connu de la peinture espagnole *American Orientalists* Gerald M. Ackerman, 1994 Between 1843 and

1922 American artists travelled to the Near East and North Africa painting all that they discovered Edwin Lord Weeks and Frederick Bridgman are amongst the most famous but there was also Francis Bacon Samuel Colman Swain Gifford and
