The Oscar Hammerstein II Collection:

The Letters of Oscar Hammerstein II Oscar Hammerstein (II), Mark Eden Horowitz, 2022 Oscar Hammerstein II is arguably the greatest innovator in the history of American musical theater. This rich collection of his letters not only sheds light on the Golden Age of Broadway theater and its major figures but also reveals a man with a fine sense of humor who was deeply engaged in social activism. *The Complete Lyrics of Oscar Hammerstein II* Oscar Hammerstein II, 2008-11-25 From every beautiful mornin' to some enchanted evening the songs of Oscar Hammerstein II are part of our daily lives; his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake Oscar Hammerstein II, he breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg), and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943 Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre: the musical play, and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical, *State Fair*, and one for television, *Cinderella*. Collectively, their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove, sometimes against fashion, to seek out the good and beautiful in the world. I know the world is filled with troubles and many injustices, he once said. But reality is as beautiful as it is ugly. I just couldn't write anything without hope in it. All of his lyrics are here: 850 more than a quarter published for the first time in this sixth book in the indispensable *Complete Lyrics* series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric, *Edelweiss*, we can see, read, and yes, sing the words of a theatrical and lyrical genius.

Oscar Hammerstein II and the Invention of the Musical Laurie Winer, 2023-01-31 A new look at artist Oscar Hammerstein II as a pivotal and underestimated force in the creation of modern American culture. You know his work: *Show Boat*, *Oklahoma!*, *Carousel*, *The King and I*. But you don't really know Oscar Hammerstein II, the man who more than anyone else invented the American musical. Among the most commercially successful artists of his time, he was a fighter for social justice who constantly prodded his audiences to be better than they were. Diving deep into Hammerstein's life, examining his papers and his lyrics, critic Laurie Winer shows how he orchestrated a collective reimagining of America, urging it forward with a subtly

progressive vision of the relationship between country and city rich and poor America and the rest of the world His rejection of bitterness his openness to strangers and his optimistic humor shaped not only the musical but the American dream itself His vision can continue to be a touchstone to this day Music of the Night Ian Bradley,2025-04-15 Bradley uncovers a hidden side of operetta and musical theatre He highlights the significant religious and spiritual influences which pervade the work of composers and librettists such as Offenbach Leh r Gilbert Sullivan and Sondheim South Pacific Jim Lovensheimer,2010-08-26 Rodgers and Hammerstein s Tony and Pulitzer Prize winning musical South Pacific has remained a mainstay of the American musical theater since it opened in 1949 and its powerful message about racial intolerance continues to resonate with twenty first century audiences Drawing on extensive research in the Rodgers and the Hammerstein papers including Hammerstein s personal notes on James A Michener s Tales of the South Pacific Jim Lovensheimer offers a fascinating reading of South Pacific that explores the show s complex messages and demonstrates how the presentation of those messages changed throughout the creative process Indeed the author shows how Rodgers and especially Hammerstein continually refined and softened the theme of racial intolerance until it was more acceptable to mainstream Broadway audiences Likewise Lovensheimer describes the treatment of gender and colonialism in the musical tracing how it both reflected and challenged early Cold War Era American norms The book also offers valuable background to the writing of South Pacific exploring the earlier careers of both Rodgers and Hammerstein showing how they frequently explored serious social issues in their other works and discussing their involvement in the political movements of their day such as Hammerstein s founding membership in the Hollywood Anti Nazi League Finally the book features many wonderful appendices including two that compare the original draft and final form of the classic songs I m Gonna Wash That Man Right Out a My Hair and I m In Love With a Wonderful Guy Thoroughly researched and compellingly written this superb book offers a rich intriguing portrait of a Broadway masterpiece and the era in which it was created **Hammersteins** Oscar Andrew Hammerstein,2013-08-09 The remarkable unprecedented biography of the Hammersteins Broadway s greatest and most influential family as told by Oscar Andrew Hammerstein The Hammersteins is the story of one of Broadway s most creative and productive families It is a story that begins in 1864 when Oscar Hammerstein I emigrates to America establishes himself as a successful cigar merchant and turns his attention to the business of music and theaters He builds many theaters including New York s most majestic opera house He turns Times Square then Longacre Square into the theater capital of the world His sons Willie and Arthur carry on the tradition and nurture such talents as Will Rogers W C Fields Al Jolson Houdini and Charlie Chaplin Willie s son Oscar II becomes the most successful lyricist of all time writing the story and words to the Broadway shows Showboat Oklahoma South Pacific Carousel The King and I and The Sound of Music The accomplishments of this family are monumental Their tale is enchanting Written by Oscar Andy Hammerstein Oscar II s grandson TheHammersteins presents a multi layered portrait of the Hammerstein legacy complete with personal and professional

highlights as well as the scandals and tragedies The book also draws heavily upon the family archives presenting a rich collection of photographs theatre blueprints letters programs patents and more much of which has never been seen before The Hammersteins is at once a deeply personal story of an American family living the American dream and a celebration of musical theater in this country

The Politics of Musical Identity Annegret Fauser, 2017-07-05 This volume explores the way in which composers performers and critics shaped individual and collective identities in music from Europe and the United States from the 1860s to the 1950s Selected essays and articles engage with works and their reception by Richard Wagner Georges Bizet in an American incarnation Lili and Nadia Boulanger William Grant Still and Aaron Copland and with performers such as Wanda Landowska and even Marilyn Monroe Ranging in context from the opera house through the concert hall to the salon and from establishment cultures to counter cultural products the main focus is how music permits new ways of considering issues of nationality class race and gender These essays three presented for the first time in English translation reflect the work in both musical and cultural studies of a distinguished scholar whose international career spans the Atlantic and beyond

The Oxford Handbook of the Global Stage Musical Robert Gordon, Olaf Jubin, 2023 In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical offers new scholarly approaches to issues arising from these new international markets The thirty three essays highlight major aspects of the genre such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems

Round in Circles Barry Kester, 2024-10-15 Round In Circles The Story of Rodgers Hammerstein s Carousel is intended not only for those who share the author s love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of Carousel from its beginning as Liliom a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning Liliom into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel s songs have become well loved standards none more so than You ll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable

anthem Carousel's story did not end with its 1945 Broadway opening. After an initial London run and a nationwide tour in the States, there was a film version. The author relates the many problems that were encountered on that production. The book examines what many would agree to be the finest production of Carousel to date, staged at the National Theatre in 1992, directed by Nicholas Hytner, and concludes with a look at some of the more recent revivals and the show's place in the musical theatre canon today. Barry Kester lives in Pinner and has loved musical theatre all his life. After retirement in 2010, he set out to write a detailed history of his favourite musical. *Round in Circles: The Story of Rodgers Hammerstein's Carousel* is his first book. **British and American Musical Theatre Exchanges in the West End (1924-1970)** Arianne Johnson

Quinn, 2023-10-24 This monograph centres on the history of musical theatre in a space of cultural significance for British identity, namely the Theatre Royal Drury Lane, which housed many prominent American productions from 1924-1970. It argues that during this period, Drury Lane was the site of cultural exchanges between Britain and the United States that were a direct result of global engagement in two world wars and the evolution of both countries as imperial powers. The critical and public response to works of musical theatre during this period, particularly the American musical, demonstrates the shifting response by the public to global conflict, the rise of an American Empire in the eyes of the British government, and the ongoing cultural debates about the role of Americans in British public life. By considering the status of Drury Lane as a key site of cultural and political exchanges between the United States and Britain, this study allows us to gain a more complete portrait of the musical's cultural significance in Britain. **Oklahoma!** Tim Carter, 2020-07-31

In this new and fully revised edition of *Oklahoma! The Making of an American Musical*, author Tim Carter brings newly uncovered sources, including correspondence and rehearsal scripts from the Rouben Mamoulian Papers, to bear in telling the story of the making of Rodgers and Hammerstein's beloved musical. **The Sound of Their Music** Frederick W. Nolan, 2002-09

Applause Books The greatest partnership in the history of the musical, captured in print, wonderfully illustrated. For this new edition, the book has been completely rewritten and substantially expanded to include material on Rodgers' early career with Lorenz Hart, as well as his later work, and also features recollections from such theatrical titans as Sheldon Harnick, Martin Charnin, Stephen Sondheim, and Arthur Laurents. Also, a completely new appendix reveals the details of the continuing worldwide phenomenon of Rodgers and Hammerstein's work up to and including the 2002 centennial year for Rodgers. **Special Collections in**

the Library of Congress Library of Congress, 1980 **Theatre and Performing Arts Collections** Lee Ash, 2019-10-19

Here is an exciting book that provides detailed descriptions of dozens of the most important and unique collections of theatricana in the United States and Canada. In *Theatre and Performing Arts Collections*, distinguished theatre specialists, librarians, and curators describe the unique possessions of the best and largest collections in theatre and performing arts. Each chapter provides detailed descriptions of the collections, as well as important notes about their history, information that is not available in any other source. *The Music for "Victory at Sea"* George Joseph Ferencz, 2023 This long-awaited study

explores the creation of NBC TV's landmark 1952-53 WWII documentary series with particular attention to its evocative Rodgers Bennett score Victory at Sea NBC TV's innovative 1952-53 WWII documentary was eventually broadcast to more than 100 million viewers worldwide Its episodes chronicled the war's conflicts while highlighting the US Navy's contributions NBC having sourced footage from the military governments and newsreel agencies of fourteen nations Victory's special distinction was its music with each episode's nonstop score recorded by the acclaimed NBC Symphony Orchestra The music was credited to Richard Rodgers then at the height of his fame as composer and Robert Russell Bennett as arranger and conductor In fact Rodgers composed twelve piano themes Bennett developed these endlessly for orchestra and in addition composed many hours of the score outright Part One chronicles Victory's gestation and production at NBC its reception the series afterlife in syndication and home video and the score's Gold Record sales success on RCA records Part Two examines each episode in turn focusing on how the Bennett scored music pairs with screen action Every transformation of the much used Rodgers themes is cited along with the episodes musical inter relationships The hundreds of musical examples generously sample the score's 111 2 hours of music NBC's Victory has been neglected by Richard Rodgers's biographers and by film historians As the series celebrates its 70th anniversary the Rodgers Bennett score here finally receives recognition for its artistry and power

Agnes de Mille Kara Anne Gardner, 2016-07-13 This book explores the Broadway legacy of choreographer Agnes de Mille from the 1940s through the 1960s Six musicals are discussed in depth Oklahoma One Touch of Venus Bloomer Girl Carousel Brigadoon and Allegro Oklahoma Carousel and Brigadoon were de Mille's most influential and lucrative Broadway works The other three shows exemplify aspects of her legacy that have not been fully examined including the impact of her ideas on some of the composers with whom she worked her ability to incorporate a previously conceived work into the context of a Broadway show and her trailblazing foray into the role of choreographer director Each chapter emphasizes de Mille's unique contributions to the original productions Several themes emerge in looking closely at de Mille's Broadway repertoire Character development remained at the heart of her theatrical work She often took minor characters represented with minimal or no dialogue and fleshed out their stories These stories added a layer of meaning that resulted in more complex productions Sometimes de Mille's stories were different from the stories her collaborators wanted to tell which caused many conflicts Because her unique ideas often got woven into the fabric of her musicals de Mille saw her choreography as an authorship She felt she should be given the same rights as the librettist and the composer De Mille's work as an activist is an aspect of her legacy that has largely been overlooked She contributed to revisions in dance copyright law and was a founding member of the Stage Directors and Choreographers Society a theatrical union that protects the rights of directors and choreographers Her contention that choreographers are authors who have their own stories to tell offers a new way of understanding the Broadway musical

Transforming the Screen, 1950-1959 Peter Lev, 2003 Covering a tumultuous period of the 1950s this work explores the divorce of movie studios from their theater

chains the panic of the blacklist era the explosive emergence of science fiction as the dominant genre and the rise of television and Hollywood's response with widescreen spectacles

The Middlebrow Musical James O'Leary, Frederick R Selch Associate Professor of Musicology James O'Leary, 2025-07-15 In a country divided by war and racism a group of middlebrow critics believed that art could heal society by blending high art folk and popular culture thereby uniting the separate audiences for each genre Their work culminated in a new kind of musical theater that appeared on Broadway during the 1940s including Rodgers and Hammerstein's Oklahoma Duke Ellington's Beggar's Holiday and Kurt Weill's Street Scene Ultimately The Middlebrow Musical unsettles seemingly familiar concepts such as high art and pop culture and invites readers to reconsider how past writers and musicians have invoked these categories toward civic ends

Decoding **The Oscar Hammerstein II Collection**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Oscar Hammerstein II Collection**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Oscar Hammerstein II Collection full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of The Oscar Hammerstein II Collection eBooks, including some popular titles.

FAQs About The Oscar Hammerstein II Collection Books

What is a The Oscar Hammerstein II Collection PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Oscar Hammerstein II Collection PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Oscar Hammerstein II Collection PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Oscar Hammerstein II Collection PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Oscar Hammerstein II Collection PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
