The Orphans Of Carmarthen:

The Orphans of Carmarthen W. B. Baker, 2001-07-02 A beautiful tale about an equally majestic culture effortlessly revealed by a writer with a masterful command of language Best of Carmarthen Carmarthen Wales A fantastic novel and a must read for any native of Wales Not only are the characters of the people and land portrayed in beautiful lyrical writing the spirit of Wales becomes very nearly tangible in this great novel This work is replete with local superstitions myths and legends giving the reader a clear insight into the heart and mind of a nation Dragons Under Carmarthen Westminster England A stunning depiction of post Roman Wales The Orphans of Carmarthen captures the natural magic of the rolling countryside The author is a master of exposition using words to great effect in painting the poverty and beauty of post Roman Carmarthen His knowledge of the local superstitions myths and archaeological evidence is remarkably thorough and woven throughout the adventures of the small boy and his dog Having been to Carmarthen on several occasions this book touched the familiar fond memories and painted the hills along the Towy as well as any artist might have done While pastoral and tranquil in depicting the love between the pair the battle of the dragons was nothing short of spectacular a compelling depiction of pre Christian Wales The author triumphs in creating a work of fiction entirely appropriate to the historical environment while embracing the regional superstitions and legends of a long forgotten age Gary Mitchell SPX Emrys then turned for one last glance and glimpse of the majestic grappling dragons How eloquently their unspoken wrath pronounced the finite matched confrontation of evil and good how gloriously their encapsulated metaphor for mastery simply diminished all the earth both above and here beneath Here was in simile the eternal struggle all men fought played out in bloody violent terms the whole of humankind might understand A battle that Emrys surmised neither the red nor white would ever win the character of each defined within and perhaps only by the confines of their struggle Perchance the pair were true champions of the gods with no purposed intent other than to fight surviving but to hold the other one at bay their existence only ratified in that the crimson was everything the white one realised he was not and conversely the ashened dragon only what the red might never be As he turned to take his leave Emrys pondered if either was truly virtuous or depraved if character even among beasts might be so easily resolved Neither yielded when in pain nor took advantage when its opponent fell as if each knew full well that one without the other must but eventually die Only through their magnificent struggle was strength actually verified only in this savage conflict was the character of each truly defined The regions of Wales have long been the source of timeless legends stories that somewhere in mankind s memory and dreams might well be based in fact Just such a legend is the ancient account of a fatherless boy who lived near Carmarthen an orphaned child who shunned the companionship of men who lived among wizards and fantastic dragons whose solitary life changed the course of one nation s destiny The counties of Clwyd Dyfed Gwent Powys and Gwynedd are as distinct in features as the five oceans while remaining as inseparable in character as the five points of a single star Likewise the separate valleys of Glamorgan while sharing a

common inclusive mythological history distinguish themselves from each other within the specifics of folklore and legend The Orphans of Carmarthen concerns itself with the sociological and religious climate of the Towy Ordeal of the Dragon W. B. Baker, 2005-12-23 In this time of Harry Potter mania and its associated popular magic of surface spells and incantations it is refreshing to encounter an author with so vivid a command of the language Indeed the language is infused with vibrant images and metaphors that portray the people and the land in fine lyrical writing In a style that draws from the full rich well of old language the author conveys the reader into a world that appears to be at first glance more impressionistic than real Wales in all of its glory rises in the readers imagination while capturing the heart and soul of the country And yet the themes and struggles are contemporary with this 21st Millennium harking to the consciousness of all humankind The reader stops to ponder and then begins to remember that these enduring images come from the human soul not constrained by any epoch or era These works come from an author who is providing an outstanding recognition of the United Kingdom and its life history and people Literature is the vehicle far beyond the transitory cinema of contemporary life which provides depth for his audience Dr Baker challenges the reader to understand these tales for their immediate pleasures as well as for their deeper meanings In this he accomplishes the best that his art can and should do to mirror the human condition Daniel Paul Larson D M A Vice President for Instruction MVCC State University of New York BRILLIANT A Bloody Good Read Douglas Neal MRCVS W B Bakers novels may well be among the finest examples of representative literature of the region From a nation renown for dramatic warrior poets comes this authors third novel of Carmarthen a stunning combination of narrative melded with the extraordinarily vivid imagery we have come to expect from this award winning writer Ordeal Of The Dragon resumes the tale of Myrddin Emrys Merlin as a child in Wales integrating exceptionally strong characters with a remarkable knowledge of superstition myth and religion to create a fantastic realm of murder vengeance and personal redemption A beautifully crafted and equally majestic effort Teresa McAlister Knight Ridder Eloquent Powerful and Articulate New York The haunting tale of a young boy and his love for a dog within which are couched the secrets of the universe Once again W B Baker reveals the wonders of Carmarthen and the whole of Britain to the World Priory Road Carmarthen Carmarthenshire Wales Ordeal Of The Dragon like The Orphans Of Carmarthen and Vault Of The Griffin before it transcends the delicate boundaries of religious and historical perceptions compelling readers to consider and take stock of their personal interpretations of reality A stunning philosophical success and ideological examination where inspirational axioms are subtly imbedded within the vibrant images and metaphors of classic gothic themes The superbly devised religion of the Banfith Priestesses is a triumph unto itself revealing the authors meticulous attention to detail as much as Bakers facility for conceptual ideology Correlations between astronomical observances religious ceremonies and classical Welsh mythology demonstrated in the extensive research necessary to conceive the Banfith religion does each of us Brits quite proud Bloomsbury London England **A Copy of the Marquiss of Carmarthen's Method for the Speedy Manning Her**

Baker,2004-08-16 Inspiring and Utterly Brilliant Storytelling London England Eagerly awaited sequel to The Orphans of Carmarthen Vault of the Griffin re introduces the reader to fifth century Britain A fantastic descent into the bowels of the cavernous empire of the White Griffin Bakers latest novel is a devastatingly candid and brilliant commentary on human nature The pastoral countryside of Wales is painted in broad and exceptional vistas the author skillfully employing language to exemplify the struggle between great concepts of ideology and theology most capably illustrated against a backdrop of poverty and classical mythology Once again this internationally acclaimed writer validates his reputation as a master of literary exposition Ruth Ryland the pair try to endure as best they can outside the influence of civilisation where only an ancient Banfith witch takes any interest in their survival W B Baker surpasses himself with the creation of an entirely believable functional religion of the Banfith Witches demonstrating not only a masterful command of the English language but revealing astounding insight into theoretical theology Within the realm of conceptual mythology this writer is conspicuously one of the most intuitive authors of the genre Idyllic conceptual thinking imparted in a beautiful tale of a boy and his little dog Emotions envelop the reader completely and swathe ones consciousness with the realization that on the odd occasion grandeur and brilliance of sentiment lie far beyond our ability to express Vault of the Griffin is one of those rare exceptional examples Lazaro Espinoza As soon as the lad had submerged under the surface he started crawling frantically through the fluff toward the fissure on the border arriving there just as the weight of the griffin landed in the centre and tried to stomp the very life out of him Emrys wriggled through the fissure at the edge as the massive neck hurled its mighty weapon into the down snapping blindly shut with the hope that the megalithic beast might yet catch the thief within its nest By the time the griffin finished threshing the feathered pallet apart and raised its head a second time for a better look about the lad had already scooted through the flaw in the nest and was halfway across the clearing Running for his life trying to dart about like a rat or vole amidst the cracked towers of crystal Emrys made a frantic dash for the tiny fissure he had spied within the sandstone wall Enraged the behemoth leapt upon the rim of the crystal parapet and vaulted twice its entire body length in a single leap snapping its savage beak closed upon feeble shards of crystal only inches from the boy Emrys dove headfirst into the cavity just as the powerful serrated beak managed to clear the rock formation and snap shut slicing through the crystal like a cleaver and just glancing off Emrys left leg The boy screamed in agony as the zigzag edge of the bill caught the slackness of his skin though he could not even hear his own shriek for the one emitted from the griffin as it realised that it had narrowly missed its prey Vault of the Griffin is based upon the actual legends and ancient superstitions of Carmarthen W *Years's Transactions of the Carmarthenshire Antiquarian Society and Field Club ...
