The Other Side Of Heaven Postwar Fiction By Vietnamese And American Writers

Wayne Karlin

The Other Side Of Heaven Postwar Fiction By Vietnamese And American Writers:

The Other Side of Heaven Wayne Karlin, Minh Khuê Lê, Vu Truong, 1995 These stories represent the second wave of fiction works about the aftermath of the Vietnam conflict as it moved into both countries touching and forever changing not only the veterans but also their families and their societies Contributors include John Edgar Wideman Larry Brown Robert Olen Butler Philip Caputo Bobbie Ann Mason Ngo Tu Lap Tim O'Brien and others

United States and Asia at War: A Cultural Approach Philip West, Steven I. Levine, Jackie Hiltz, 2015-06-03 This text examines the Pacific War the Korean War and the Vietnam War from the perspective of those who fought the wars and lived through them The relationship between history and memory informs the book and each war is relocated in the historical and cultural experiences of Asian countries

Asian American Short Story Writers Guiyou Huang, 2003-06-30 Asian America has produced numerous short story writers in the 20th century Some emerged after World War II yet most of these writers have flourished since 1980 The first reference of its kind this volume includes alphabetically arranged entries for 49 nationally and internationally acclaimed Asian American writers of short fiction Each entry is written by an expert contributor and includes a biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies Writers include Frank Chin Sui Sin Far Shirely Geok Lin Lim Toshio Mori and Bharati Mukherjee An introductory essay provides a close examination of the Asian American short story and the volume closes with a list of works for further reading

Gale Researcher Guide for: The Vietnam War in Literature and Its Aftermath Catherine Calloway, Gale Researcher Guide for The Vietnam War in Literature and Its Aftermath is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

Beyond the Borders Deborah L. Madsen, 2003-08-20 This book challenges the boundaries of postcolonial theory Focusing on American literature it examines how America's own imperial history has shaped the literature that has emerged from America from Native American Latino Black and Asian American writers They contrast this with postcolonial literature from countries whose history has been shaped by American colonialism from Canada Central America and the Caribbean to Hawaii Indonesia and Vietnam It explores questions about national identity and multiculturalism why for instance is a Native writer categorised within American literature if writing on one side of the border but as Canadian and postcolonial if writing on the other This is a challenging collection that raises questions not only about the boundaries of postcolonial theory but also about ethnicity and multiculturalism and the impact of immigration and assimilation

Of Vietnam J. Winston, L. Chau-Pech, 2001-12-06 A rich space of criticism and document *Of Vietnam* moves contemporary figurings of Vietnam out of the nostalgic enclaves of the past and the stagnant places of a mythological present into the rich potential of our historical epoch This provocative book is the first to bring together works by photographers established and unpublished writers poets and artists from Vietnam and its diasporas and critical pieces by scholars of

anthropology art history history and literary and cultural studies Focusing on issues of identity displacement language sexuality and class their contributions challenge and encourage readers to experience the multiplicity of experiences that make up the fabric of identity

America's Wars in Asia , Even though the cultural approach concerns itself with the local and the particular rather than with the abstract and universal it is inherently comparative Moreover it also relocates each war in the historical and cultural experiences of Asian countries themselves rather than seeing the war as merely a conflict between the United States and Asian nations

The Greenwood Encyclopedia of Asian American Literature Guiyou Huang,2008-12-30 Asian American literature dates back to the close of the 19th century and during the years following World War II it significantly expanded in volume and diversity Monumental in scope this encyclopedia surveys Asian American literature from its origins through 2007 Included are more than 270 alphabetically arranged entries on writers major works significant historical events and important terms and concepts Thus the encyclopedia gives special attention to the historical social cultural and legal contexts surrounding Asian American literature and central to the Asian American experience Each entry is written by an expert contributor and cites works for further reading and the encyclopedia closes with a selected general bibliography of essential print and electronic resources While literature students will value this encyclopedia as a guide to writings by Asian Americans the encyclopedia also supports the social studies curriculum by helping students use literature to learn about Asian American history and culture as it pertains to writers from a host of Asian ethnic and cultural backgrounds including Afghans Chinese Japanese Koreans Filipinos Iranians Indians Vietnamese Hawaiians and other Asian Pacific Islanders The encyclopedia supports the literature curriculum by helping students learn more about Asian American literature In addition it supports the social studies curriculum by helping students learn about the Asian American historical and cultural experience

Rethinking American History in a Global Age Thomas Bender,2002-05-14 In rethinking and reframing the American national narrative in a wider context the contributors to this volume ask questions about both nationalism and the discipline of history itself The essays offer fresh ways of thinking about the traditional themes and periods of American history By locating the study of American history in a transnational context they examine the history of nation making and the relation of the United States to other nations and to transnational developments What is now called globalization is here placed in a historical context A cast of distinguished historians from the United States and abroad examines the historiographical implications of such a reframing and offers alternative interpretations of large questions of American history ranging from the era of European contact to democracy and reform from environmental and economic development and migration experiences to issues of nationalism and identity But the largest issue explored is basic to all histories How does one understand teach and write a national history even as one recognizes that the territorial boundaries do not fully contain that history and that within that bounded territory the society is highly differentiated marked by multiple solidarities and identities Rethinking American History in a Global Age advances

an emerging but important conversation marked by divergent voices many of which are represented here The various essays explore big concepts and offer historical narratives that enrich the content and context of American history The aim is to provide a history that more accurately reflects the dimensions of American experience and better connects the past with contemporary concerns for American identity structures of power and world presence

The Women on the Island Ho Ahn Thai, 2012-05-15 Deep in the forested Vietnamese island of Cat Bac a jungle seethes with the irrepressible force of its own history Haunted by agonies of temptation and frustration the women on the island are prisoners of the power of the place the power of the past the power of desire and constraint Yet like the jungle of jackfruit trees and bamboo itself desire is a force that cannot be subdued This novel illuminates the plight of a generation of men and women in post war Vietnam It explores issues of family and gender and charts Vietnam's effort to redefine its relationship to its past and future Popular writer Ho Anh Thai brings into view the struggle of women who survived their service during the war years Like male veterans in America and Vietnam they returned to a society which they had defended but which in many ways had no place for them By confronting these issues Ho Anh Thai has contributed to the debate in Vietnam over the rights of unmarried women with children Through the lens of this particular time and place *The Women on the Island* probes the timeless question of how we find ways to live in harmony with the tangled and contradictory compulsions of our own souls

Asian American Culture Lan Dong, 2016-03-14 Providing comprehensive coverage of a variety of Asian American cultural forms including folk tradition literature religion education politics sports and popular culture this two volume work is an ideal resource for students and general readers that reveals the historical regional and ethnic diversity within specific traditions An invaluable reference for school and public libraries as well as academic libraries at colleges and universities this two volume encyclopedia provides comprehensive coverage of a variety of Asian American cultural forms that enables readers to understand the history complexity and contemporary practices in Asian American culture The contributed entries address the diversity of a group comprising people with geographically discrete origins in the Far East Southeast Asia and the Indian subcontinent identifying the rich variations across the category of Asian American culture that are key to understanding specific cultural expressions while also pointing out some commonalities Entries are organized alphabetically and cover topics in the arts education and politics family and community gender and sexuality history and immigration holidays festivals and folk tradition literature and culture media sports and popular culture and religion belief and spirituality Entries also broadly cover Asian American origins and history regional practices and traditions contemporary culture and art and other forms of shared expression Accompanying sidebars throughout serve to highlight key individuals major events and significant artifacts and allow readers to better appreciate the Asian American experience

A Wolf by the Ears Wayne Karlin, 2020-03-31 A novel that vividly examines the struggle of enslaved people to find their freedom dignity and self worth as our country struggled Michael Glaser former Poet Laureate of Maryland We have the wolf by the ears and we can neither

hold him nor safely let him go Thomas Jefferson During the War of 1812 thousands of enslaved people from plantations across the Tidewater rallied to the British side turning against an American republic that had barred them from the promises of freedom and democracy Set against the backdrop of rebellion and war Wayne Karlin s *A Wolf by the Ears* follows the interconnected stories of Towerhill and Sarai two African slaves and their master Jacob Hallam Educated side by side and inseparable as children the three come of age as they are forced to grapple with and break free of the fraught linkage of black and white Americans and how differently each defines what it means to fight for freedom Sarai and Jacob are caught in the tension between the dream of equality the reality of slavery and their own hearts while Towerhill sits at the head of a company of black marines that is part of the force that takes Washington and watches the White House burn Wayne Karlin gives us a universe of well honed well realized characters who offer a new dimension about American slavery and what it did to us He shows us war in language that makes him seem not just a storyteller but a witness Karlin s work is inspired a gift and a pure treasure Edward P Jones winner of the Pulitzer Prize for *The Known World*

Even the Women Must Fight Karen Gottschang Turner,2008-05-02 Even the Women Must Fight Karen Turner and Phan Thanh Hao have brought scholarship and compassion to a long neglected aspect of the Vietnam War the contributions of Vietnamese women to the independence struggle of their nation and the terrible price they paid for their courage and patriotism Neil Sheehan author of *A Bright Shining Lie* John Paul Vann and *America in Vietnam* A searing chronicle of wartime experiences Even the Women Must Fight probes the cultural legacy of North Vietnam s American War Unflinching in its portrayal of hardship valor and personal sacrifice this wrenching account is nothing short of a revelation banishing in one bold stroke the familiar image of Vietnamese women as passive onlookers war brides prostitutes or helpless refugees Karen Turner has given us a book that will change our understanding of the Vietnam War and of Vietnam today I found it enthralling Cynthia Enloe author of *The Morning After Sexual Politics at the End of the Cold War* A first rate book that will add substantially to our understanding of the human tragedy associated with one of the most bloody conflicts in recent history Robert Brigham Professor of History Vassar College

Vietnamese Women at War Sandra C. Taylor,1999-02-02 For as long as the Vietnamese people fought against foreign enemies women were a vital part of that struggle The victory over the French at Dien Bien Phu is said to have involved hundreds of thousands of women and many of the names in Viet Cong unit rosters were female These women were living out the ancient saying of their country When war comes even women have to fight Women from Hanoi and the countryside fought alongside their male counterparts in both the Viet Cong and North Vietnamese military in their wars against the South Vietnamese government and its French and American allies from 1945 to 1975 Sandra Taylor now draws on interviews with many of these women and on an array of newly opened archives to illuminate the motivations experiences and contributions of these women presenting not cold facts but real people These women were the wives mothers daughters and sisters of men recruited into military service and because the war lasted so long women from more than one generation

of the same family often participated in the struggle Some learned to fire weapons and lay traps or to serve as village patrol guards and intelligence agents others were propagandists and recruiters or helped keep the supply lines flowing Taylor relates how this war for liberation from foreign oppressors also liberated Vietnamese women from centuries of Confucian influence that had made them second class citizens She reveals that communism s promise of freedom from those strictures influenced their involvement in the war and also shares the irony that their sex gave them an advantage in battle or subterfuge over Western opponents blinded by gender stereotypes As their country continues to modernize Vietnamese Women at War preserves these women s stories while they remain alive and before the war fades from memory By showing that they were not victims of war but active participants it offers a wholly unique perspective on that conflict It is a rare study which reveals much about gender roles and cultural differences and reminds us of the ever present human dimension of war

Vietnamese in America Lori Coleman,2004-09-01 Examines the history of Vietnamese immigration to the United States discussing why they came what they did when they got here where they settled and customs they brought with them

WLA ,2004 **Dressing up for War** ,2021-11-22 From the contents Laurie KAPLAN How funny I must look with my breeches pulled down to my knees nurses memoirs and autobiographies from the Great war Peter BUITENHUIS The perversion of motherhood the trope of the son at the front Renate PETERS The metamorphoses of Judith in literature and art war by other means Lorrie GOLDENSOHN Towards a non combatant war poetry Jarrell Moore Bishop **The Rough Guide to Vietnam** Martin Zatko,Ron Emmons,2012-07-12 The Rough Guide to Vietnam is the essential guide to one of Southeast Asia s most enticing destinations Roam the markets temples and shops of thousand year old Hanoi and then slow the pace down with a trip to national parks or the remote highlands From the rugged mountains of Ha Giang in the north to the pancake flat Mekong Delta in the south the Rough Guide s honest and up to date appraisals will steer you to the best places to stay eat and party across every price range Reviews take in hill tribe homestays quirky hostels boutique hotels sophisticated restaurants and delicious street food while informed and accessible writing covers everything from Buddhism to battlefields This fully revised edition is full colour throughout helping the country s tremendous food impressive colonial architecture and colourful ethnic minorities leap from the page and detailed maps offer clear guidance Now available in ePub format
