The Other Mississippi:

The Other Mississippi David Sansing, 2018-06-25 William Faulkner said he wrote about the human heart in conflict with itself and set most of his greatest work in that postage stamp of native soil in Mississippi which like the human heart is in conflict with itself David Sansing in typical form utilizes his remarkable talent as a Southern historian to highlight an amazing portrait of the Other Mississippi one in which the closed society of the past is only part of the story of our state In captivating style David eloquently reminds us all of the common bonds that bind us as it gives a candid yet hopeful view of Mississippi s continuing struggles ones in which we cannot rewrite the past but can chart our own future William Winter Governor Mississippi 1980 1984

The Other Mississippi Southern Regional Council, 1963 **One Mississippi, Two Mississippi** Carol V. R. George, 2015-04-01 During Freedom Summer 1964 three young civil rights workers who were tasked with registering voters at Mt Zion Methodist Church in Neshoba County Mississippi were murdered there by law enforcement and Ku Klux Klansmen The murders were hardly noticed in the area so familiar had such violence become in the Magnolia State For forty one days the bodies of the three men lay undetected in a nearby dam and for years afterward efforts to bring those responsible to justice were met only with silence In **One Mississippi Two Mississippi** Carol V R George links the history of the Methodist Church now the United Methodist Church with newly researched local history to show the role of this large denomination important to both blacks and whites in Mississippi s stumble toward racial justice From 1930 1968 white Methodists throughout the church segregated their black co religionists silencing black ministers and many white ministers as well locking their doors to all but their own members Finally the combination of civil rights activism and embarrassed Methodist morality persuaded the United Methodists to restore black people to full membership As the county and church integrated volunteers from all races began to agitate for a new trial for the chief conspirator of the murders In 2005 forty one years after the killings the accused was found guilty his fate determined by local jurors who deliberated in a city ringed with casinos unrecognizable to the old Neshoba In one sense a spiritual history the book is a microhistory of Mt Zion Methodist Church and its struggles with white Neshoba as a community learned that reconciliation requires a willingness to confront the past fully and truthfully George draws on interviews with county residents black and white Methodist leaders civil rights veterans and those in civic groups academia and state government who are trying to carry the flag for reconciliation George s sources printed oral and material offer a compelling account of the way in which residents of a place long reviled as dark Neshoba have taken up the task of truth telling in a world uncomfortable with historical truth
