## **The Original Man:**

Worship Is the Road to Revival Robert E. Webber, 2024-11-19 Are we too comfortable with traditional forms of worship Are these forms truly historical or are they man made distortions of God's prescribed ecclesial order Do our accepted methods work against the functioning of the local church in its mission to evangelize and disciple rather than enhance it Join Dr Robert E Webber in this compilation of previously published articles and uncollected addresses as he discusses with characteristic humor and candor the diverse aspects of ancient and contemporary worship practices from the church in its infancy to the advent of the contemporary megachurch movement As in his many books including *Worship is a Verb* and *Worship Old New* Webber explores the attitudes and liturgies through which we approach a loving God Webber might infuriate or delight or both but he always stimulates
